Times that try Men's Souls

Jan 2, 2022

(Live from CP TN) Good morning, folks out in PA and around the world.

I wish I could see the Sanctuary in Newfoundland right now and see everybody there. A shout out to King Kyle holding it down; everybody let's give King Kyle a big round of applause! *(Applause)*

We are here in the Monsoon season of Tennessee. It has been raining almost nonstop every day, and I tell you folks, it's really a Monsoon season here. When we got down here this week it was 79 degrees F, folks! PA people I know y'all are laughing right now because you just heard me say 79 degrees, and it's now January 2nd on the Roman calendar. It is raining again; we had about two inches of rain last night, and there are streams everywhere coming down the mountain. I mean, not only the big stream that we have!

It is what it is, and we have a very steep and beautiful mountain, but there is a special type of mud here. Our friends told us about the mud here, *"Oh yeah, we get some flood."* I said, *"Oh, we know about that. We're from PA, we're from backwoods. You know we've been hunting, we've been fishing; we've been outdoors. We've been around mud; no problem okay, no problem."* Now the monsoon season hits. This mud is like Vaseline mud, folks; it's slippery. You can ski down it; we may have to do ski slaloming here on the mud! It's incredible; it's so water permeable. We even tried to pressure-wash some of this off the Gihon waterfalls that we are building with the young people right now; we tried to pressure-wash that, but the mud would not come off. That's how strong it was, even with the pressure washer; that's how strong this is now.

The plus side of that is that when we fire this in a kiln or in a pottery room, I bet you the most beautiful pottery will be emerging. So we will basically have an endless supply of pottery to make vessels and jars. You know the Bible says, *"He shall rule them with a rod of iron; They shall be dashed*

to pieces like the potter's vessels." It makes sense that the Rod of Iron Kingdom needs to have lots of pottery vessels to crack. Amen! Hallelujah! Praise the Lord Almighty! We have some amazing things to discuss today, folks.

Dr. Robert Malone

By the way we've been smashing the Omicron virus. The normal corona virus has anywhere from a five to a six R naught reproductive value, which means it spreads pretty quickly; it spreads kind of as fast as the common cold. However the Omicron apparently has an R naught value of 7 to 10 which means it spreads as fast as the measles.

Dr. Robert Malone whom I showed you last week at Sunday Service, was on the Joe Rogan podcast. A shout out to Joe Rogan folks, a Brazilian Jiu-Jitsu black belt! He is a little left leaning, but he's starting to wake up. I've seen many things about him. He has rejected the idea of God; he grew up catholic etc, and probably was traumatized in the Catholic Church which is understandable. I hope nothing sexual actually happened there. But anyway, he was traumatized; so he's always rejected Christ, he's always rejected God. He's made very pejorative comments about Christianity, Jesus et cetera; that it's the religion of the walking dead and walking zombies, and people rising up from the dead and zombies coming out of the earth. He basically made those kinds of comments about Christianity. He's developed a very hardened heart towards the Gospel and towards Christ, so he has put his faith in science. He's always participating in science, and proclaiming that he is the one that will come out and talk with these experts, talk with all the Harvard medical doctors about any given topic, and that he will pursue the facts and he'll pursue the science.

Well, he just had Dr. Robert Malone. Thank God! On the micro-cosmos we released him into the atmosphere; we prayed for him. With all our folks across the world, we started praying firmly for him last week, and what happened, folks? On the very same week, bam! He's on the Joe Rogan podcast! (*Applause*) Hallelujah! Thank you for your prayers. That man is a hero. Just like that the micro and macro move, and Dr. Robert Malone what did he do? He is the top; he's the inventor of the mRNA vaccine technology which is the carrier of the current Pfizer and Johnson & Johnson, all the different mRNA vaccine, the death jabs that they're pushing on now.

