Dear Seattle Heavenly Parent's Holy Community, Blessed Families, Brothers and Sisters,

Greetings of Peace! I hope you are all doing well in this cold wintery weather. There is again a forecast of snow in some places. Please stay warm.

Our ACLC prayer breakfast last Saturday, February 18 was a success. We had 24 attendees including eight pastors and ministers. We celebrated ACLC co-founders' Birthday and shared the Holy Marriage Blessing to everyone who were present.

This Sunday, February 26, 2023, from 1:00 pm we will have a meeting on the theme "Let us make True Parents known and loved in every corner of Seattle and Washington State" I will share a short video from President Naokimi about the FFWPU national vision and mission for 2023. Then we will revisit our own vision and mission for Seattle Heavenly Parent's Holy Community and decide on keeping or revising it.

The sale of Windermere property is progressing. Please continue with our 40 days prayer condition especially in the next 12 days as we await for words from our second buyer who wants to keep the property as is.

Last February 23, Hamster Trust, the party that offered to buy Windermere Mansion contingent to demolition, accepted the counter offer that HSA-UWC Seattle submitted on the 22nd. HSA-UWC national board has 15 days (February 24 to March 10) to either approve or disapprove the agreement depending on whether we will get a better offer than it.

The time that we are in is very crucial, and our united heart of prayer is very much needed. I want to make an appeal to all of you to trust that our leadership is working on God's behalf and based on that foundation of trust, allow God to freely guide the sale process for Seattle properties. With absolute faith, absolute love and absolute obedience to Heavenly Parent and True Parents and their representatives, let us move the providence in Seattle to a new level.

God bless!

Sincerely,

Rosie Dijan Muyongo - Pastor
