

GOD'S IDEAL FAMILY AND THE KINGDOM OF THE PEACEFUL, IDEAL WORLD - III

The speech delivered on behalf of Rev. Dr. Sun Myung Moon in 14,400 cities throughout 120 nations from October 22 to December 20, 2006, during the "120 Ambassadors for Peace Speaking Tour for World Peace."

Respected Ambassadors for Peace, leaders from all walks of life, distinguished guests from home and abroad, and beloved blessed families:

First of all, I would like to express my sincere gratitude to all of you for your efforts to realize peace for all humanity, and especially for your support of the Universal Peace Federation. As you may know, after the coronation ceremonies at which I was acknowledged as the King of Peace, held both in a United States Senate office building and at the Korean National Assembly in 2004, I founded the Universal Peace Federation in New York City on September 12, 2005. On the foundation of those victories, on June 13 of this year, we held the Entrance Ceremony of the Cheon Jeong Peace Palace and the Coronation Ceremony of the True Parents as the King and Queen of Peace in Heaven and on Earth. These were each steps towards the establishment of the substantial kingdom of heaven on earth, which in Korean I call *Cheon Il Guk*.

Ladies and gentlemen, immediately after the inauguration of the Universal Peace Federation I embarked on a world speaking tour that took me to 120 nations. My wife, Dr. Hak Ja Han Moon, inherited the victory of that first world tour and went on successfully to complete a 180-nation tour, declaring God's message in the capacity of the True Parents. Through this tour, which took her around the entire world over the past six months, she and our sons worked together seamlessly, fulfilling the providence of mother-son cooperation. She, as a true parent, accompanied by true children declared the Word and officiated together with them over the World Peace Blessing Ceremony. Through this, she restored and offered to Heaven the realm of the lineage and the realm of Cain and Abel unity, both of which had been lost by Eve, the mother of the first human family.

Ladies and gentlemen, August 20 of this year was the twenty-first anniversary of my release from Danbury prison in the United States, which was the last of six unjust incarcerations I have had to endure during my lifetime. My release on that day signified victory over imprisonment on the worldwide level and the attainment of the realm of liberation and complete inner freedom. To commemorate that significant day, and to welcome and congratulate my wife on returning from her just-completed world speaking tour, I hosted a global level peace rally in Korea. More than thirty thousand core leaders, representing 1.2 million Ambassadors for Peace and leaders in 120 nations, gathered and strengthened their resolve to realize world peace.

Now, on the foundation of the success of that providential event, I am traveling to every corner of the world with three generations of True Parents' family, in the capacity of the King of King of Peace in Heaven and on Earth, to proclaim this message. It contains the secrets of Heaven, which God has sent down to humankind in this era after the coming of heaven.

Distinguished leaders, can you sense the intense heart with which I am taking up this world tour? As I approach my eighty-eighth year, I do not know when or where I might collapse along the way. I have already put my life on the line to embark on this world tour, and it may be that it will be my last. I am revealing the secrets of Heaven. These might be the last words that the True Parent, who appeared with Heaven's seal, leaves to humanity. I sincerely ask that you open your hearts and engrave these words of Heaven upon them. May you have the wisdom to uphold these words as the standard for your life and pass them on to your family and clan, your descendants and the people in your community.

Ladies and gentlemen, my speech for today again has the title "*God's Ideal Family and the Kingdom of the Peaceful, Ideal World*," as it is a summary of the message from Heaven that I conveyed to the 6.5 billion people of the world during the past year. It is to remind you once again of your role and mission as seen from the viewpoint of God's providence, and of the importance of the time in which you are living.

The Emergence of the Universal Peace Federation

Ladies and gentlemen, throughout history, people have worked continuously for peace based upon human effort alone. Consider the confrontation between democracy and communism. Outwardly, the difference between the two was the extent to which they recognized and insured individual rights and freedoms. Yet from the viewpoint of God's providence, communism and democracy were like children who had lost their parents. The two divided into the positions of Cain and Abel respectively and became trapped in the shackles of fraternal conflict.

Throughout history, peace movements inevitably reached their limit and ended in failure because imperfect human beings carried them out. This is why the United Nations, although launched with the splendid dream of realizing world peace, today has to admit its inherent limitations and confess that it can no longer give hope to humanity. This is simply because the UN was launched during the era prior to the time when God could directly govern the unfolding of His providence in history.