One day before this interview Twitter banned him for LIFE for RUMORS that he would go on the Joe Rogan podcast and reach ten million plus people in the middle of the political spectrum. Joe Rogan doesn't have a conservative audience, he doesn't have a Christian audience; he has primarily a secular atheist "science-based" young millennial audience who reject God, just as he does. That's why they kind of congregate to him, because he has all the tattoos and he's got muscles and he's a Brazilian Jiu-Jitsu black belt, and he's cool because he kind of laughs at Christianity being the religion of dead zombies and things like that. So they think he's the leader that they can put their faith in - they got high standards you know!

So he's got all these atheists "science -believers." He's got all these NON-Christians NON-conservatives on his channel, millions of them, and for the first time they were exposed to the actual reality of the mRNA vaccine from the actual inventor. Every social- media platform is banning this man including now Twitter with a lifetime ban. In that podcast Dr. Malone talks about the level of censorship and totalitarianism spreading worldwide, and the darkness, the death blanket of communism spreading worldwide. Hallelujah! He was getting hit with the Holy Ghost, and he didn't even know, but he was talking about that!

Yesterday we listened to the whole three-hour podcast just to understand what was going on. Praise God for Dr. Malone! Please keep him in your prayers folks! His life is in danger and his entire career *the Global Summit on Covid*, which is the organization he runs. Over 60, 000 physicians and doctors around the world have now joined his team, joined his congregation so-to-speak, joined his coalition, in order to expose the reality of this vaccine, and in order to get their medical professional opinion out, instead of the opining of these political pundits who have no medical training and have not produced any vaccine or anything in vaccinology.

They have done none of that, and yet they are promoting the Pfizer and Thomson Reuters talking points, because they're all funded by Reuters. By the way Reuters is the back arm to the fact-checking system of Twitter, Facebook and Google. Guess what? Dr. Malone exposed it on that podcast. He told everybody that Pfizer and Thomson Reuters are the same company; their organizing committees have the same people, and there's crossover and tremendous interconnectedness between those two organizations. And that is the actual fact- checker organization for Twitter, Facebook and all the social media giants of the world, folks! So you talk about Big Tech and Big Pharma, the death cult being completely intertwined and laced together like the horns of an evil beast! Oh man!

Thank God, there are people like Dr Malone who are talking about it, coming forth with his expertise with thirty plus years in vaccinology, his ten plus patents on mRNA technology, etc. He is the PREEMINENT scholar and inventor of mRNA technology and is the MOST qualified on the planet! He's talking about this and of course he is censored worldwide because he's not pushing the vaccination, and he is making no money from these technologies. Oh my goodness, folks, it is incredible!

But you HAVE to go check out Dr Robert Malone's podcast with Joe Rogan on the *Joe Rogan Experience* on Spotify, because it is banned on YouTube, it is banned on Twitter, it's banned all over the web, and literally they have shut down the internet in terms of that whole field and tried to silence this man. But he is not stopping; he is standing forth and he's being a brave warrior at this critical time. Thank you for your prayers. Everybody started praying for him last week and bam! This very week he shut down the internet by appearing on the Joe Rogan podcast. So we give glory to God! Amen! (*Applause*) Praise the Lord Almighty! Thank you Father; thank you Jesus!

All right folks; well I'm going to take you today to Revelation chapter 13, and Daniel chapter 7, because it is a scary day and a scary time. This is something that has happened in the last couple of weeks that I was aware of. We've been talking about it in the Korean services, but I didn't have the time to talk about it in the Western Church. So let's get into it today.

Revelation chapter 13:1-4

1 And I stood upon the sand of the sea, and saw a beast rise up out of the sea, giving seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

2 And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.

Oh my goodness! Oh Lord, have mercy! Now you just heard that Scripture, folks! There's a dragon in play here, and there's a beast with a dragon with different horns etc. But there's this beast that comes out: it has the body of a leopard, it has the feet of a bear; it has the mouth of a lion and has the wings of an eagle.

3 And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?

Oh Lord, have mercy! What in the world folks, did the satanic UN do? Father called out the UN, this communist totalitarian international cabal: the "satanic UN." That's why Cheongpyeong originally was the seat of what? The Abel UN, and only democracies and republics would be part of that UN. Totalitarian communist countries would not be allowed into that UN; which is originally what the UN should have done. They should have ousted and ignored every totalitarian regime and of course pressured them to become more in the form of America and the Republic; not the other way around, which is happening now with the totalitarian UN, the satanic UN.

