

HPHC DMV: Introducing Pre-K Sunday School for CHPHC

Adalia Tonneyck
August 17, 2021

Hello to Community!

My name is Adalia Tonneyck, and I am the lead pre-school teacher for our CHPHC. I have been a part of the NOVA family church community for about 12 years, and prior to moving to this DMV community I grew up in New York around the Belvedere area.

I am a professional costume designer and teacher working at George Washington University part time and the Madera school teaching technical theater to students. I have been blessed to my husband Reony Tonneyck for 12 1/2 years, and we have a son together Ryden who is 3 1/2.

Since we began meeting in-person for Sunday Service, we have been facilitating wonderful activities and bible stories for children 3 to 5 years old. We are currently in need of many more parents and volunteers to help with teaching our youth, and if you are interesting in helping out, please email me at adaliavera@gmail.com

Since June we have covered many great topics and themes (*Fathers Heart, David and Goliath, God made the summer, God made water, Jonah and*

the Whale, Armor of God, Father's love, God made the ocean). Here are a few pictures from our classes as well.

Thank you for all your Support!
-Adalia
