Dear brothers and sisters,

Grandma Josephine, aka Giuseppa Ruggiero Marziliano (8/14/1935 - 9/15/2022) passed on Thursday, September 15th, 2022 in the home of her loving niece's family in Rhode Island. She had cancer above her uterus that was discovered too late to operate. She was 87 and looked forward to meeting with her parents in the spirit world.

As a spiritual Child of Phylis Kim, she offered many years of childcare to several families who cared for True Children; always wanting to give in any way she could.

Always devoted to True Parents and the truth they taught.

She is succeeded by her daughter, Patricia and her son, Michael.

Sincerely,

Pastor Justin
