# Introducing True Father

*From True Parents' Life Course*

In 1920, the year of my birth, Korea was under the Japanese rule. At that time, I painfully experienced the agony and sorrow of the weak nation being trampled on by a strong country. During my teens, I could not but seriously agonize over how to save this war-torn and sinful world.

Also, in my teens, I started to think deeply about the following basic questions about life: Who am I? Where did I come from? What's the purpose of life? Does life go on after death? Does God exist? Is God omnipotent, or is He just incompetent? If God is omnipotent, why doesn't He remove the problems of the mankind? Why do so many pains exist in the world? Since I knew that these problems cannot be resolved by human power, I judged that if God exists, we should follow His Will and take the path that can take us beyond the human limits.

At sixteen, I had a mysterious experience. In the morning of Easter, after I made a long tearful prayer, Jesus Christ appeared to me and gave me many revelations and teachings. He told me much about deep and amazing things. He said that God is grieved because of the suffering humanity.

And he asked me to undertake a special role on earth for the sake of God's work. In short, the spiritual world suddenly opened up before me and I could freely communicate with the saints there.

In the quietude of a deep North Korean mountain, I talked with Jesus Christ several times. The truth revealed at that time forms the core of the Unification Principle. That was the beginning of the revelation.

Ever since that special meeting, I have been conversing with the saints of the spiritual world including the living God and Jesus. Little by little, God taught me the amazing truth. It was as if the morning sun was rising after a long and dark night. In this truth, I could see

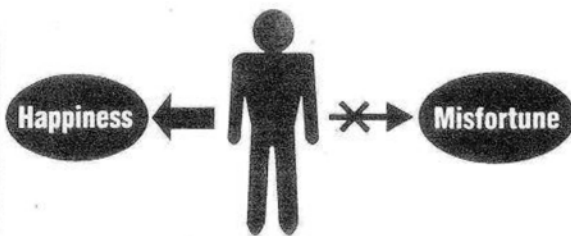

the dawn of the glorious new culture. This special revelation, based on the New Testament, has the power to bring all the religions together. Today this revelation is called the Divine Principle, and I have received an order from God to spread the Divine Principle to the ends of the earth.

The main branches of the Divine Principle are the Principle of Creation, Human Fall, and Restoration (salvation) and Second Advent.

*Step 3:*

One-on-One

**DP** *Reading*

# Internal Preparations

- 1) Prayers and conditions of offering all things are necessary to keep Satan away
- 2) Listen to your guest carefully and write down the details on the spot or after you come home
- 3) Report to the central figure
- 4) Read & study the DP section on your own prior to the appointment day

# External Preparations

- 1) On the day of your appointment, contact your guest to re-confirm.
- 2) Be at the appointment location before the meeting time to set the atmosphere.
- 3) Bring 2 Divine Principle books.  
One for yourself and another for your guest
- 4) Food is love.  
Bring some snacks or prepare a meal for your guest

# General Format for Reading Divine Principle w/ Your Guest

- ❖ Section by section; read together
- ❖ After each section hear their reflection and questions
  - \*\* If the guest asks questions that you don't know how to answer, there is no need to answer on the spot.
- ❖ Summarize the main points, emphasizing the heart of God
  - \*\* You may use the lecture manual diagrams to explain some points
  - \*\* When giving examples, use Father's examples rather than your own examples

## Key Points for Step 3

- 1) Two-on-One is better than One-on-One
- 2) Explain the meaning of the colors & the 3 main parts of DP
- 3) The guest reads the red and you read the blue and witnessing partner reads yellow. Please make sure to read out loud.
- 4) When your guests come for their first appointment, please read the Introduction of DP (pg 1-13).  
\*\*\* for Introduction, if the guest is from a Christian background, skip the yellow part and just read red and blue. For all other sections, read red, blue, yellow
- 5) Confirm your next appointment before saying goodbye

# Reading from the Divine Principle Book

“In respect to witnessing, those who joined after having read the book turn out to be much more useful members than those who joined through the lectures. For this reason, I ordered that the book be written as difficult to understand as possible. (...)

What the Unification Church wants now is leaders. **Rather than one thousand followers, we need one person who can lead.** Do you understand?”

Our guests are our mirrors; we must become solid and unaffected by the environment.

Be honest with yourself and report to God what you really think and feel. Consider your guest's issues as your family's issues and fallen nature. Repent on behalf of the guest and pray for God's assistance so that the guest can understand sins and fallen nature. Be desperate to restore your guest and shed tears of strong sympathy.