In the last couple of weeks everybody was praying fervently for the world and America at the microcosmic level and here at the seat of the Abel UN- of course now in its pioneer stages in the Cheongpyeong Kingdom Constitution Rod of Iron Kingdom Abel UN. The juxtaposition here is Abel versus Cain; Cain taking Satan's side and Abel taking God's side. God accepted Abel's offering that's why Father named it "Abel UN" - for our new folks, if you've never heard that language from Father.

The point is: At the seat of the Abel UN that is God's side UN, centered on the Kingdom Constitution of freedom and responsibility, there's all this *cheongseong* and all this prayer and all this fasting and all this work that is going on here in the pioneering stage. This 90-day condition which will end on January 7th for a lot of these folks; a condition of prayer and fasting and crying and weeping and gnashing of teeth so that the world does not FALL to the evils of political Satanism. Let's give it up for our J-team, K-team and all folks that are here praying fervently in the Holy Ghost fire! (*Applause*)

And in the midst of that prayer, 90 days of prayer, what happens? What does the UN place in its New York headquarters as its new symbol that they call the “guardian of peace”? What is this guardian of peace?

This is the UN's new “Guardian of Peace,” which was erected about three weeks ago during the time of the microcosmic prayer and fasting of the 90-day condition for the world!

Look at what they have placed in their headquarters Rockefeller Center!

The Pre-Trib theology

Remember, this is Rockefeller land in New York. Rockefeller is a communist along with Carnegie, working for the total destruction of American sovereignty; he's a complete sellout, a WICKED elitist. He's the one who with the Carnegie Foundation, the Ford Foundation, CFR, etc, brought in the global totalitarianism into America to take it over from inside out, and funded a lot of activities. The Rockefeller Foundation offered a major funding for the RAPTURE and the Pre-Trib HERESY in the seminaries, making Christians believe that they're going to escape the tribulation.

They talk about **1st Thessalonians 4:17**, “*Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord*,” where it says they’ll be “caught up” - or raptured from *rapturo* in Latin - with Christ in the heavens. It makes no mention of the fact that you're going to escape before tribulation.

But he SUPPORTED that theology in the late 1800s to 1900s in the Catholic and Protestant seminaries; gave MASSIVE funding from the Rockefeller Foundation, claiming he was a Christian wanting to support the move of the Gospel. So, he supported the curriculum and the textbooks that were teaching about the Pre-Trib rapture which is what CASTRATED Christianity.

It coincided with the Johnson Bill that prevented pastors from PREACHING about politics in America, and it coincided with legal threats. Now the seminarians’ brainwashing and indoctrination started, making the pacification of the Christian body of Christ, making them believe that they're going to ESCAPE before the tribulation comes by being whisked away.

They made Hollywood movies about this, folks, such as “*Left behind*” and all this kind of stuff. People driving their cars and all of a sudden, *zoom*; they vaporized into the other world. Somebody is cooking some food and *zoom*; they’re gone to be with Jesus! This is what they're showing! That you have to do

no preparation; that you don't have to read what the Book of Revelation says about being persecuted and beheaded and killed! No! You will be whisked away before the coming tribulation!

You don't have to do anything. All you have to do is keep going to Burger King and Starbucks and keep downing those Doritos with the Nacho cheese sauce and fake jalapenos. That's all you got to do! You got to eat your spicy Cheetos and keep watching Netflix! That's ALL you got to do, because Jesus is coming and the rapture is coming. You understand what I'm saying, folks? That's all you got to do! The whole demonic realm is coming after you, the ENTIRE world is collapsing, but it's okay because you will be RAPTURED away, probably with your reclining chair, etc.

