Today our God, the LORD our Companion will bless you and brings you into a good place, He sets you above and not below, He makes you blessed and not forgotten, for the Lord honors your heart and your kindness to His people!

I pray that today your life and your family be like brooks of water, of fountains and springs, flowing forth with life, with joy, and with sweetness, wherever you may turn!

Your family shall be blessed today! Your business and your resources shall increase! People who owe you shall come to you and return to you joyfully what they owed you in Jesus's name!

Let the joy of the Lord be your light today! His wisdom leads you to your significance! Your family and your whole household be blessed today!

These I pray in the most Magnificent and Wonderful God our Father in Heaven and in the Name of our Savior Jesus is the Christ, w/ the guidance of the Holy Spirit, and Inspired by True Parent,
