

## WFWP St. Petersburg, Russia - Compass of Conscience Youth Education

Olga Vakulinskaya  
November 4 - 5, 2025

WFWP of Russia held a youth educational program "Compass of Conscience" in St. Petersburg. The participants of the program listened and then practiced 3 lectures on moral education during one whole day.

On November 5, WFWP gave a lecture on "Consequences of Using Obscene Words" at one public school. One of the young lecturers also helped to give a lecture. It was a truly meaningful and useful experience for all participants.