This is insanity, folks! This type of heretical doctrine NEVER existed in the history of Christianity; never once in the centuries of Christian past did anybody believe in the Pre-Trib heresy which was pushed in the 1800s

The new UN Beast

The Rockefeller Foundation has spent the last hundred years along with the Federal Reserve, along with the Carnegie Foundation, along with the Ford Foundation, along with the Council on Foreign Relations, along with the Bilderberg Group, along with the governments, along with the top elites; they have been in collusion not only with government but interfering in every field of human endeavor including religion and Christianity.

And you ask: why in America has the church become so pathetic and weak, and why nobody wants to preach, and why everybody is being BULLIED into the LGBT progressive Christianity which they are now reconstructing in the image of the DEVIL? And you realize why nobody wants to go to church anymore and why nobody has any fervency anymore and why nobody has any fire anymore and why nobody's standing against evil anymore! Well, that's what these demons were doing: they have been behind the scenes funding this, as the major funders giving billions of dollars over the last hundred years.

(Showing the picture of the beast outside the UN again)

So this is the beast that they just presented on the UN international headquarters in New York Rockefeller Center. There it is everybody; look at that beast, folks!

What did we just read in **Revelation 13: 2**? We just read something in Revelation 13 about a beast; we read about a beast: *And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.*

And **Daniel: 7:4** said *"he had eagle's wings."*

Revelation 13:4: *and the dragon gave him his power."*

He was given power by whom? By the dragon- which is what? It is a metaphor symbology for Satan; Satan's power. What does it say? *And his feet ... (Rev. 13: 2 above)*

What do you have at the international conference halls of the UN? You have what? Nations! What do they do? They have their **SEATS**. They were given their seats, and their what? **AUTHORITY!** Why? Because each one of those seats represents a NATION, an entire authority including military POWER.

And this is the Beast that they have decided about! This is the so-called 'art piece.'

"Oh you Christians, you get SO worked up over art! Oh my Gosh! It's just a piece of art!" That's what they say. Now isn't that funny that they have made it in the image of the devils, the Satans that are emerging in the Bible in the Last Days that are tremendous worldwide power, seats and authority!

Beast with LGBTQ colors

By the way look at that picture! What colors did they decide to paint this little 'pretty art piece'? No, they couldn't paint him regular natural colors, just like any other animal that would be in the natural world and would probably be coyote brown or desert tan or olive green or black. NO! They can't just color him in some normal colors; they have to color him in the LGBTQ hijacked- RAINBOW colors!

So this beast has to come out and he's got to be painted LGBTQ rainbow colors which they hijacked from the Bible because that was God's promise as a covenant to Noah and humanity. Now the LGBTQ has TAKEN it and uses it as the celebration of DEBAUCHERY and demonic degenerate sexual behavior; which is of course the foundation of DESTROYING a civil society. It's making everybody degenerate, because degenerates don't maintain civil society; degenerates don't maintain anything. They destroy. So when a culture becomes degenerate as such, it starts destroying itself.

Now they claim that the colors are representatives of traditions. Really? Wow! It's so ironic; I mean it's so coincidental that these are the exact colors of the LGBTQ! Which the UN pushes internationally, trying to destroy the nuclear family, trying to destroy hetero-normative families; saying on the UN Family Day that there are many different types of families and these are all legitimate forms of families. When this is historically or sociologically and scientifically untrue!

There's a reason why the hetero-normative family, the male and the female, daddy and mommy, has succeeded over time, and daddy-daddy families and mommy-mommy families don't succeed over epochs and generations. There is a reason for that and it's called nature. See, everything on the Left is going against nature.

Nature makes males stronger than females:

"Well I don't like that! I'm going to make females stronger than males or at least pretend!" and then they have their sports taken by males that dress as females!

Everything for these people is the rebellion against God's archetypes and God's architecture and God's creation! They're trying to invert reality, because they claim that there IS no reality; you can invent your reality. YOU ARE the reality! YOU can determine your identity and gender! YOU can determine it. It doesn't matter if you're born as a biological male. If you IDENTIFY as a female, well then you are a female, even though that flies in the face of all millennium mammal species and all biology!

UNBELIEVABLE! It's about inverting reality and trying to play God and trying to pretend that you can create everything when you didn't create anything. All you do is create destruction, degeneracy and despair!

