Dear Artist Brothers and Sisters from around the world,

Warm Greetings from Cheon Bok Gung, Korea!

We appreciate all your efforts to create God's True Love Shimjung Culture. Also we are mindful that your works can bring forth from our hearts sincere gratitude and love of our precious True Parents.

As you may know, the 'True Peace Unification Chunbok Festival' will be held from the 1st day to the 7th day of the 1st month, in the 3rd year of Cheon-gi, Heavenly calendar (January 23-29, 2012) celebrating True Parents birthday.

Especially this year of 2012, we will celebrate True Mother's 70th year birthday, God's Marriage, as well as True Parents' 3rd Marriage, as the Completion stage.

To celebrate those events, we are planning an art exhibition to commemorate True Parents' life course of perseverance and long suffering by which that have overcome and won the victory in the battle with Satan for the redemption of all humankind.

True Parents have taken on the burdens of our sins and made a way for us to be forgiven by God. They have suffered torment and damnation for us, and this is the path that our True Parents have walked. We, all blessed families could stand here, because of their efforts, devotion and sacrifice.

We really would like to bring boundless love and profound gratitude to True Parents, and recognize them anew through this exhibition of True Parents' life course during the festival.

I would very much appreciate if you would kindly consider donating your best work for this historical event. I am enclosing with my letter instructions from Mr. Hyung-Gil Jang as to the manner in which your offering may be received.

If you have any questions, please contact the Department of Culture and PR.

Mr. Hyung-Gil Jang
