He answered, "Have you not read that he who made them from the beginning made them male and female, and said, 'For this reason a man shall leave his father and mother and be joined to his wife, and the two shall become one flesh'? So they are no longer two but one flesh. What therefore God has joined together, let not man put asunder." Matthew 19: 4-6

The man of perfection is the man of unchangeability and purity. In other words, he is a man centered on God's love, united with God. That is the original man, the original human being. Up to the present moment, you have been changing all the time. "Myself," God's Will and the World

Greetings!,

2017 Motto "True Father's kingdom of Cheon Il Guk will succeed!"

At Midnight January 27/28 hundreds gathered from all over the world for celebrations of the 50th True God's Day and Holy Births of Jesus and True Father at the Unification Sanctuary in NewFoundland, PA. Thousands more participated via Internet around the U.S., Korea, Japan, South Asia, Europe, Africa, Latin America, and Oceania as well.

Hyung Jin Moon, the Second King of Cheon Il Guk, wrote the calligraphy for the 8th year of Cheon-gi, "True Father's kingdom of Cheon Il Guk will succeed!" The celebration was followed by an address in Korean by Hyung Jin Nim with live contemporaneous translation provided to English and Japanese.

On the morning of Sunday, January 29th, a moving Holy Blessing to Return to True Father's Authority ceremony was held for first and second generation couples from several countries around the world. This was followed by a Question and Answer session with Hyung Jin Nim and Kook Jin Nim, who stated in response to a question about Father's lineage that, "We do not need to focus on Father's ancestral lineage. HE is the beginning of God's new lineage."

Hyung Jin Nim explained that, "Everything was prepared for the two brothers to guide Korea to be strong, but Mother's failure led to everything being destroyed. He warned that a large number of the conglomerates in Korea have been sold to Chinese investors. Many politicians also 'sold out' to China. Korea has become a cursed nation on the path to destruction."

He went on to describe popular culture. In Japan some men create a "digital girlfriend" rather than a real girlfriend. Also women have sought a world where there is no need for

a manly man. Men just watch porn. Women just watch Korean dramas, comparing their husbands to those handsome male actors. Women end up alone in their 40s and 50s. Same with men.

But the reality is that men need a woman and women need a man. We should each have a passionate "Absolute Sex" marriage. Don't fall for the trap of jealousy or imaginary TV dramas. When hunting for an animal you put bait in a trap. Same for human beings. Media companies lure men into digital games and women into digital dramas. Such people do not live happily with their spouses.

Through the Internet you will never be able to find God. Go out into nature, breathe the fresh air and

watch the blue sky. The world is more vast than the tiny computer screen. Don't imprison yourself. Don't become a "stupid tadpole." Go hunting and become a king or queen. A real king must train himself like David who trained by fighting animals before killing Goliath.

He concluded by sharing that "this morning before meeting you I went outside and made a fire and heated tea and oatmeal and enjoyed nature. My heart was so moved. I thought, 'this beautiful snow is covering the whole world.' I could feel God's love."
