September 3, 2022

Greetings!

YCLC's Truth-Life-Leadership (TLL) is calling all young, righteous leaders to be a part of the discovery and the discussion towards Seeking Principled Solutions to Humanity's Greatest Challenges.

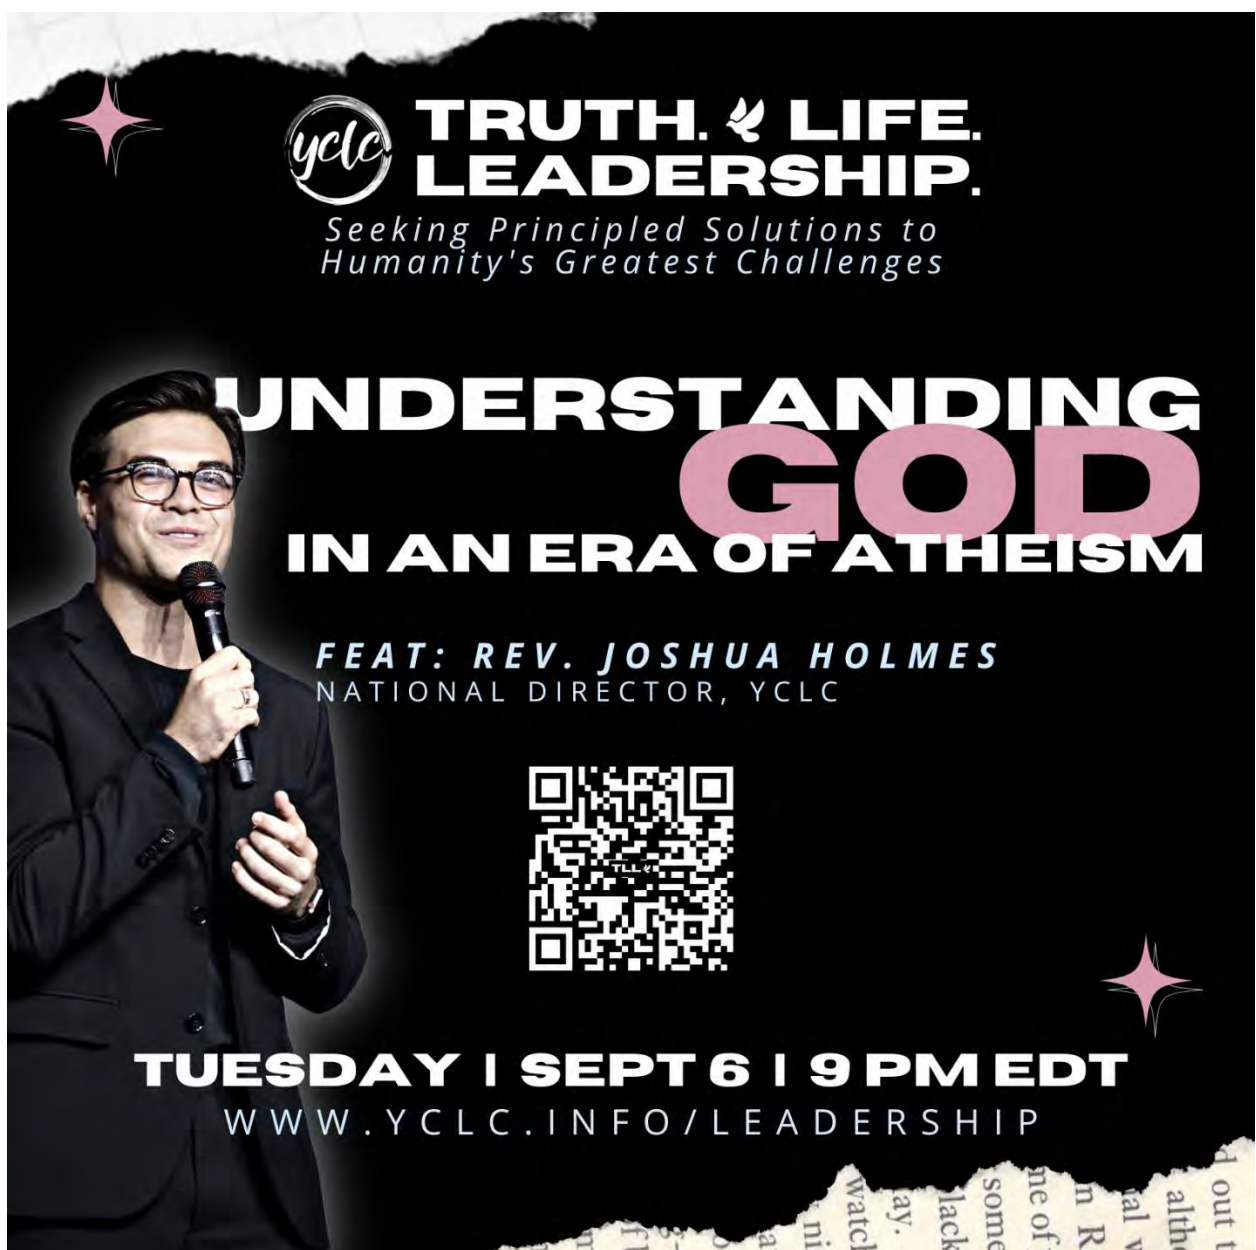

As ACLC, we are encouraging you to please invite all your young leaders and consider joining the program together with them! There will be opportunities for learning but also for sharing in intimate discussions with one another. Let's take this opportunity to join in raising this rising generation of young leaders.

The program will be weekly on Tuesdays at 9 PM EDT, the first being September 6th.

Find out more and register for the program here: [www.yclc.info/leadership](http://www.yclc.info/leadership)

This week's topic is: "Understanding God in an Era of Atheism"

Featuring Rev. Joshua Holmes, National Director of YCLC

What happens if we let this generation continue to be led towards the "irrelevancy of God" in their life? The repercussions of our heedlessness to explore a greater understanding and expression of God are far beyond our own imaginations. Rev. Holmes will be unpacking how we as believers can more