Mother Of Peace Mastermind: Build Your Online Holy Community With True Mother!

Henri Schauffler February 4, 2021

Starts Friday, February 5 6:00 - 6:40 PM Pacific.

Thanks so much for hosting us last weekend in your Famicons. We got a lot of great feedback; many people joined the online ShareMotherOfPeace,com site and orders for the discount bulk orders are coming in!

One of the things we mentioned to everyone was about a weekly mastermind / coaching session for anyone looking to do outreach with True Mother at their side via the memoir. The first one will be Friday, Feb 5th. These will be short (40 minutes) and worth everyone's time - we guarantee it!

Warmest regards,

This is a special invitation to the brand new Mother Of Peace Mastermind! Our new sessions will take place every Friday evening at 9:00 - 9:40 PM Eastern, 6:00 - 6:40 PM Pacific. START this Friday, Feb. 5th. We are committed to keeping these meetings short, so we can all get back to work! See details below.

We are creating a special meeting of Heavenly Tribal Messiahs who want to put new life into their outreach with True Mother's Memoir. Wonderful things happen when we work together:

Pray and report with brothers and sisters and add this as part of your devotional offering

Get new ideas to motivate yourself to get started!

Hear testimonies of success to help gain confidence and new techniques that are already working

Learn specific things you can do TODAY to begin your outreach over the Internet

Come away inspired and refreshed!
