

Outdoor Service:

1st March

With the youth helping to set up we held this month's first Sundays service at Apex Park in Belgrave town. John and Anne Bellavance and WFWP providing sausages, drinks and cake for all members.

Clean Up Australia WFWP:

1st March

After service church members and WFWP members joined Clean Up Australia Day. Other organisations were also getting involved around the township of Belgrave.

Upgrading the Projector

6th March

Doss Anania has set up our new projector. We are hoping to upgrade the switchboard next.

Alan & June Saunders' visit:

14th March

Dr Yves and Dr Jacinta Moreau gathered on Saturday afternoon at Mission to Seafarers in the CBD with Alan Saunders and his wife June. Alan and June had invested a lot in Character Education worldwide, including Samoa, the Solomon Islands and Palau. It was so nice meeting again and catching up.

Missionaries arrive in Melbourne:

16th March

Missionaries Shim Hong, Seonmin, Kayeon and Yeonbi arrived in Melbourne 16th March. Melbourne has not received Missionaries since the 90s so it is a very historical event for the Victorian community. After having an induction to their mission in the Melbourne community, they went to go sightseeing at Phillip Island. They agreed that this area was “Truly Australia”.

Service at the ‘Father’ Holy Tree:

22nd March

Members gathered in Kings Domain at the Father Holy Tree for service. This was the first service for our Missionaries to attend in Victoria. It was also fitting for them to visit the first Holy Tree in Victoria and offer prayer to begin their mission. After a brief service in the gazebo, where the missionaries introduced themselves, members ate a picnic lunch, chatted and the youth played cards under the holy tree. The Arai couple gave the missionaries some lunch money to have a treat after service, so they took some of the youth to a famous Bingsu restaurant.

Witnessing meeting:

25th March

We had our first witnessing meeting with missionaries and local members. The missionaries will be learning what current activities are happening and then support and help develop them.

Hyo Jeong Nuri:

29th March

Our Hyo Jeong Nuri this month was well attended by all ages. The missionaries added their own flare to the service.

After Hyo Jeong Nuri the young girls held a secret meeting with the missionaries, where they conspired to hold an Autumn workshop for GIRLS ONLY. After receiving spiritual power and moral support from the missionaries (who are also girls), they began planning schedules and designing activities. They then used their charm and wits to fool Rev Daniel into accepting this outrageous activity. This will be the first workshop planned and operated by Primary School kids, springing forth from their own inspiration. The missionaries will staff (no boys allowed), but the participants will help with running activities as well as cooking and cleaning. Is this the power of True Femininity?