PALE in comparison to the beauty and the glory of nature that God has created and the beautiful plants and the beautiful misting and the sprinkling of water that come from the ocean and then form into clouds and then rain it down again! All the incredible ecosystem of life that is all there and sustaining these environments and beautiful snakes and parrots and isopods and fish! Oh my Gosh! It's incredible!

“Be fruitful, multiply & have dominion”

And what did God say? He said, “Adam and Eve, *be fruitful, MULTIPLY and have DOMINION over the earth! SUBDUE the beasts of the earth, SUBDUE the fish of the sea!*” He gave them the Blessing before they had fallen! Isn't that interesting?

That's why there are a lot of fruitarians that look at Genesis 1:26 and say, “*He gave the leaves of the tree and he gave the fruits of the trees to feed Adam and Eve. So Adam and Eve were fruitarians; they were just vegetarians.*” NO! Did you hear the Blessing that He gave them when He said, “*Be fruitful, multiply and have dominion over the earth. Subdue the animals, subdue the beasts of the earth, subdue the fish of the sea?*” He gave them to Adam and Eve; they weren't fruitarians!

That's why when I was a vegetarian Father fed me pork; fat dripping pork; when I was vegetarian! Because I thought I was holier being vegetarian. That's the time I was studying Buddhism. I was into a false notion of holiness. Father said, “*That's a joke. Do you love your fake conception of your self-righteousness or do you love me? Which one? Here's your dripping pork.*” And I said, “*I love you more than being vegetarian. I'll eat this pork, no problem!*” I had been vegetarian for six years, so that was awhile, but Father just shattered that.

God gave Adam and Eve total dominion over the earth. He made them the future kings and priests, queens and evangelists of the entire earth.

Not the Rockefellers, not the Bill Gates, not these Faucis, not these lunatics, not the Big Tech and Zuckerberg with the fake Metaverse, destructive despicable simulation verse which they're trying to create. The fake artificial dystopian metaverse of isolation, despair and of constant video game creates constant brain numbing, brain decalcifying, brain hemorrhaging and collapsing synapses that are just going through the grates of the screen, making you a numb zombie in front of your little Metaverse; getting addicted not into Facebook but now into a Metaverse where you believe you're actually in there. What a terrible, TERRIBLE, destructive disgusting thing!

This is what we were talking about folks, and this is the reality of what's happening now. How many years have we been talking about that while all the churches were silent? They were calling us heretics, calling us conspiracy theorists, calling Father a conspiracy theorist. Why? Because for forty years he

had been warning about international communism in the UN! BEFORE Alex Jones; before the Washington Times was created, Father was already warning about the UN! Before Infowars, before Breitbart, before the Daily Caller, before Tucker Carlson!

"Oh no, but he was a Moonie, a self-proclaimed MESSIAH! He's a Moonie; he's indoctrinating, brainwashing people!"

Yeah! Away from your leftist cult! He's helping them see the light so they don't get into your DEATH cult which is now ravaging the world into a totalitarian death blanket! And he knew who you are and he proclaimed, *"You are of your father the devil, and you are Satan!"* Those terrible, disgusting CULTS!

The Aztecs

Let's go back to that beast!

So they just happened to color that beast in the very colors of the very popular rainbow, and they say, *"This an Aztecan design."* Really? Really? Is that where you got the inspiration?

Well even if that's true let's see what the Aztecs DID?

Did they create liberty?

Did they create freedom and responsibility?

Did they allow their citizens to be armed, as the check and balance on the government and the elites?

Did they allow for people to exercise the God-given rights?

NO!

Did they have slavery? Yes!

Did they engage in trafficking of children? Yes!

And what else by chance did these Aztecs engage in? Wow! They had big pyramids but they would climb up, and oh, they would do human sacrifice! They would gouge out children's hearts to appease their gods!

And this is the "Guardian of Peace!" Let's even take these pathological liars at face value and even believe what they are claiming that this is an Aztec piece of art. Okay, fine! What does that culture represent? That culture represents the killing of innocent children on the altars of Baal. It was none other than a recreation of the devil's first religions; just in different names, different colors but same father.

