The Fourth

World CARP Conference

1987.08.02~08 in Berlin

• Sunhak Institute of History •

During August 2nd to 8th, 1987, the fourth world CARP was established in Berlin with the two thousand members.

This conference was mentioned when it was decided that True Father had to go to the Danbury prison. True Father left the message to the young members;

“

The CARP members should remember
the resentment I have
and get back to me the victory.

Even though the carp members who attended the fourth world CARP conference received the interruption and the personal danger from the communists and the anarchist, they proclaimed to break the the Berlin Wall.

This conference was the first stage which Hyo-jin nim was introduced as the president of the world carp.

His position is the national leader internally and externally.

Hyo-jin nim prayed with tears on the stage in front of the Berlin Wall.

“The Berlin Wall should not be broken by violence, but by true love.”

Over two thousand attendees prayed with Hyo-jin nim and then, sang a song; Our Wish is Reunification.

T rue Parents mentioned that the gate of Communism era during the cold war has been opened as the successful result of the CARP conference in Berlin.

After two years later; in 1989, the Berlin Wall was broken down and Germany has been reunited on October 3rd, 1990.
