Dear Seattle Heavenly Parent's Holy Community, Blessed Families, Brothers and Sisters,

We are 22 days away from our most awaited victorious entrance to the Cheon Il Sanctum in the Cheon Won Gung. I imagine how our True Mother is feeling as the day draws closer. As she goes around and check on all the preparations - the place, the set up, the program, the guests lists etc. I believe there is all the mixed emotions there.

On my part I wonder what else can we do to help. I am grateful that we have leaders that provide us guidance and directions. As I mentioned last week we are still focusing on our three major campaigns

1. Membership - we are on the 4 week challenge to bringing new members.
2. Blessing Candidates - All Hands on Deck
3. Cheon Won Gung Donation Campaign

Let us give our best to connect and offer what we can in order to proudly say we took part and actively contribute in one of the most significant event in God's providential history.

God Bless!

Sincerely with love,

Rosie Dijan Muyongo
