All of the above information is true and complete, and I authorize the FFWPU staff to use the information as necessary to find a match for me. I understand that although FFWPU will exercise its best effort in matching applicants, I am not guaranteed a match, and that it is MY responsibility to create a true love relationship within a marriage that results from my matching. I further understand that just as I may decline a match provided for me, a person matched to me may also decline the match. I understand that it is to my benefit, and that I am expected to attend educational programs offered by my local FFWPU or affiliate office before and after my matching, and to participate in the Pure Love Pledge/Blessing Ceremony either locally or at the main event location.

I understand that the Blessing Ceremony is a spiritual dedication ceremony and not a legal marriage. To become legally married I will comply with the marriage laws in the country and state in which I live.

Any information I have entered that is false automatically invalidates this application and any match that may result from it. I further understand that in suggesting matches, FFWPU relies only on the information provided by matching applicants, and does not perform background checks. I hereby indemnify and hold harmless FFWPU and its employees, officers, members or affiliates from any and all claims of liability or damages.