thoroughly capture the essence of God as our Heavenly Parent and why it is a necessity for reaching this new generation that is raised devoid of a relationship with God, or worse, a disbelief in God.

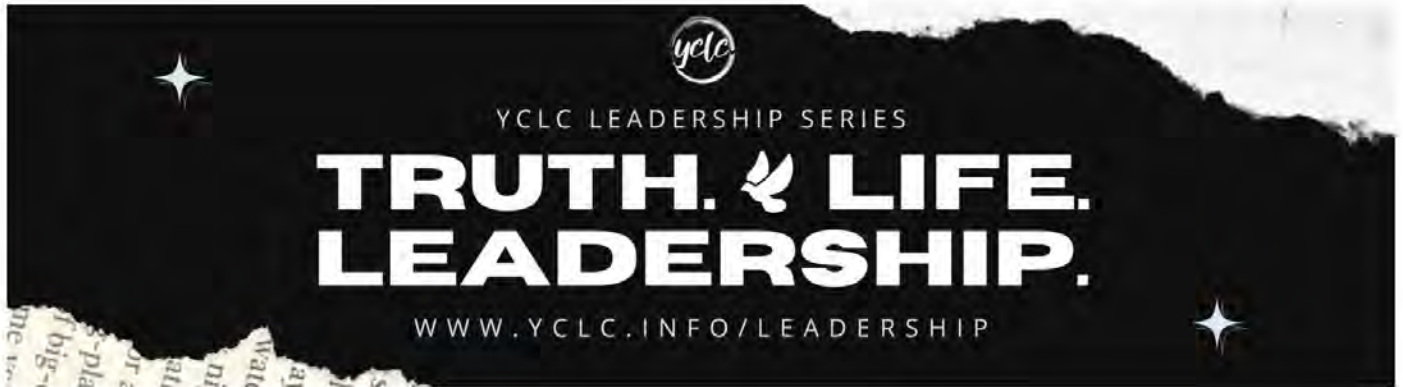

Let us come together in discussion and learning on September 6th towards a deeper understanding of God in this era of atheism.

YCLC National Staff

As Shepherd's of God's Flock...

...Let Us Become the Example

Everything rises and falls on leadership. However, we are in the midst of an eschatological reckoning between good and evil, God and Satan, in our world today; and as leaders we inevitably find ourselves struggling to “be the example” to our flock as we seek greater clarity, accountability, and training. If we ourselves are desperately challenged by humanities greatest pains...

**... how can we become proper shepherds of the flock?**

We are introducing this series for just that purpose: **to reveal key truths and solutions to challenges we face in life and leadership through guidance and discussion from leaders around the nation.** We know it will add value to your week and ministry and we pray your presence will do the same for others.