Now, however, it is entirely possible for the Universal Peace Federation to fulfill its mission to unite heaven and earth and form the kingdom of the peaceful, ideal world. That is because it represents God's victory and the fruit of the True Parents' blood, sweat and tears. Therefore, the Universal Peace Federation is the world's cherished hope. It will carry out the role of an "Abel-type" counterpart to the existing "Cain-type" United Nations, and renew the UN, providing leadership for a new sovereignty of universal peace, which I call *Cheon Il Guk*. Therefore, please bear in mind that you leaders from around the world are being given the heavenly mission to build God's substantial homeland, the ideal world of God's creation.

God's Purpose of Creation

Respected leaders from around the world, what do you think is God's ultimate purpose for creating human beings? Simply put, it is to experience joy through relating with ideal families filled with true love. What does an ideal family look like? When God first created human beings, He made Adam representing all men and Eve representing all women, with the intention that they become owners of true love. Then what was the quickest way for them to cultivate a character of true love? Simply put, it was to secure a parent-child relationship with God, whereby they could live in attendance to God as their Father and form a model family embodying God's ideal of peace. They were to have followed the path of living as one family with God, experiencing joy eternally.

God created Adam and Eve and established them as the first ancestors of humankind to form the model family and establish the ideal of peace. He committed Himself completely to raising them as His son and daughter, joined with Him through true love, true life and true lineage.

Therefore, if Adam and Eve had achieved individual perfection in accordance with God's will—that is, if they had achieved the perfection of their character and entered into conjugal relations through His Blessing, they would have attained complete oneness with Him. God would have dwelt within their union. Their children would also have been linked to this holy order of love and enjoyed a direct relationship with God as their Parent. In other words, the marriage of the perfected Adam and Eve would have been God's own marriage. While God is forever God, Adam and Eve were meant to become His incarnations. Adam and Eve would have become God's body, and God would have settled inside their minds and hearts to become the True Parent of humankind in both the spiritual and physical worlds.

The Importance of Lineage

Do you know what has pained God's heart most, causing Him the greatest grief over the long history since the Fall of Adam and Eve? God lost His lineage, and with that, God lost the basis of human brotherhood and even His ownership over the creation. God's lineage is more precious than life itself. Without it, the fruits of true life and true love never matured. They became instead the fruits of Satan, lacking any relationship with Heaven. From them descended the 6.5 billion people now populating the earth.

Ladies and gentlemen, lineage is more important than life and more precious than love. Life and love come together to create lineage. Lineage cannot be established if either life or love is missing. Therefore, among the three—love, life and lineage—lineage is the fruit. God's lineage contains the seed of true love. God's lineage provides the context and environment for a true life.

Hence, for us to become the ideal people envisioned by God, that is, people of ideal character, and to create ideal families, we first need to be linked to His lineage. To take it a step further, only when we are linked to God's lineage is it possible to create God's homeland, the ideal nation. Only when we are linked to God's lineage is it possible to establish the kingdom of the peaceful, ideal world.

Please inscribe the importance of lineage in your hearts. I cannot emphasize this enough. This is because the parent-child relationship is the highest and most important of all relationships, and the lineal relationship between parent and child is the only way through which God's lineage can be bequeathed and made to last forever. You must be clear on this point.

However, it is false love, false life and false lineage that have infested the earth. God's love, life and lineage fell into the hands of the adulterer Satan, the enemy of love. Heaven and earth have been suffocated and transformed into hell. The world became a wretched place, far from God's presence. Yet humanity to this day lives in ignorance of this. People are deluded into believing that the lineage of the enemy is the lifeline upon which the world depends. This is the wretched truth about humankind descended from the Fall. That is why we refer to this world as hell on earth. God views humanity's tragic situation with a heart full of pain.

Furthermore, when, due to the Fall, Satan gained control of the realm of lineage, he also usurped the right of the elder son and the right of ownership. God is like a father who worked and sweated his entire life to accumulate assets for his children, only to have a thief steal everything in one night. Who can comprehend the sorrowful, painful heart of God? God lost His lineage, lost His children, and was forced to hand over the ownership of the nations and world to Satan.

However, the life of Reverend Moon, whose task it is to complete the mission of the True Parents, has been one of sorrow, marked by inexpressible suffering and persecution.

