Dear brothers and sisters,

It is with a heavy heart that I announce the passing of our beloved elder sister Beatrice Benson. Sister Beatrice passed away last night, Saturday September 24, 2022 at 11:08 pm following complications from three successive surgeries. She was 89 years old.

Sister Beatrice was one of the early members of our movement. She served our True Parents in many states from New York, where she directly attended True Parents to Nevada where she joined our movement and spent her last years. Our community will truly miss her.

Sister Beatrice's victorious ascension (Seonghwa) celebration will be held in a few days. Please stay tune for more details. In the meantime, let us pray for a smooth transition and safe settlement in heaven, her final resting place.

For any information on prayers, Seong Hwa Celebration and assistance, please contact our Blessed Family Ministry Coordinator Rev. Akira Ota by phone or via e-mail at [ota5532@gmail.com](mailto:ota5532@gmail.com)
