Barbara's Memorial Service:

6th July

Our dear sister Barb passed into the spiritual world last month. We held a memorial service at the church this month for all her family, friends and members to attend. Flowers were offered on the altar by all her loved ones, then then a reading and prayer began the ceremony. A eulogy was given by a very close friend of hers, and testimonies shared by friends, family and church members, the service ended with Joe Cockers "Get by with a little help from my friends". It was a beautiful ceremony, and all gathered appreciated the lovely send off.

"Dear everyone , thank you for the great photos of Barb's service and It was such a lovely afternoon made possible by you and Rev Daniel, who is marvellous, plus Jacinta, Randall, Rick and so many others from the Church who attended and invested their time and energy to help give Barb a wonderful send off. She would have been both thrilled and humbled by the proceedings and all the love, thought and care that went into planning and making it such a memorable event. And laying the flowers as the harp played was just beautiful. Your people and the church brought her such fulfilment and peace in the last decade (and more) of her life and she cherished her time with you and really felt she had found her mission in life so bless you all for being such guiding lights and beacons of hope and goodwill for her and the wider world. I have sent the photos on to her step daughter in far North Queensland plus family here and friends around the country who could not be there on the day. My very best wishes to you and I hope I get the chance to meet again. With heartfelt thanks and utmost respect, yours, Jenny" -Jenny, Barbs close friend

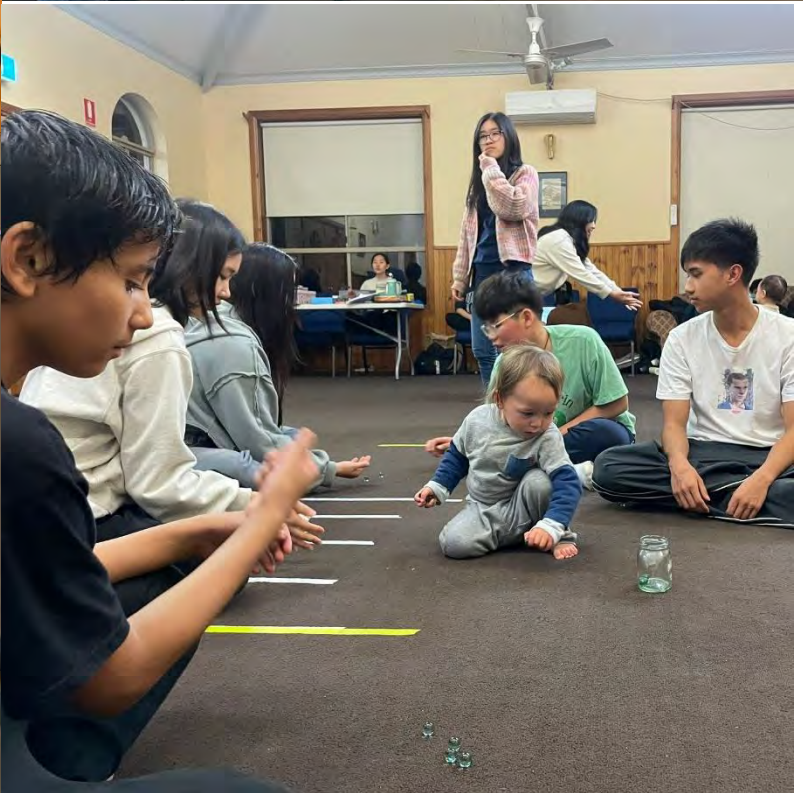

Young Australian members gathered for the mid year workshop in Melbourne Victoria. Recently workshops have for youth and children have been held simultaneously, giving the children a sense of belonging and the youth a sense of ownership as older siblings. Youth participated in lectures, which included purity and the significance of Holy Mother Han as the Only Begotten Daughter. They partook in activities and team bonding, as well as a fishing experience with the local World Sports Fishing Federation chapter. Participants had deep experiences of faith and fellowship over the course of the workshop. The workshop concluded with a Cheonshimwon prayer vigil performed by the UPA & Korean Missionaries. At the conclusion of the workshop several young members determined to visit Cheongpyeong at the end of the year.

Improvements at Camp Belgrave

Caretaker Chris Bruce has been working hard to improve our facilities at minimal cost. A few improvements are the grip strips on the brothers toilet pathway, the repair of the brothers shower wall, windows with a fresh paint, and the clearing and beautifying of the outside sink area.

"A heartwarming gathering for lunch and fellowship with PCLC pastor couple Rev and Mrs Tuisuga was held on Monday 28 July at the home of Noriko Jede. It was timed to coincide with the visit of Joon Jede from South Korea. We discussed PCLC activities, including the 23rd online fellowship held the week before, and watched an introductory video to the 'All the Families of the Earth Shall be Blessed (Genesis 12:3)' bible study. We all offered gratitude for the holy spirit-filled time together and hope to see each other again often." – Jacinta Moreau
