**To : Regional Presidents, National Messiahs, National Leaders**  
**From : Unification Church World Mission Headquarters**  
**Date : 5.23 by the Heavenly Calendar (June 24, 2011)**  
**Re. : Special education by True Parents for boon-bong-wangs, national messiahs and national leaders**

May God and True Parents' blessings and love be with all regions, mission nations and providential organizations.

On April 18 (3.16 by the Heavenly Calendar in the Second Year of the Heavenly Foundation), the True Parents of Heaven, Earth and Humankind, on the 51<sup>st</sup> anniversary of their Holy Wedding, offered a Hoon Dok Hwe devotion that lasted for over twelve hours, during which time True Father did not even drink a sip of water, in order to re-proclaim the Era After the Coming of Heaven. This signifies the completion of restoration through indemnity during the Era Before the Coming of Heaven and the Age of Returning to God. Father explained that it is the age in which the positions of Adam and Eve that God hoped for before the Fall have been sought and established.

At such times the National Messiahs and Boon-bong-wangs no longer have the right of command that they had in the Era Before the Coming of Heaven. However, they cannot be abandoned since they have worked hard for God's will. Thus, they are to complete the Original Divine Principle education in the Age After the Coming of Heaven so that Father can appoint them as Original Divine Principle educators. In this spirit, a special education for boon-bong-wangs and national messiahs was held last month from May 19 to 24 (4.17 – 4.22 by the Heavenly Calendar) at Las Vegas, USA.

True Parents have re-emphasized the importance of this special education and instructed that this education be given to national leaders. Thus, this is to announce the details for the second special education. All regional presidents and church leaders should actively cooperate to ensure that all those who should take part in this training are able to do so.
