The Cosmic Perfection Blessing and Holy Marriage of the True Parents of Heaven,
Earth and Humanity

Sanctuary Church Newfoundland, PA

*True Father, Sun Myung Moon, and
the new True Mother, Hyun Shil Kang*

MC: Tim Elder:

True Father had chosen a woman, but she was not able to fulfill the position of the True Mother. True Father walked a path that cannot be explained through words; he walked the path of indemnity to establish the foundation of true love.

Today we will see a biblical miracle happening in front of our eyes. The 2nd King has chosen Mrs. Hyun Shil Kang as the True Mother for True Mother. Hak Ja Han was not able to fulfill her position.

The blessing of marriage of the True Parents took place on the formation and growth level but not on the perfection level due to the disunity of the Han mother.

True Father gave instructions to his representative and heir Hyung Jin Moon, the 2nd King of Cheon Il Guk, to hold this ceremony in Sanctuary Church.

Reading from the Book of Revelation 12 verse 1-10:

1 And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars:

2 And she being with child cried, travailing in birth, and pained to be delivered.

3 And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads.

4 And his tail drew the third part of the stars of heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.

5 And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne.

6 And the woman fled into the wilderness, where she hath a place prepared of God, that they should feed her there a thousand two hundred and threescore days.

7 And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels,

8 And prevailed not; neither was their place found any more in heaven.

9 And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

10 And I heard a loud voice saying in heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night.

This is a revelation that John saw 2,000 years ago and it is happening before our very eyes. 'There appeared a great wonder in heaven' points to this day, September 23, 2017. According to NASA the sun comes to stay right above the shoulder of the Virgo constellation. Jupiter which is often referred to as the King planet is supposed to be in its womb. The Moon is at its feet and there are 12 stars (including three planets) forming a crown on the woman's head.

Mrs. Hyun Shil Kang's birthday is in the Virgo constellation; by the lunar calendar it is on the 20th day of the 8th month.

Hyun Shil Kang was directly chosen to be the Cosmic Bride of Christ; God waited for 6000 biblical years for this day, since the fall of humanity and today it will be fulfilled

Left to right: 2nd Queen of CIG: Yeon Ah (Lee) Moon, 2nd King of CIG: Hyung Jin Moon, and True Mother: Hyun Shil Kang

A few days ago, we picked a rhema and it said that man is heaven and woman is earth and the unity of man and woman means the perfection of the cosmos and earth.

In Revelation, it also says that even though Satan will constantly attack this woman, in the end she will be victorious. Hence, I ask all of you to please spiritually protect her. I forgot to say that Mrs. Kang is one of the six Marys; this truly is a Holy Blessing in disguise...

We will now offer our greetings to True Father who is the True Parents officially anointed by God; we will offer a standing bow to Hyung Jin Moon who is his representative. Everyone watching online will now also offer a bow.

The Crimes of Hak Ja Han:

Despite being chosen by True Father and educated by him for over 50 years Hak Ja han has voluntarily left her position as the True Mother. Now we will be citing her wrongdoings.

The previous video that was shown was a video where True Father was saying that there was no more True Mother.

A New Bride to St. Augustine:

True Father had given Mrs. Kang as a bride to San Augustine. However due to the betrayal of the Han mother, Father withdrew this bride from Saint Augustine and he gave her a new bride. This is the photo of this event.

The 2nd Queen will now offer a bow to the 3 Kingships.

True Mother Hyun Shil Kang will now enter with the attendance of the Bride.

2nd King's Prayer (Hyung Jin Moon):

Our beloved Father, Father thank you thank you, thank you for this day, for your amazing grace and your incredible love. You went throughout history with indescribable pain.

You sent this woman who has attended you as the first disciple from the early days in South Korea; she has shown the course of absolute faith, absolute love, and absolute obedience to you. I thank you once more for sending us the Virgo with 12 stars on her head. So many saints have waited for this and today a woman is wearing the sun, and the moon is below her feet.

Father did not deserve this tremendous betrayal from Hak Ja Han after his passing.

That evil serpent attacked this woman and attempted to kill her; however you protected her and she overcame. Father, I thank you for your guidance. Today she is here as the Cosmic Bride to show absolute faith and absolute loyalty.

We have reached this day despite all the persecution from everywhere. All the Kings and Queens have gathered for this event; they are here now with the 2nd and 3rd Kings of Cheon IL Guk.

Father, upon your holy throne, all the kings and queens of CIG will now offer you their crown and a bow for this day to honor and congratulate the Cosmic Blessing.

With the Rod of Iron we will destroy Satan. Satan's power and the old and poisonous serpent will surely try to attack the True Mother.

Please allow us to be the owners of Cheon IL Guk that can protect True Parents.

We understand that this is a historical turning point.

Father thank you, thank you, thank you!

Life Course of True Mother (Hyun Shil Kang):

Rev. Lee:

True Father has chosen Mrs. Hyun Shil Kang as True Mother, and gave us the grace to attend this event.

It is an honor for me to report about the life course of True Mother Hyun Shil Kang. True Father has talked about True Mother over 2,000 times and has also said that she was the seed that the Unification Church needed.

