May 26, 2022

Dear Up and Coming Family,

We will meet this Saturday, May 28th, 2022 from 4pm - 8:30pm for our regular Up and Coming program at Belvedere! We'll have fun activities and content to enjoy. Please bring \$5 for dinner!

### Last Day of Up and Coming!

School is almost over and we'd like to let everyone know that our last scheduled day for the '21-'22 school year will be on Saturday June 11th, 2022 from 4pm - 9pm! We also want to use this day as a "Bring a Friend to Up and Coming Day". Many participants requested we have a day where they can bring their friends from school, so we will have a nice guest friendly environment prepared for them!

## Up and Coming Six Flags Trip!

Save the date for the Up and Coming Six Flags Trip, Saturday June 18th, 2022! This outing will be open to all participants and their families. More details regarding cost and transportation will be sent out soon.

Please let me know if you have any questions or concerns regarding the information above. We look forward to seeing you this Saturday!

P.S. Friendly reminder that we are nearing the end of the school year. We encourage all participants to follow the [Up and Coming Dress Code + Code of Conduct](#) to ensure everyone has a good experience during Up and Coming!
