Somebody asked me recently why True Mother Calls God Heavenly Parent, and here I came across Hyung Jin Nim actually Calling God Heavenly Parent!

Heavenly Parent mentioned at Hyung Jin Nim's Ministry in 2009-2010

See brothers and sisters, how great our True Parents are. Father's teachings can bring the Lord's Prayer to a higher dimension. It teaches us how to pray and shows us the right attitude before God, our **Heavenly Parent**.

Here is someone at Hyung Jin Nim's previous ministry quoting True Father:

In so doing you must raise the standard in your daily life environment so that you will once again attend the **heavenly parent**. Otherwise you will not be able to become citizens of the heavenly Kingdom.

As my father goes around the country talking about the Pacific Rim Era, he is also stressing the importance of women in leadership, which is the reason why he is pushing me and challenging all my sisters to step up to the plate and do many wonderful things on behalf of our **Heavenly Parent**.

Heavenly Parent mentioned in the 1st Edition of Cheon Sung Gyeong

Centering upon the Ceremony of the Settlement of the Eight Stages, the era of the **Heavenly Parent** was proclaimed, and going beyond the era of the ideal providence, we cleared away the mountain of resentments in the providence of restoration for the physical and spiritual worlds.

Living with the **Heavenly Parents** for thousands and tens of thousands of years. Whenever I think about that song, I can never forget that surge of emotion in my heart... True Parents are still going through hardships... Are you trying to live the good life, leaving the **Heavenly Parent** to suffer in misery?