Even though she was persecuted constantly and mocked she has come out beautifully victorious.

True Mother Hyun Shil Kang was the first one to attend True Father in South Korea; she is the church's ancestor. She is a very small woman but she will be remembered next to True Father's name.

True Mother Hyun Shil Kang was born as a first child on September 15 1927 by the solar calendar (20th day of the 8th month by the lunar calendar). Her father was religious with a strong sense of responsibility. He always emphasized, in his family, the importance of absolute faith; he did a good job in sowing faith in his daughter.

When the Japanese took over Korea, they forced the Koreans to go to the Japanese Shinto shrines and worship their gods. But Hyun Shil Kang's father refused to do this; he was taken to prison and was tortured. He died of his injuries after being released.

In March 1949 she joined Beomcheon Presbyterian Church (Busan, Korea). Three years later she heard of a young man in Bomnekol. She began to pray to God to know if she should visit him. On May 10, 1952 she received an answer from God that she should go and visit him.

She went there and found Mrs. Ok Se Hyun who introduced her to True Father for the first time. He was wearing Korean style pants and western top with American army socks. She was surprised to see the small hut built of cardboard and mud. She thought that anyone living in that poor house must have resentment at having to live so miserably.

True Father asked True Mother Hyun Shil Kang, "Where are you from?" She replied that she was from such a church, and that she came to witness. Father said that she came on a timely day as he had just finished writing a book after escaping from North Korea. This was the day that he finished writing the Divine Principle and he had gone up the hill to pray.

True Father asked her to listen to some of his words. He was talking in a booming voice and jumping up and down; Hyun Shil Kang was shocked at how powerful he could be. Then she understood that Father was giving the Word to the whole spiritual world.

For several days True Mother Hyun Shil Kang listened to True Father. She realized that what this young man was saying was true. She was also deeply moved by a most sincere prayer he gave; she became the first disciple after Father came down from North Korea and wrote the Divine Principle.

On July 20, 1953, True Father gave Mrs. Kang the mission to pioneer Daegu City which was a stronghold of Christianity. He told her, "Pioneering is not easy but if you believe and have faith in God, He will guide you and work through you." She has lived all her life with this faith in God and in True Father.

In April 1954 True Mother Hyun Shil Kang was appointed as nationwide (South Korea) itinerary worker with the mission to visit spiritualists and Christian leaders; to be a missionary to groups and spiritual people. From then she went around and testified in 40 day conditions. In 1954 Korea was so poor that there was no room for anyone; so she had to ask people to let her stay in their homes.

On June 1956 Hyun Shil Kang pioneered the first church in Dae Jeon, Korea

True Father declared that a new age and a new world was coming and that the Lord of the Second Advent had arrived. He explained the importance of making this statement. Mrs. Kang met hundreds of women.

One of them was very spiritual; she explained that she saw her sounding the archangel's trumpet which signifies the coming of Christ.

In 1959 for 7 years True Mother Hyun Shil Kang witnessed in a park and she reported to True Father on a daily basis. When she was witnessing some people supported her but a lot of them were against her. Sometimes people came up to her, slapped her and assaulted her but she still went out every day rain or snow and continued. Also, since she did not have permission to speak there, the police harassed her.

True Father explained to her that she had to go outside to witness regardless of the weather condition, because this was the frontline of the war between God and Satan. He told her, "Even if there is no one to witness to, you must still go and preach the Word, or walk around and pray." So she went to the park every day.

Then she had a mission to visit colleges and universities teaching young people about the dangers of communism.

In 1971 she was assigned as an itinerant worker of the church to teach Christian audiences about the Word of the Messiah. Many Christians were touched by his words; some testified that his words were like God's. During that time, she went to Israel and explained that she really felt the heart of Jesus there.

Now I Read a Letter She Wrote to the True Father:

"Today I want to give you words of celebration as an offering, as a condition so that all the people with whom I speak can have connection with the True Father. So, even though I know I am not worthy, may you please accept this offering!"

In December 1990, she was one of 12 people that True Father sent on a mission to Japan. From 1991 to 1996, she travelled to different countries.

In 1996, Mrs. Kang was appointed as National Messiah for the Russian Federation. She listened to their reports and started activity in Russia. She said that Father prepared her for these people. Sometimes she saw Jesus smiling; each time something good would happen.

In the year 2,000, Mrs. Kang was appointed as Federation Chairwoman for Seodaehyun - Mun, Seoul Korea.

In 2016, she received the Blessing to return to True Father's authority; in March, she sent her resignation letter to the Family Federation and came to the wilderness of Pennsylvania.

True Mother Hyun Shil Kang has devoted her whole life to True Father. She prayed because she could not understand the betrayal of the Han mother; she had a hard time believing that True Mother left the position and could say that True Father had original sin. She could not accept the interpretation of the Han mother. After this spiritual battle, she decided to cut off her connection with her.

She came to the Palace of the three Kingships to attend True Father's heir and the 3rd King. She has been protecting the true lineage, which is what the Han mother should have done.

I would like to end with True Father's words: "The True parents have to have a holy marriage but the first and second did not work out; the 3rd time will be the last."

This is the end of my speech.