But let's not be so naive, because we know that these pathological liars never mean what they say. Of course they claim that it is Aztec art, but any who would have a freaking brain, who's not politically living under a rug or a rock, KNOWS that those colors in New York City represent LGBTQAAIA+. And they always forget the P, for the pedosexuals! Oh yeah, that's the big secret of the LGBTQAAIA+. The P isn't there; you always want to hide that last one -Pedo- don't you? In the end they don't have an argument because for them any type of human sexuality should be accepted. *"It's a form of oppression to discriminate against any type of human sexuality!"* REALLY!

On addiction to porn

That's why the *Kingsley Report* was literally done by PEDOPHILES which was literally the basis of the entire sexual revolution literature in academia - by the way funded by the CIA! Kinsley himself sexually molesting children multiple times PER DAY; little children, six months old! This was funded by the CIA, by our American government, and this is the foundation in the academics for the sexual revolution! Yeah of course, that P is always at the end hiding in the shadows!

Notice how they put the lesbians first: LGBT, they put the lesbians first because that's how they get man into porno. Any man who's been addicted to porno, you know: how do they get you to look at more porno? You go crazy when you see one naked lady; now you got two naked lady, three naked ladies, hot chicks, having sex with one another. Now your brain is firing on addiction mode and then they get you to be supportive of homosexual relationships by what? The lesbians! It's always a lure, because they have sexual desire as well like any man, so they'll be lured in to support lesbians because they think that's a lesser form of homosexuality. But it's the same thing; it's the same exact thing as male on male.

But to the man who is getting addicted to porno well, it's just more invigoration, more stimulation to the brain, and of course studies showing more collapsing of your prefrontal cortex the more addicted you get. They've done brain scans of people addicted to porn and of heroin meth addicts; their brains are exactly the same. Their studies now define that your prefrontal cortex which is essential for long-term decision-making skills and long-term planning collapses; people actually lose brain tissue because of the addiction cycle that they go through when they watch porn.

Because never in history was a male able to access beautiful women like you can do on your phone; NEVER! It's not like you're walking in a jungle and you've got this beautiful naked girl standing there and you can see her having sex, and then you walk two minutes later and you see another beautiful woman having sex. That never existed in history. But literally in the span of one night watching porn, a modern male's brain can see more sexual partners - in one night- than our ancestors saw in their lifetime folks - in their lifetime! That's how destructive it is to the brain, and your body and your brain cannot handle that type of stimulation; it's not made to do that. That's why porn destroys marriage.

On the flip side it's the same with romantic dramas for women; women's porn is romantic dramas because women are not necessarily stimulated by visual pornography but by romance and the love triangle that Satan created in Genesis chapter 3. You look at any romantic drama on the women's side and you see that is the same story over and over again; it is what? It is Lucifer's love triangle. She's in love with this man; he's a good man, but then there's another man and he is a Casanova. He is an incredible guy and he makes her feel like "whoa," and he just makes her go like "whoa!" and then she falls for him. Everybody thinks he's bad but she thinks he is real good and she wants to save him. The same Luciferian love triangle that Lucifer did; same thing!

So, you look at the brain scans of men who watch porn, women who watch dramas and heroin addicts; they have the same brain. Why? Because you have what's called in psychology a violation of expectation; I was explaining it in the Korean service. Let's say there's a big rock here, and I'm a

primitive male hunting, and I'm going to get water. There's a big rock, so I walk behind it and I pass this rock and all of a sudden I see a big tiger: oh! I was not expecting to see a tiger sitting behind that rock. I was just going for a drink at the well or whatever.

So what happens? My brain starts tying in this local space of the rock and of the environment and its smells and the river and all that; it ties in all that with the tiger. It creates what's known as neural pathways in your brain that are tied to different triggering artifacts in your consciousness.

What is the purpose of this for memory? The next time I walk around that rock I'm going to say, *"Oh, wait a minute! I saw a tiger there before. Oh, I'd better put my knife out here and just walk real slow."* You see what I'm saying folks? That is called a violation of expectation in psychology. But what happens when you have a violation of expectation? It sears into your brain harder.