The third Adam, the True Parent, needs to indemnify and completely reverse all the failures of the first and second Adams. His task is to complete not only the mission of the Savior, Messiah, and Lord at his second coming, but also the missions of all those major figures on whom religions are based. With similarities to the process of God's creation of the universe, his life has constituted the great work of the re-creation of humankind, where not even the smallest error is permitted. It has been a lonely course that cannot be fully comprehended by anyone. It has been a course that took him down thorny paths through the wilderness—paths that he had to follow while utterly alone. Not even God could acknowledge him. Hovering many times between life and death, even vomiting blood, he still had to rise again like a phoenix to remain true to his promise to God.

Though he was innocent, Reverend Moon has had to endure unjust imprisonment six times: for working in the underground independence movement when he was studying in Japan in his early days; for propagating the will of God in Pyongyang, which was under communist rule immediately after Korea's independence; during the Syngman Rhee administration after Korea had been reborn as a free nation; and, furthermore, even in the United States, which proudly presents itself to the world as a model of democracy. Who on earth can understand the life of Reverend Moon? His has been a life of misery; by biting his tongue he has endured for the sake of comforting God, and for the salvation of the fallen people of the world who are suffering in the realm of death. Even now, if someone were to look into my heart and speak one word of sympathy, I would burst into tears and my tears would flow like a waterfall.

There is only one way to recover the realm of lineage, the right of the elder son and the right of ownership. This is the path to win the natural subjugation of Satan, to have Satan surrender voluntarily. What is the secret to accomplish this? It is only by the power of true love, when we love our enemies more than we love our own children.

True Love

Then what is true love? Its essence is to give, to live for the sake of others and for the sake of the whole. True love gives, forgets that it has given, and continues to give without ceasing. True love gives joyfully. We find it in the joyful and loving heart of a mother who cradles her baby in her arms and nurses it at her breast. True love is sacrificial love, such as that of a devoted son who finds his greatest satisfaction in dedicating himself with all of his body and mind to helping his parents.

When we are bound together in true love, we can be together forever, continually rejoicing in each other's company. The power of attraction of true love brings all things in the universe to our feet; even God will come to dwell with us.

Nothing can compare to the value of true love. It has the power to dissolve the barriers fallen people have created, including national boundaries and the barriers of race and even religion.

The main attributes of God's true love are that it is absolute, unique, unchanging and eternal. Whoever practices true love will live with God, share His happiness, and enjoy the right to participate as an equal in His work. Therefore, a life lived for the sake of others, a life of true love, is the absolute precondition for entering the kingdom of heaven.

The Spirit World Really Exists

Ladies and gentlemen, each person has a mind and body, and a spirit self that is more elevated than the mind. God resides in the world in which we live with our physical bodies and also in the spirit world, to which our spirits are destined to pass on. Therefore, only when we have become completely one with God in true love are we complete. Such a perfected person might be a small individual but would represent all of history and all potential future relationships and so could be said to possess infinite value. Once we are aware of our universal value, we realize that our lives should be led by and carried out in service to our minds.

That is why your conscience knows and perceives not only every action you have performed but also every thought you have entertained. Your conscience is aware of these things before your own teachers, parents or even God is. Hence, if you were to live in absolute obedience to the commands of your conscience, which is your teacher for eternity, you would be absolutely guaranteed to have eternal life. Such is the way of God's creation.

Looking at the structure of a human being from another perspective, we can recognize that God created us as beings with dual characteristics. He created our physical bodies as miniatures of the corporeal, tangible world and our spiritual bodies to be representatives of, and lords of, the incorporeal world. Accordingly, His intention was that we would live for one hundred years or so in the physical world and, once the physical body ceases to function, pass on naturally and automatically into the incorporeal, spirit world. In this way, though it cannot be perceived by our physical eyes, the spirit world is the automatic and inevitable extension of our lives on earth, humankind's eternal, original homeland, created by God.

The spirit world does actually exist. It is not a world that has been fantasized or imagined into existence. We do not have the right to choose; it is not a world we can go to if we please or refuse to go to if we would rather not. Just as God is eternal and unchanging, the spirit world He created is also eternal and unchanging. Just as we live in the physical world in our physical bodies and form all sorts of relationships with the existing world, even in the spirit world we are destined to go on living in our spiritual bodies, forming and maintaining close relationships with all the phenomena of the spirit world.

