*Give thanks in all circumstances, for this is God's will for you. 1 Thessalonians 5:18*

*Please let us become sons and daughters who long for You, and run towards You, and who can bring all the things of creation into harmony by offering greetings of joy and gratitude to You, having arrived at the day of glory when we can live together with You.*

*Since our minds and bodies were created resembling the external form of our Father, we earnestly hope and desire, Father, that You will allow us to become sons and daughters who resemble You completely. Sun Myung*

Greetings!

Did you know that even if you have "grumpy" genes, you can unlock happy, grateful thoughts and feelings? Arthur Brooks, president of the American Enterprise Institute, points out in his oped how scientific research confirms Biblical wisdom to "give thanks in all circumstances." But watch out for the Pumpkin Pie paradox...

**Rev. Hyung Jin Moon Will Conduct a [Ceremony](#) for the Liberation of 210 Generations of Ancestors**

**This ceremony will be held on December 6, 2015 at Sanctuary Church, Newfoundland, PA.** On September 13, 2015, during his Sunday sermon, Rev. Hyung Jin Moon declared that he will conduct a ceremony for the liberation of 210 generations of ancestors for any individuals requesting that. Pastor Hyung Jin Moon also explained that all liberations conducted while True Father (Rev. Sun Myung Moon) was alive are considered valid and that those conducted after his father's passing were invalid.

Those who were blessed by the Family Federation after Father's Seonghwa or who received Holy Wine at Foundation Day would need to receive the Blessing to Return to True Father's Authority in order to have their ancestors liberated.
