Dear Seattle Heavenly Parent's Holy Community, Blessed Families, Brothers and Sisters,

Our December 25, Christmas celebration was great. A big thank you to Pastor Nelson Mira and his wife Satomi for heading the preparation and the actual program. Thanks also to those who came and especially those who shared their talents to entertain our families and those who volunteered to participate in the games. It was quite a sight to see everyone laughing and having a good time.

Camp True North, Washington State Winter Workshop, is still going on. I had the opportunity to join them yesterday and I was simply amazed with our young people who completely took ownership of this camp. Especially Yasu Ishiyama, Paige Wiesinger, Katya and Lisa Sergeeva who organized and coordinated everything from the venue, the speakers, the kitchen staff, the program, the rides, the fundraising etc. And Miyuki Granstrom who as Youth Pastor gave complete trust in them. I just want to express my gratitude to all staff, the participants and their parents, and all those who supported through prayers and by offering donations of their time, money and in kind.