The Relationship between the Spirit and the Physical Body

However, in the relationship between the spirit and the physical body of a human being, the spirit is the more important of the two. The physical body lasts for about a hundred years before it ceases to function, but the spirit lasts eternally, transcending time and space. Isn't even a person who does well in the physical world bound to die? Therefore, before you pass on to the next world, you should achieve harmony between your physical and spiritual bodies by living your earthly life in such a way that you meet the standards of both the physical and spiritual worlds.

In other words, you have the responsibility to perfect your spirit within your physical body based on the finite life you live in the tangible, physical world. This does not mean, however, that the perfection of your spirit self happens automatically. Only on the basis of your having achieved complete harmony between your mind and body during your earthly life, by expressing true love through action, can your spirit self fully mature.

Ladies and gentlemen, in order for fruit to ripen and be put into storage in autumn, it must first pass through the growing process of spring and summer and be provided with the nutrients supplied by nature and the tender loving care of the farmer. Fruit grown in an orchard by a lazy and ignorant farmer will be afflicted with all kinds of diseases and be affected by foul weather. Eventually it will fall from the tree before it is ripe, or be classified as worm-infested. Though it will still be fruit, it will be different from other fruit since it will never be good enough to sell in the market.

Fruit that has fully matured on the tree will automatically go into its owner's storehouse. Similarly, only when the spirit of a person has reached perfection during his life in the physical world, which can be likened to the tree, can it automatically enter the

incorporeal spirit world of the kingdom of heaven. In other words, a person will automatically enter the kingdom of God in heaven only when he has qualified for and enjoyed the kingdom of heaven on earth by living as a fully mature person while in his physical body.

While living on earth, your every action and movement is recorded on your spirit self without exception, with the public laws of heaven as the standard. Accordingly, you will enter the spirit world in the form of your spirit self, which has recorded your life on earth with 100 percent accuracy. Your spirit will show plainly whether you have led a ripe life of goodness, or a wormy, rotten life of sinfulness.

What this means is that God will not judge you; you will be your own judge. If you are aware of this astonishing rule from Heaven, will you spend the remaining days of your life on earth in selfishness and immorality, succumbing to all the temptations of Satan and in pursuit of nothing but pleasure? No, rather you will abstain from injuring and scarring your spirit bodies, even at the risk of your earthly life. Please bear this truth in mind: whether you are bound for heaven or for hell is determined by your thoughts, words and deeds in each moment.

This does not imply, though, that the spirit leads its own life or that it can express true love through actions on its own. Your spirit self grows, matures and finally becomes perfected only within your physical body, through an earthly lifetime of having actualized true love, bringing your mind and body into a smooth relationship of give and take.

Nevertheless, undeniably, your outer self and inner self are in a constant relationship of conflict and struggle. How much longer will you allow this fighting to continue? Ten years? A hundred years? In contrast, there is undeniably a proper order for all forms of existence in the universe. This indicates that God did not create human beings in this state of conflict and disorder. You need to know that it is your duty and responsibility as a human being to dispel all temptations directed toward your outer self—your physical body—and be victorious in life by following the way of your inner self—your conscience. Heavenly fortune will be with those who lead their lives in such a way. They will achieve spiritual perfection.

The Kingdom of Heaven and the Family

Ladies and gentlemen, what kind of place is the kingdom of heaven? In brief, the heavenly kingdom is a world overflowing with God's true love. True love is its axis. True love is everywhere, in the outward expression as well as in the inward thought. Everyone's life is filled with true love from beginning to end. In the kingdom of heaven, people are born through true love, live in the embrace of true love and follow the track of true love until the day they pass on into the next world, the spirit world.

The kingdom of heaven is a natural world where all people live for the sake of one another. Consequently, antagonism and envy cannot be found anywhere in that world. It is a world that is not governed by money, position or power. There, the success of every person represents the success of the whole, the likes of every person represent the likes of the whole, and the joy of every person represents the joy of the whole.

The kingdom of heaven is a world filled with the air of true love, where everyone breathes true love. Its life throbs with love, everywhere and all the time. The citizens of that kingdom are all linked together through their common membership in God's lineage. There, the whole world and all its people are connected in an inseparable relationship, like the cells in our bodies. True love, the love that is God's essence, is Heaven's only governing power. Accordingly, God also exists for true love.

