Let us become true owners of Cheon Il Guk who practice true love in resemblance to our Creator, the Heavenly Parent!

I will give you the motto we should uphold until 2020. "Let us become true owners of Cheon Il Guk who practice true love in resemblance to our Creator, the Heavenly Parent!"

We should not forget about our Heavenly Parent in our daily life. We should be able to preserve the earth, which was created by God, the Creator, during our earthly lives. Our mission is to witness to and educate people. Fallen people must go through restoration.

What we have to do is to witness. Next, we must enlarge our influence to our surroundings and be able to preserve the beautiful creation that our Heavenly Parent made with all his strength. Please think of the many damages inflicted on the entire world today as a result of man's ignorance. What about the great harm caused on us by the yellow dust and fine dust coming from China, the huge land within our vicinity? Korea is not the only country suffering from this. This dust moves across the Pacific Ocean with the winds all the way, even, to Hawaii. This is a problem that should be handled. It is not something that will stop just because we experience less damage.

Human beings must be awakened from their ignorance and must preserve the environment well. We must save the dying land and oceans. We cannot deny responsibility for this. We must do it. We should feel true ownership just as God does and become one in all respects, cooperating with one another to fulfill this work at all costs. We should not forget about the true owner for even a day, an hour or a minute until 2020 for the sake of the restoration of the nation and world. We must reflect on it repeatedly, borrow Heaven's wisdom, mobilize all the methods and skills we can muster as humans and resolve the problem. If we fail to resolve this problem, we also have no future. You must understand this.

Are you all mostly from the Korean FFWPU Headquarters or from the businesses? [The church and business]

We are all part of the Unification family. We are one family. With this objective in mind, we must strive to achieve this purpose with one heart and one will wherever we are. Do you understand? Let us become true devoted sons and daughters who can achieve higher results with every passing month and year through which our Creator, the Heavenly Parent, can delight in and trust us.

We must not become people who keep changing. I trust that you will act responsibly with a sense of ownership in all respects where responsibility is required. This is your message of blessings as this New Year starts. Remember these words every day as you solve problems one after another in 2014. Just like the motto I gave you mentions, let us become true owners of Cheon Il Guk that practice true love in resemblance to our Creator, the Heavenly Parent. This motto does not imply our becoming so later, but becoming so now.

It means we must absolutely be victorious. We should not think of it as something we will do in the future, but a motto we should achieve now. Even though the first anniversary of Foundation Day is around the corner, please make strong determinations and advance with this heart.
