

Fence complete:

3rd November

Chris Bruce has finished building the fence surrounding the dwellings on the Belgrave property. This serves to keep the children inside the private areas, and help clarify for clients where they can and cannot go.

Cheon Bo Melbourne:

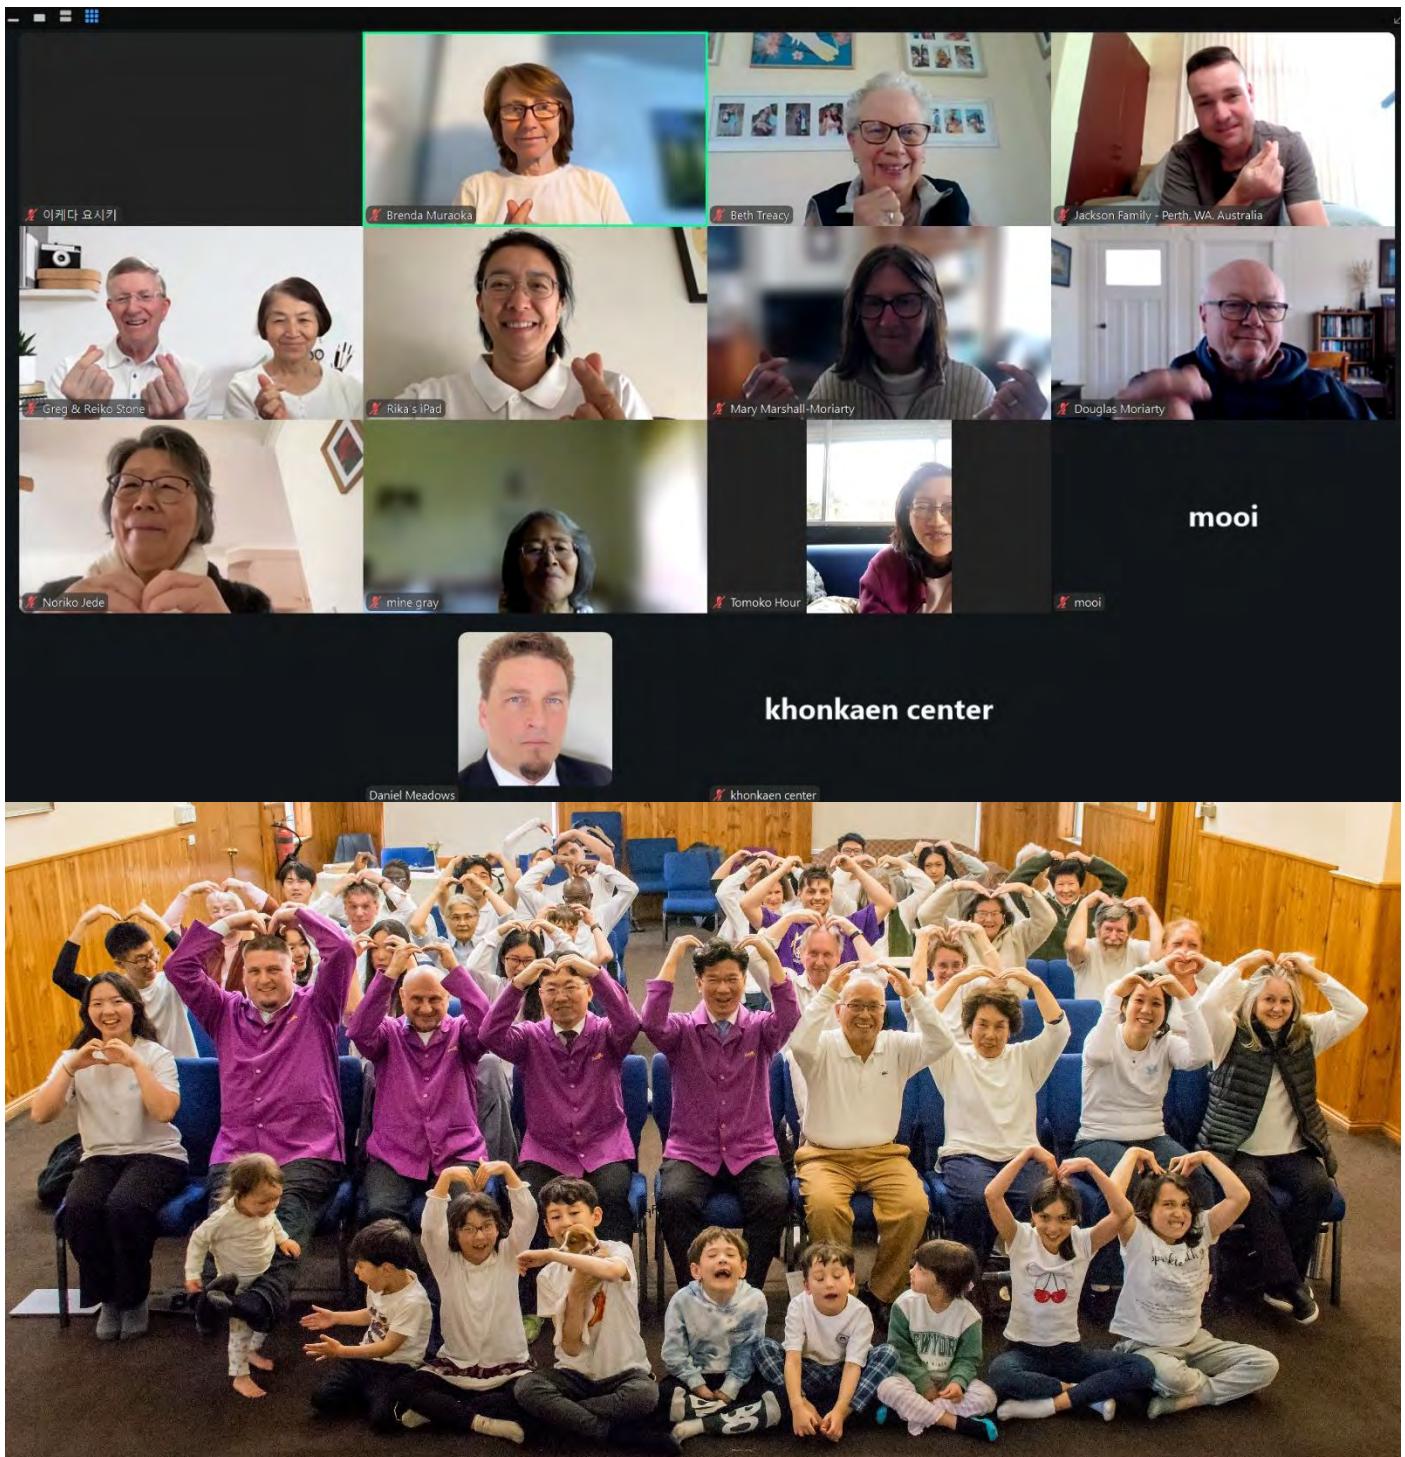

8th – 9th November

This Month Melbourne hosted the Regional Cheon Bo event. Dr Incheon Kim, Rev Yutaka and Rev John came to Melbourne for the event. We were strongly supported by the missionaries and many members came to offer their jeongseong. Ancestors Liberation and Blessings were held.

Memorial Service:

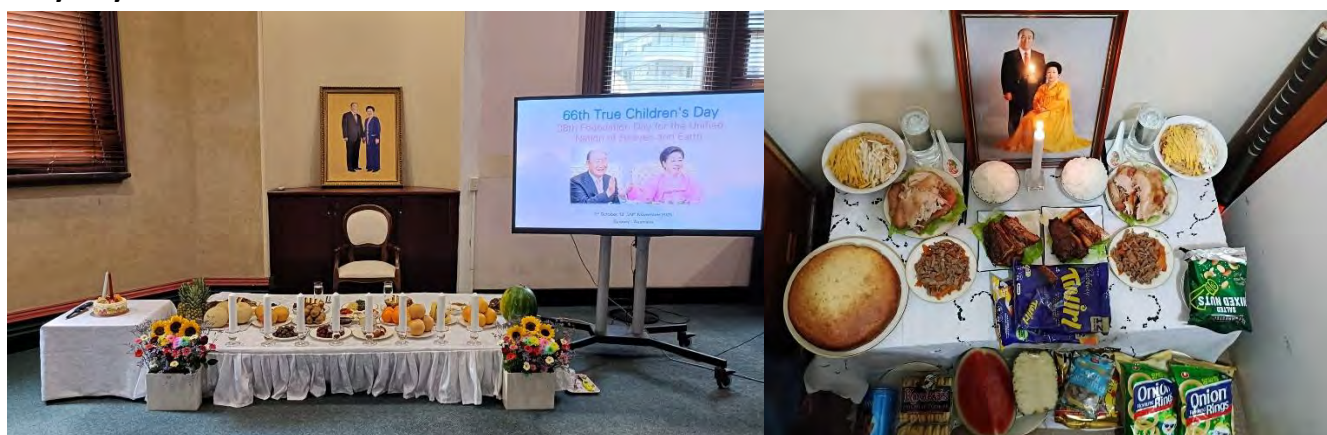

16th November

As is the yearly tradition in Melbourne, we held a memorial service close to Remembrance Day. Members came to honour the brother and sister who have passed into the spiritual world.

Holy Day:

20th November

The 66th True Children's Day and 38th Foundation Day was celebrated on the 20th this year. Members joined the proceedings from Sydney online.

True Children's Day:

23rd November

Despite the rain 59 members and guests turned out to celebrate True Children's Day Family Festival. The traditional jumping castle was erected, kids could get fake tattoos and a raffle held for parents. This year we pioneered having parlour games, especially a shooting range for prizes. The fun concluded with a pirate's treasure hunt.

The last Hyo Jeong Nuri of the year was held at the end of November. It was Christmas themed of course, and some interested questions were asked by the kids, such as “Did God know that Jesus would be born?” Special Christmas crafts were made after service with Tatiana Naumovich.