Ladies and gentlemen, you should now devote yourselves to practicing a life of true love. Can you love God more than Adam or Eve did? Can you love God more than Jesus did? By thoroughly actualizing true love, you should bring your mind and body into perfect harmony. You should establish relationships of true love with everyone around you. To put it another way, you should perfect a true family, consisting of three generations—grandparents, parents and children—living together in true love. If you do this during your time on earth, you will be eligible to enter heaven.

A Family of Three Generations Living in Harmony

When seeking after the lost ideal of the original family, there should be someone in the position of perfected Adam, someone in the position of Jesus, and someone in the position of the Lord at his second coming. From that starting-point we can establish the family in which God will dwell. In that family, three generations—grandparents, parents and

children—will live in harmony. Parents and children should serve and attend the grandparents, because they represent the family’s ancestors, its historical root.

Ladies and gentlemen, the family sets the pattern for living together in harmony. The warm environment of oneness based on love and respect between parents and children, mutual fidelity and love between husband and wife, and trust and mutual reliance among siblings is the manifestation of the model, ideal family of peace. This means that you need to establish a true family wherein the stem of true love emerges from the root of true love and bears the fruit of true love.

Such families contain the living root of history and the roots of the kingdom of heaven. In such families, the kingdom of heaven on earth takes root. They are the soil in which God’s everlasting kingship is firmly planted. The grandparents, parents, and children represent the roots of the past, present and future, respectively. The root of the past represents the spirit world, the root of the present is the palace representing the world today, and the root of the future establishes sons and daughters as princes and princesses. By establishing such families, we are erecting the palace of peace representing the harmony of the two worlds, the spirit world and the physical world.

In this manner, the three generations of grandparents, parents, and children should live together as one family and serve the eternal God. God desires to see such families, and it is your responsibility as tribal messiahs and Ambassadors for Peace to seek after and establish them—families of *Cheon Il Guk*, the kingdom of God.

Ladies and gentlemen, you should form families that God will miss and yearn to return to after He has been away. He should feel comfortable to visit your home like any parent coming to visit his or her children. This is what it means to live in service to God.

Within such a family, God is the vertical subject partner of your conscience, and your conscience is the vertical subject partner of your body. Thus, unity with God brings your mind and body into unity. Family members who have established that vertical axis can perfect the four realms of love and heart—parental love, conjugal love, children’s love, and siblings’ love. That family links all directions, above and below, front and rear, right and left. They revolve around each other in everlasting spherical motion. This is God’s everlasting model ideal family, which expands to ideal model nations and His peace kingdom. If only the entire world were filled with such true families! It would be an orderly world where people governed themselves by the heavenly way and heavenly laws, with no need for lawyers, prosecutors or even judges.

Who would be most fully aware of your good and bad deeds? It would be your grandparents, your parents, your spouse and your children. Is there anything that cannot be resolved within the family? When parents and children, husband and wife, and elder and younger siblings set an example of living for the sake of one another, how could they do anything unforgivable? What reason would they have to commit crimes? A world governed by the heavenly way and the heavenly laws is a natural world, an unobstructed world of truth and pure reason. It is a world at the “high noon” of absolute values, where there are no dark shadows.

International and Cross-cultural Marriage Blessing

Distinguished ladies and gentlemen, our bondage to the lineage of Satan has caused so much suffering throughout history. Let us now boldly step forward to sever it and be grafted onto the root of the lineage of the True Parents. Why should we foolishly continue to live and die as wild olive trees? A wild olive tree, even if it lives a thousand years, will only continue producing the seeds of more wild olive trees. Where can we find the path to escape this vicious cycle?

It is through the Holy Marriage Blessing. The Holy Blessing Ceremony offers the grace of being grafted onto the true olive tree. It was instituted by the True Parents, who bring God’s true lineage to humankind. Once you change your lineage to God’s lineage, your offspring will belong to God’s lineage naturally. The Holy Blessing is received in three stages: rebirth, resurrection and eternal life. Once you receive the True Parents’ Holy Blessing, you can give birth to pure, sinless offspring and build an ideal family.

