

Young Christian Leadership Conference True Love in Action: Together for Tonga!

Dear Clergy and Righteous Leaders,

The Young Christian Leadership Conference (YCLC) is a coalition of young righteous leaders committed to rekindling a culture of piety, purity, and impact in the hearts of the next generation. Recently, we have witnessed these fundamental tenets of Christianity criminally trivialized, therefore, YCLC, through activities including education, devotionals, service/pilgrimages, and the arts, collaborates with righteous leaders to champion a new revolution of heart.

YCLC's third core mission is to leave an impact on the nation and the world. We are asking if you can support us to bring this to life now.

As you may have seen, on January 15, Saturday, the Pacific island nation of Tonga, which is home to about 107,000 people, was declared under a state of calamity after a volcano beneath the sea off the coasts of Tonga erupted, sending an ash cloud 20 kilometers into the sky, covering the country with ashes and smoke and triggered a tsunami, which flooded parts of the archipelago.

Needless to say, the Tongan people are now in need of our help. With this, YCLC in the Asia Pacific and USA together with PCLC are partnering on a campaign. We will be working with our connections in Tonga to provide assistance to identify the affected communities.

Our goal is to seek spiritual and [financial support](#) to the people of Tonga whose homes have been flooded and are in need of emergency shelter, food, safe drinking water, toilets and other basic essentials. We will be allocating all the funds that could be raised through GoFundMe in sending the immediate needs of the community. Let's all put our hearts and spirit together and rebuild the nation of Tonga.

Let's work together as one family under God.