This is why in addiction cycle, you may be addicted to naked ladies first, and then you want to see two, three naked ladies have sex. Then you want to see them using all sorts of sexual tools; then you want to see two guys banging them. You see what I'm saying? These are violations of your expectations; these are things that you would never encounter in the world. But now they're put on the screen and you click it and bam! There are violations of your expectations! All of a sudden you're now, *"Oh my God! What is this?"* You'll be hyper-stimulated plus you're creating trigger mechanisms with all those things in your environment.

So for example young boys who are addicted to porn and they're masturbating by themselves in the room, when they hear their parents leave they immediately have a FLOOD of DESIRE to want to see porn, because the brain has associated *"Oh, my parents are leaving; oh! I can hide and watch porn!"* You see what I'm saying, folks? Your brain has associated that triggering effect of your parents leaving and now seeing their departure, you're getting some porn scenes. That's why you may be in a car or you may be even at your neighbor's house, and your parents leave to go to a restaurant and it's not even this context but the fact that you heard your parents leave, all of a sudden you are now desiring to see porn. Why? Your brain has created that trigger, that connection between the stimulation and your parents leaving. Are you with me, folks?

And maybe in that room where you're watching porn and getting addicted and destroying your life and your brain, masturbating every day and losing your entire virility and purpose, maybe you had some type of fragrance like pizza or something. I'm not joking! It was something that was totally unrelated but because that was in the environment it becomes a trigger mechanism. So literally there are boys who get sexually aroused when they smell pizza or some kind of food that they were eating when they watched porn; immediately they're triggered sexually. Isn't this crazy, folks?

The human brain is not meant to function with these many sexual partners because it's not God's ideal; it's not God's dimension, which is a one man- one woman!

Christian ethics

Mathew 19:4: Jesus *"answered and said to them, "Have you not read that He who made them at the beginning 'made them male and female'"*

Gen 2:24: *Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh.*

Jesus spoke about it in the New Testament, following the words of the Old Testament.

That's the ideal: one man- one woman, love, absolute sex romance, beauty, POWER, beautiful romance and marriage, beautiful lovemaking and sexuality in MARRIAGE; celebrating God, returning joy to Him; making powerful husband and wife relations so your children get inspired to become the next generation of POWERFUL husband and wife, alpha males and alpha females for the glory of God and the protection of the universe! Hallelujah! (*Applause*) You see, that's the Kingdom right there, but porno gives you the opposite.

So, they know what they're doing coloring this beast from the Book of Revelation, the actual beast in the seat of authority and POWER, and this beast is animated by the devil; they know what they are doing coloring that thing with the colors of LGBTQAIP. You always put that P at the end, because in the end it's that final community that they want to protect: the pedosexuals, the ones who want to get your children and my grandchildren. They want to make it LEGAL for a grown man to RAPE a child, five years old, and think that's legal as it is for example in Islam!

They will say, "*All cultures don't share your Victorian Christian sexual norms.*" Yes but all cultures are not centered on Christ; not all cultures are ETHICAL! You don't get to lavish in all the benefits that Christianity and Christian ethics gives you: it gives you freedom, it gives you the ability to have free speech and freedom of religion and free will and the right to bear arms! It gives you all this freedom and all this economic freedom. But they turn around and say: "*That is evil and that must be done away with!*"

Whoa! That cultural realm of symbology has been done away with! That's what happens, as Jordan Peterson talks about, when you get rid of the archetypal male which is the father, Father God, which is Jesus His Son; when you get rid of that archetypal male and how men and women are to conform to that archetypal Father who sacrifices for us. He doesn't go out and has parties and has orgies and has drugs. He sacrifices. He gets ready to DIE on a cross and bleed His blood out so we can be saved and not go to HELL! He SACRIFICES! That's the FOUNDATIONAL element of Christianity! It's sacrifice, sacrificing for your children; that's LITERALLY what Father God does for us. He SACRIFICES for His children; it's literally the core of Christianity. It is the benevolent Father sacrificing for His children!

