The North America group registration for workshop participation for the “2025 Autumn Hyejeong CheonBo Great Works” is now available at the following link: <https://cheonshimwon.org/2025-autumn-great-works-group-registration>

The Great Works will take place on **October 24-26 in Korea**. Detailed schedule will be available soon, and once available, it will be posted on the “Great Works Special Website” (main page of the HJ Heaven and Earth Cheonbo Training Center website: <https://en.hjcbt.org/>). Please check it later for the detailed schedule in Korea, and for regular updates. Additional information can be found at the HJCBT website: https://en.hjcbt.org/bbs/board.php?bo_table=notice&wr_id=1041.

As always, the USA group registration is for workshop participation only to allow you to participate in the Chanyang sessions online. If you're interested in Ancestors Liberation and Blessing, please check Cheon Shim Won USA (CSW) at cheonshimwon.org for upcoming events, and stay tuned for regional and local HJ CheonBo events. CSW USA is now handling the Great Works registration as well, so please direct all questions to CSW staff at register@cheonshimwon.org.

To connect with the live event or the available recording, you will need to be logged in to your account on the HCBT website (<https://en.hjcbt.org/>). **Please make sure your account credentials are set up before the event, so there will be no issues logging in at the actual time. If you have issues logging in or finding your account, please email the HJCBT International office at cpintl2013@gmail.com.** Please make sure it is working before the event. On the day of the event, the international office at HJCBT is extremely busy and won't be able to help until the main event concludes, which means you will need to watch the recording the next day.
Thank you.

new! [A Book by Jules Hack "The Problem of Evil and the Way Out: A Unificationist Solution"](#)

This book offers a fresh perspective on an age-old question: If God is all-powerful, all-knowing, and all-good, why does evil exist? Drawing on over 46 years as a Unificationist, the author presents an unconventional answer, exploring each of

God's attributes in dedicated chapters. Additional chapters delve into the complex issues of free will and the nature of evil. The final chapter delivers a surprising and profound resolution to the problem of evil—one that ultimately points the way to world peace.
