July 20, 2023

On Thursday morning, Rev. Futila Michel, national leader of São Tomé and Príncipe arrived in Angola from the Democratic Republic of Congo, on his way going back to São Tomé and Príncipe.

The UPF ANGOLA and FFWPU ANGOLA have a radio program on Radio Tocoista of Angola, called: Peace and Responsible Citizenship, and taking advantage of this opportunity, UPF Angola invited Rev. Futila Michel, to partake in the program. So this time we had Rev. Kinambuta Sambu Pedro, Rev. Futila Michel Di Mayeko, and Dr. Benvindo Wansung Pelani at the radio talk.

This time the theme of the day was "Peace is not a slogan, but a behavior". This theme was well-developed, and we received many positive comments during and after the radio program.

It should be noted that this program is the sole responsibility of UPF ANGOLA and FFWPU ANGOLA. And as part of the 40-day Special Witnessing Activity and Devotion Period before the 11th anniversary of the Holy Ascension of Sun Myung Moon, True Parents of Heaven, Earth, and Humankind, UPF ANGOLA will prepare a special program on True Parents' Life and works.

Our Hope is to let the people of Angola be connected to our True Parents and listen about their accomplishments.
