

Seonghwa Announcement for Kuya Cesar Orquillas

Rafael E. Ablong
November 2017

Dear FIL-JAP Blessed Families,

Our former stalwart and longtime leader of the Unified Mindanao and Unified Visayas-Mindanao Region succumbed to brain hemorrhage and consequent coma a week ago. He passed away at 10:32 am this morning with his wife Yoshiko and daughters Mie and Mia.

Seonghwa preparations are underway while they are trying to move his body from the Yokohama hospital to a funeral parlor where they can have a Seonghwa Ceremony for him.

Our National Leader, Rev. Malicdem has been notified about his passing and has approved his Seonghwa ceremony anytime soon.

Please pray for the eternal repose of his soul to Heavenly Father and True Parents as we wait for the venue of his Seonghwa Ceremony. Our loving prayers and loyal hearts are always the best way of expressing our thanks and gratitude for all that he has done for God's providence in Japan and the Philippines.

Seonghwa Ceremony Schedule is 03 November at 6 pm.
