

An environment for second-generation members has not been made

We have a sixty-year history, but an environment for the second-generation members of the Unification Church has not been made. That is why many of the second-generation members were swept away. They compromised with the world. The parents were unable to create an environment in which the children grew up within God's will. That's why they all left. Yet, we cannot just leave them on their own. A new age has now come and a new page in history has been turned in the era of Cheon Il Guk. At this time, we should carefully protect the members of our future generations and cultivate them to become leaders that can take charge of the future of Cheon Il Guk. I realized, while launching the Universal Peace Academy, how our human resources are depleted. It is such an unfortunate reality. You are all now in your sixties or seventies. The time remaining in your lives is much shorter

than the years you have lived through until now. During this short period, shouldn't you become a firm rock for future generations?

The good thing is that we can learn. We should make use of what we know. All of you must now confidently testify about who Father is.

It's good to educate the ambassadors for peace. Now you must convey the teachings of the Principle. Teaching just the Principle, though, is insufficient. You have to convey Father's sermon content. You have to do Hoon Dok Hae. Right? The Divine Principle only covers the time until the 1960s. Father's teachings cover the time after the 1960s.

Right? True Parents' scripture must emerge and you must convey the words through the Peace Messages and Cheon Seong Gyeong. Korean reunification issues and other problems afflicting the world can only be resolved when the True Parents appear. They can then be dealt with. Isn't this Father's message? He said that the victorious nations in World War II helped the defeated nations because it was the era of siblings. Once the era of siblings begins, the parents must appear. If left on their own, siblings would continue to fight among themselves and clash over their opinions. The parents must emerge and establish definitive principles and rules explaining the direction to take. Once they have established this tradition, they should create an environment where people can naturally follow that way. Christians even now denounce us as heretics. In the past, Christianity was a heretic in the eyes of the Jews. The Cheon Il Guk era today represents the genuine truth and the genuine religion. Christianity, Buddhism and the four other major religions are in the position of children. They are religions in the position of the son. How dare they continue to utter disloyal insults in the presence of the True Parents' religion? You are responsible if this is not resolved. You should go forth testifying to who True Parents are. You should confidently say that True Parents are the owners of the nation and the world. Convey the teachings to the eminent ambassadors for peace that have been associated with us until now.
