

The Back Up Plan

Richard A. Panzer

January 30, 2018

World Peace and Unification Sanctuary - USA

The Lord said to me, "Go, show your love to your wife again, though she is loved by another man and is an adulteress. Love her as the Lord loves the Israelites, though they turn to other gods and love the sacred raisin cakes."

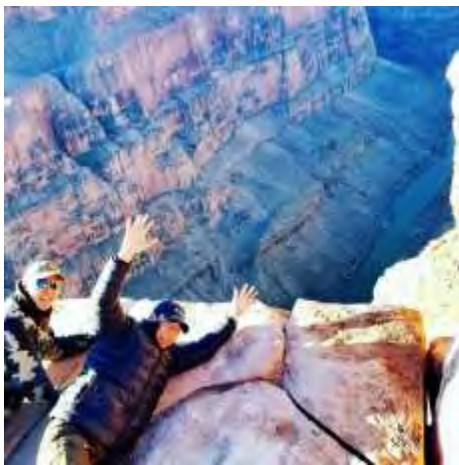

So I bought her for fifteen shekels[a] of silver and about a homer and a lethek of barley. Then I told her, "You are to live with me many days; you must not be a prostitute or be intimate with any man, and I will behave the same way toward you."

For the Israelites will live many days without king or prince, without sacrifice or sacred stones, without ephod or household gods. Afterward the Israelites will return and seek the Lord their God and David their king. They will come trembling to the Lord and to his blessings in the last days. Hosea 3:1-5

Since the days of John the Baptist, the kingdom of heaven has been under attack. And violent people are taking hold of it. Matthew 11:12

I have always been a lonely man because no one has ever truly understood me. No one wanted to volunteer to get this lonely path, and the only reason I would accept this responsibility was because I knew that God also was deeply lonely and sorrowful. Without this understanding I would never have accepted it. SMM, The 23rd Anniversary of the Unification Church and the History of God's Dispensation 5/1/77

Dear

2 Brothers "Flying" above Grand Canyon

After speaking at the "Arms for Defense" conference in Switzerland, Hyung JinNim and Yeonah Nim joined Kook Jin Nim and Ji-yea Nim at the 2018 Shot Show in Las Vegas and then for a trip into the Arizona wilderness.

While they were away, Tim Elder, Director of the Unification Sanctuary World Mission Department, spoke at the Sunday Service and showed videos in which he and Gregg Noll, Unification Sanctuary Administrator, discussed the meaning of the upcoming Feb. 28 Book of Life Registration Blessing and the ways to participate in that. Since there is much to learn, be sure to watch these two videos!

Divine Principle could be described as the story of God's "Backup Plans." What we as Unificationists never considered was the possibility that a "Backup Plan" would need to be implemented after True Father passed to the spirit world. Following are some thoughts about "God's Back-up Plan" from Jim Stephens.

Jim & Hiromi Stephens

Jim Stephens: When Hak Ja Han failed in her final responsibility, that brought up all of the implications from the failure of John the Baptist explained in the Principle. Hyung Jin Nim, being True Father's chosen heir, was kicked out into the wilderness which required a new providence for God. This one is not based on love and forgiveness, but God's judgment.

The failure of Hak Ja Han has huge ramifications for the followers of True Father. Their faith, their families, and their fortunes may all be devastated. When Jesus was rejected and betrayed, it meant tragedy and suffering for the Chosen People for 1000's of years. Similarly, the future may hold tragedy for Korea and anyone not within God's hedge of protection.

True Father was an extremely strong man physically and spiritually. He could fight if he had to. He was well aware of the power of evil embodied in Communism and the possibility of physical violence.

Hyung Jin Nim was taught directly by Father and encouraged in the Martial Arts. Kook Jin Nim was encouraged to build up Kahr Arms. Father knew the possibilities of the future and the need for strength. He also knew the heart of Hak Ja Han.

As it turns out, God and Father have been guiding Hyung Jin Nim recently toward what he calls the Rod of Iron Ministry. I think God wants to protect us from a possible future where we could be enslaved as the early Christians were.

Many times it takes years into the future and then looking back to see how God was working. Let's encourage people to not look at the surface of Hyung Jin Nim's messages, but consider this paradigm of God preparing us for what might come. We are all learning and growing in this new providence which is slowly being revealed through Hyung Jin Nim as he accepts his mission and steps forward.

