## Explanatory Notes

- 1. This booklet provides references to the original sources of the passages that appear in *Cheon Seong Gyeong*. They are listed in the order in which they appear in this volume, according to the book, chapter, section and numbered verse.
- 2. Each reference indicates the volume and page number where the passage appears in the series *The Sermons of the Reverend Sun Myung Moon* (published in the original Korean), plus the date the words were spoken (year, month, day). For example, "01. 135-347, 1985 12 16" indicates that the content from that extract came from Volume 135, page 347, and that the speech was given on December 16, 1985. In newer editions of the *Sermons* the page on which the extract appears could be slightly different from that listed here.
- 3. If only the date is marked, the extract is from unpublished words spoken by Rev. Moon.
- 4. In Book 13 (Peace Messages) the page number in the Korean version of *Pyeong Hwa Shin Gyeong* is referenced.
- 5. In Book 12 (Cheon Il Guk) Chapter 4, Section 3 is a compilation of Mrs. Moon's words in the months following Rev. Moon's ascension. Only the date and location are referenced.