The best way to receive the Holy Blessing is through a cross-cultural marriage. These marriages contribute to the great task of transcending the barriers of race, culture, nationality, ethnicity and religion, and to creating one family of humankind. In God’s sight, skin color makes no difference. God does not recognize national borders. God does not stand behind the barriers of religion and culture. They are nothing more than the devil’s tricks. The devil has used them to rule over humanity as a false parent for tens of thousands of years.

You have the mission to teach the members of your families and clans that the cross-cultural Marriage Blessing is the ultimate means to establish a peaceful, ideal world here on earth. Your families and clans should all join the holy ranks of those participating in the Holy Marriage Blessing.

Ladies and gentlemen, the path is now open wide for you to change your lineage through the Holy Wine Ceremony that the True Parents have instituted. The Blessing is yours, either as newlywed couples or as already married couples, that you may establish true families.

Indeed, I am speaking to the world, advocating that all humanity complete the change of lineage through participating in this intercultural Marriage Blessing. These marriages also restore the original family order by enabling those who are “Abel,” relatively closer to Heaven’s side, to take up the leader’s role and the position of the elder brother.

The intercultural Marriage Blessing is by far the best way to restore human beings to become the children of God. It is the greatest of moral acts, because bringing people to God’s lineage raises them to a whole new level. It is the rite that severs all bonds of enmity. It is the most sacred rite, converting our lineage to God’s lineage and recreating us through the True Parents, the King and Queen of Peace. They are the manifestations of God in substance who enable Him to carry out His providence in the present world.

True Parents’ Peace Movement

I have dedicated my entire life to teaching the path of living for the sake of others. This is the practice of true love. As a basic principle, it applies not only to individuals but to all levels—from the family to the society and to the nation.

In this light, I would like to reiterate the proposal I have made for a truly providential and revolutionary project for the sake of peace and human welfare, and also for building God’s homeland and original hometown. From the historical point of view, the divisions of our world into East and West, North and South were wrought by Satan. I am proposing that we build a passage across the Bering Strait that separates the North American and Russian land-masses. This passage, which I call the World Peace King Bridge-Tunnel, will connect an international highway system that will allow people to travel on land from Africa’s Cape of Good Hope to Santiago, Chile, and from London to New York, across the Bering Strait, connecting the world as a single community.

God is warning us that He will no longer tolerate separation and division. Carrying out this project will bind the world together as one village. It will tear down the man-made walls of race, culture, religion and country, and establish the kingdom of the peaceful, ideal world that has been God’s cherished desire.

The United States and Russia can become as one. The European Union, China, India, Japan, Brazil and all nations, and also the world’s religions, can combine their energies to succeed in this project. The success of this project will be decisive in establishing the kingdom of the peaceful, ideal world, where people will no longer wage war.

The Advent of the Kingdom of the Peaceful, Ideal World

Distinguished peace ambassadors and leaders from all fields of life, you are now living in the most blessed and exalted time in history. The era after the coming of heaven has arrived! I proclaim the beginning of the new heaven and new earth, long-awaited and yearned for by billions of your ancestors in the spirit world who have come and gone throughout history. This is the era of the kingdom of the peaceful, ideal world. The four great religious founders and billions of good ancestors have come down to earth to guide you on the heavenly path. The age when the fallen and corrupt world wreaks havoc on humankind, allowing evil people to live better than others, is passing away.

Our ultimate purpose is to find and establish the nation that seeks after the will of God and whose citizens all serve God as the center. What would that nation be? It would be the kingdom of the peaceful, ideal world. It would be a nation that resembles the form of a true family with three generations living together in harmony, trusting, respecting and supporting one another and becoming one in love. In short, it is the nation that humanity has desired throughout the ages, the utopia where God is sovereign.

This means we need a movement to realize a society of interdependence, mutual prosperity and universally shared values. We must make humankind into one great family by breaking down the walls in our hearts and eliminating even the boundaries between nations. This movement begins from each family. Therefore, each of us should bear in

mind that it is our providential calling to establish a true family. This is the way we can advance the establishment of the universal peace kingdom on earth.

Indeed, all this is coming to pass. In the Middle East, one of the world's tinderboxes, Jews, Christians and Muslims have found the resources in my philosophy of peace to engage in a new dimension of dialogue. In past decades my Unification Thought played a decisive role in ending the Cold War. Now I am successfully leading behind-the-scenes efforts to bring about the reunification of my homeland of Korea.