God's Providence Has Changed to a Backup Plan, Again

by Jim Stephens

Key Points:

1. John the Baptist's failure to follow and support Jesus ultimately led to the failure of the central providence of God at the time of Jesus.
2. Jesus had been preaching the Kingdom of Heaven on earth, but suddenly changed to reveal his death on the cross and resurrection (Matt. 16:21 From that time on...).
3. Jesus said that since John the Baptist, the Kingdom of Heaven was suffering attack and violence (Matt.

11:12).

Miho Panzer's Reflections on the Rod of Iron

It's January, 2018, and we are living in the Poconos mountains now for one year! Our house is surrounded by rocks and pine trees, like in the camping ground we visited in Maine. When I hear the sound of running water from the melting snow my busy mind calms down. Now I'd like to share a few thoughts about the Rod of Iron ministry.

Many people have questions about that. I remember True Father started a gun factory in the 1960s. The first business for the Unification Movement! I lived with the True Family for several years. I remember at the age of 5 or 6, Kook Jin Nim would spend hours and hours building with legos, a house, an animal, a gun, trucks, etc. I thought at the time that he will design and build large buildings as an engineer or architect! I'll never forget that. Now he has built a popular firearms business respected by gun owners around the nation.

When Hyung Jin Nim was driven out of Mother's palace, Kook Jin Nim kept his promise that he'd made to True Father to help his younger brother. It's beautiful to see Cain and Abel working together.

In my mind, the crown represents God's royal lineage. The rod of iron represents sovereignty, and the ability to protect our King and Queen, our family and neighbors.

Moses received the two tablets when he went up for 40 days on Mt. Sinai. The Israelites could not understand, so they had to wander for 40 years. Now, as we enter God's Kingdom, the "two tablets" are the Crown and the Rod of Iron. I believe that if we can unite with Father's anointed heir, Hyung Jin Nim, and embrace these two "tablets," God will open the path to entering the heavenly nation of Cheon Il Guk.

How amazing it is that God prepared the Kahr Arms factory for this time. Since it is very challenging for those in some countries to meet the condition of the rod of iron, those of us who can do so must represent all brothers and sisters. I believe God is going to give us a big blessing. These are my thoughts and heart about the Crown and the Rod of Iron.

God's Providence Has Changed to a Backup Plan, Again

By Jim Stephens

Key Points:

1. John the Baptist's failure to follow and support Jesus ultimately led to the failure of the central providence of God at the time of Jesus.
2. Jesus had been preaching the Kingdom of Heaven on earth, but suddenly changed to reveal his death on the cross and resurrection (Matt. 16:21 From that time on...).
3. Jesus said that since John the Baptist, the Kingdom of Heaven was suffering attack and violence (Matt. 11:12).
4. Peter and the other disciples were surprised and did not accept what Jesus was saying... namely that God's Providence had changed (Matt. 16:23 and Mark 8:33).
5. God's secondary providence meant tremendous suffering for the faithful, including crucifixions and being eaten by lions (Luke 23:28).
6. Similarly, the failure of key followers of True Father has led to a change in God's Providence.
7. True Father's foundation for the Kingdom has suffered tremendously. Rev. Kwak/Preston Moon took away \$1 billion, many members, many businesses, and large amounts of property. Hyo Nam Kim (aka Dae Mo Nim) misused \$100's of millions, many members, and much property. Finally, Hak Ja Han kicked out True Father's chosen inheritor and took control of all that was left. Worst of all, she is obliterating Father's words and deeds and proclaiming herself the Chosen One.
8. God's new providence was partially foretold by True Father when he proclaimed the future Peace Police and Peace Militia. The Kingdom of Heaven will most likely not now be able to come peacefully. Evil has such a strong foothold on money and power. It will not give up power without violently resisting. Evil must be exposed and in the end God and humanity must eliminate Evil from the world.
9. God and True Father chose Hyung Jin Nim as his heir and successor. He was crowned multiple times for this role and responsibility. With all his inheritance being stolen, he was forced to go into the wilderness. There he began his reign as the Second King, faithfully following his Father, the Second Coming of Christ and the First King of Kings.
10. With most all of True Father's foundation lost, God must start again to build another foundation for the Kingdom of Heaven on earth. Hyung Jin Nim was prepared by God with the warrior spirit which is needed for this new providence.
11. The failure of Hak Ja Han has huge ramifications for the followers of True Father. Their faith, their families, and their fortunes may all be devastated.
12. When Jesus was rejected and betrayed, it meant tragedy and suffering for the Chosen People for 1000's of years. Similarly, the future may hold tragedy for Korea and anyone not within God's hedge of protection.

