

*It's a Celebration
of Life..*

Global Peace Festival

One Family Under God

-one family at a time-

Global Peace Festivals are a celebration of life, promoting a vision of a world of peace through interreligious harmony, service to others and strong, healthy families.

Global Peace Festivals showcase the extraordinary achievements of people from many backgrounds and ethnicities, working to bring people together through impact programs in communities, leadership education, and a joyful finale of song, music and dance for the whole family.
