This Week's Sermon...

2015-10-26 Sermon Available in Video and Audio

Hyung Jin Nim's exciting sermon is entitled, "The Kingdom of Christ".

This sermon clearly differentiates between the vision Hyung Jin Nim and Kook Jin Nim have for the coming Kingdom of Heaven and that of FFWPU. **I found this so exciting!**

For years the Cheon Il Guk has sounded like a dream vision where everyone gets along, where people and

nature live together as envisioned in a Watchtower tract. This is nothing against the Jehovah Witnesses, but that vision just doesn't seem real. Nice but not substantial.

I like this Sanctuary view of freedom and responsibility in God's kingdom. It seems realistic and solid. The constitution that was just declared by them clearly promotes life, liberty, and the pursuit of a joyful life. I want to be a citizen of the kingdom that Hyung Jin Nim and Kook Jin Nim are working towards.