Matthew 16:21-27 New International Version (NIV)

21 From that time on Jesus began to explain to his disciples that he must go to Jerusalem and suffer many things at the hands of the elders, the chief priests and the teachers of the law, and that he must be killed and on the third day be raised to life. 22 Peter took him aside and began to rebuke him. “Never, Lord!” he said. “This shall never happen to you!”

23 Jesus turned and said to Peter, “Get behind me, Satan! You are a stumbling block to me; you do not have in mind the concerns of God, but merely human concerns.”

24 Then Jesus said to his disciples, “Whoever wants to be my disciple must deny themselves and take up their cross and follow me. 25 For whoever wants to save their life will lose it, but whoever loses their life for me will find it. 26 What good will it be for someone to gain the whole world, yet forfeit their soul? Or what can anyone give in exchange for their soul? 27 For the Son of Man is going to come in his Father’s glory with his angels, and then he will reward each person according to what they have done.

Mark 8:31 - 33 New International Version (NIV)

31 He then began to teach them that the Son of Man must suffer many things and be rejected by the elders, the chief priests and the teachers of the law, and that he must be killed and after three days rise again. 32 He spoke plainly about this, and Peter took him aside and began to rebuke him.

33 But when Jesus turned and looked at his disciples, he rebuked Peter. “Get behind me, Satan!” he said. “You do not have in mind the concerns of God, but merely human concerns.”

Luke 23: 27 - 30 New International Version (NIV)

A large number of people followed him, including women who mourned and wailed for him.

28 Jesus turned and said to them, “Daughters of Jerusalem, do not weep for me; weep for yourselves and for your children. 29 For the time will come when you will say, ‘Blessed are the childless women, the wombs that never bore and the breasts that never nursed!’ 30 Then “they will say to the mountains, “Fall on us!” and to the hills, “Cover us!””[Hosea 10:8]

“The Five Love Languages”

Online Only (Russian) 

SPR-LLR Friday 1:00 pm EST

*In my class, we'll read Gary Chapman's book and learn 5 unique facets of expressing love. Chapman has this to say how the 5 love languages are Christ-centered:
“... all of these love languages flow from God's love. He speaks all five languages fluently. The Bible is filled with ‘Words of Affirmation’ where God verbalizes His love to us. Christmas reminds us that He gave us the greatest gift of all when He sent His son... What about ‘Acts of Service’? That is what the cross is all about. Christ paid our penalty. Follow the life of Jesus and you see Him speaking the love language of ‘Physical Touch’. And for all who want it, God is ready to spend ‘Quality Time’. Turn your thoughts toward him and you will find his thoughts are already on you. God is love.”*

Если мы научимся понимать язык любви наших возлюбленных, то откроем истинный смысл любви в служении, а не просто в влюбленности или страсти, как считают сегодня люди.

тогда, когда твой супруг тебя не любит, может для некоторых людей казаться невозможным. Такая любовь, возможно, потребует привлечения всех наших духовных ресурсов. Несколько лет назад, когда я сам находился в борьбе со своими семейными проблемами, я вновь почувствовал, что мне необходим Бог. Исследуя исторические данные рождения Христа, Его жизни, смерти и воскресения, я пришёл к выводу, что Его смерть это выражение любви, а воскресение - мощное свидетельство его могущества. Я стал истинно "верующим". Я посвятил свою жизнь Ему и обнаружил, что Он обеспечивает внутреннюю духовную энергию для любви даже тогда, когда любовь безответна. Я призываю вас к тому, чтобы вы предприняли собственные исследования жизни того, кто, умирая, молился за тех, кто его убивал: "Отец, прости им, ибо они не ведают, что творят". Это - окончательное выражение любви,,.