But I am not yet satisfied, because I began my life's work at the command of Heaven. I have come as the True Parent of humankind with God's anointing and I am determined to keep my promise to Him. I am determined to obliterate all national divisions and barriers that have poisoned this earth and to establish the kingdom of the peaceful, ideal world, where all people, everywhere, can live hand in hand.

Our Mission

The era after the coming of heaven that God and True Parents have opened is a time of dramatic change. You have the mission to make this era blossom and bear fruit in blessing and glory. Therefore, please become Heaven's emissaries, fulfilling the dual missions of the "peace kingdom police force" and "peace kingdom corps." Serve humanity under the banner of the Universal Peace Federation, which is working to take up the role of an "Abel-type United Nations." Worthy citizens of the world, if not you, then who will nurture and protect the blessed families and this blessed planet Earth that God has given us?

Ladies and gentlemen, I have said that in the era after the coming of heaven we must recover the true lineage that was lost when Adam fell, by receiving the Marriage Blessing through the True Parents. The providence of the Blessing should be perfected through five stages: the individual, the family, the tribe, the race and the nation. In this way, let us fulfill our divine mission as blessed families in the era after the coming of heaven by restoring and establishing the ideal three-generation family on the world level. This is the same purpose for which Jesus came to the earth, and which he sought to accomplish before passing from this world.

Therefore, I am now leading all tribal and national messiahs to unite and bring to a final end the improper relationship between the political sphere, representing the Cain realm, and the religious sphere, representing the Abel realm. With this providential will in mind, I have declared that a second Cheon Jeong Peace Palace, for the religious sphere, should be established in Geneva, Switzerland, a city with a significant history in relation to the relationship between the religious and political spheres.

The Mongolian Peoples' Federation, representing 74 percent of the world's population, should bear in mind that the providential age is now upon us in which it should fulfill its duties by restoring the world through the Blessing on the national level. This will bring to a close the conflict between Cain and Abel, which had its beginning within humanity's first family.

Ladies and gentlemen, the providential time has now come when we have the mission to unite the two sons, Cain and Abel. It is by their mother's love that they can become one. Then, having recovered their original positions, they should dedicate the restored, original, ideal family before the True Parents, the King and Queen of Peace in Heaven and on Earth. Please take to heart and engrave this in your mind: You are living at a time when God gives you the mission—through restoring the true, ideal family—to offer before Heaven the realm of the siblings' love and the right of ownership that were given over to Satan through the Fall of our human ancestors.

You are now advancing into the era of liberation and complete inner freedom, which is the providential era of the realm of the heart of the fourth Adam. In other words, it is the era after the coming of heaven. This is the time when, metaphorically speaking, the sun is directly overhead, such that no shadow is cast. This signifies that we have passed through the era before the coming of heaven, which included the Old, New and Completed Testament ages. These eras have required immeasurable restitution and atonement in order to re-create the ideal.

The present time, however, corresponds to the era, prior to Adam's Fall, of building the original ideal world. It refers to the era of true love that is all-encompassing, all-powerful and has overall authority. It is the realm of heart in which the spirit world and the physical world are bound together as a unified realm centering on the True Parents, the King and Queen of Peace. In other words it is the era of the kingdom of peace and unity in heaven and on earth.

Please become true princes and princesses who live in attendance to God as your True Parent, for He is the Peace King of the multitudes. Let us build the everlasting peace kingdom by attending True Parents, who have been enthroned as the King and Queen of Peace in Heaven and on Earth in the realm of eternal liberation and inner freedom—where there is no need for the Savior, Messiah nor the Lord at his second coming—and fulfill the dutiful way of a true, devoted child, a patriot, a saint, and a member of the family of God's sons and daughters!

In so doing, let us inherit True Parents' victory of completing restoration through indemnity of the realm of three generations and perfect the original world that would have existed but for the Fall!

Let us establish a model ideal family to bring the complete settlement of the universal, ideal realm of liberation and complete inner freedom, and the kingdom of goodness in which we can enjoy a time of absolute, unique, unchanging and eternal peace and prosperity, which can become the homeland of universal peace that can be praised for all eternity!

May God's everlasting blessing be upon your family, your nation and the world!

Thank you.
