Opening Ceremony of the Chinhwa Park

At the opening ceremony of the Chinhwa Park (in Chung Pyung Heaven and Earth Training Center) True Mother gave her benediction:

"To establish this holy ground True Parents thought about the future descendants for more than 40 years of sweat, blood and tears and prepared this holy ground."

And during the "True Mother's Special Assembly" True Mother said:

"If you compare Chung Pyung to a human body it will be the womb. A womb is a place where you can create a new life. Chung Pyung is a place where a fallen wild olive tree could be engrafted and created into a true olive tree."

Also, Sun Jin Nim, International President, said:

"Chung Pyung Works is the core essence of True Parents' mission".

The members from around the world were able to inherit this amazing grace directly from True Parents and each had a new determination for the victory of vision 2020 and their mission as Heavenly Tribal Messiahs