And that sacrifice is not some type of financial sacrifice. No! It's BLOOD! Folks, it's blood! It's suffering, it's torture; it's PAIN. So that WE could be free from the devil's claim. So that we could be separated from the devil's addictions, from the devil's lives, from the devil's lures, from the devil's temptations!

OH! How our nation has fallen! In America we've now murdered 60 million plus children we have become the Aztecs, the demonic Aztecs! They know full well what they're doing when they paint that beast those colors!

Guardian of Peace?

Well let's get back to the Scripture:

4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? Who is able to make war with him?

You see, that beast is now the symbol of the UN and they call it the 'Guardian of Peace'. WHAT DO THEY MEAN with the guardian of peace? What kind of PEACE are they talking about? They're talking about communism. Xi Jinping promised you peace. He promised you peace; he says China is the most peaceful country. It's peaceful if you give only five stars to Xi Jinping's new number one best-selling book on Amazon China. By the way you can't give four stars; if you give four stars you may be SWAT-teamed. I'm not joking by the way, folks. You can only give five-star ratings on Xi Jinping's new book on Amazon China, and Zuckerberg and Amazon SIGNED off on it! They agreed; they allowed it.

And they worshipped the beast, saying, Who is like unto the beast? Who is able to make war with him?

Who! Lord! They've been calling Father crazy when HE has been warning about the Commie Chinese, and even Kook J-Hyung, as his son in charge of all the economic foundation, billions of dollars going around in Asia, going around to all the top-tier generals in Korea and in Japan teaching on the danger of China because Father said to do so: the "Strong Korea, Strong Japan, Strong America" lecture series. Why did Father do all this about ten, fifteen years ago?

https://www.youtube.com/watch?v=rqTR1fnlPhc&ab_channel=KookJinMoon2008-2012 to Korean society/Korean

https://www.youtube.com/watch?v=IYZ0_woFdSs&ab_channel=KookJinMoon2008-2012 On Korean mbcnet TV/English

Why would we educate the top military brass in Korea, top military brass in Japan, and through the Washington Times as well top military brass in America? Father was doing all those conferences, warning, showing the purchasing power of China given their labor costs in terms of America, and that now they would be outspending the US on military spending. Well, today, fifteen years later they've outspent the USA in military purchasing parity analysis.

CAUSA! When did Father create CAUSA? Forty plus years ago? Alerting the entire world, creating student organizations across the planet from Russia to Africa to China to Beijing; to our people getting arrested in the underground! Why? For teaching against communism; that communism is not the political majority. It is the whim and it is the vehicle; it is the mechanism for bringing Satan in this

world. And that is what is coming; that is what the UN represents. And unwittingly or even willingly or even probably mockingly, they know what they're doing. They probably think this is a big joke; they think it's hilarious that Christians are getting up in arms about this little beast. They're thinking, "look at them! Hahaha! It's so funny that Bill Gates' patent on the corona virus is 6666! Hahahaha!" These people just think it's all a joke. And to them I guess it is because they are a joke; they're a demonic joke. Losers from the beginning to the END, they will have their day in judgment when they die!

They know that; that's why they're trying to do that transhumanist technology so they can live forever. They're trying to escape the inevitable, which is what? COMPLETE judgment, complete separation from anything good! Can you imagine living with Bill Gates for the rest of eternity in hell? That would literally be worse than anybody would wish. The likes of Cuomo and Bill Gates and Nancy PELOSI, these despicable demonic entities! Can you imagine being next to those kinds of demonic evil criminal forces for the rest of eternity; be DAMNED to exist among such wicked and depraved degenerate FILTH!

"The UN will guard for peace," they say.

What kind of peace is that?

-*"Well it's a totalitarian type of peace. We will keep you very safe, but you just have to do what we say okay. Turn in your guns okay, and if you don't do that, well you know just before the midterm elections we may start with China and Russia and bring in the UN forces and the Beijing troops with their new assault rifles,"* by the way they have new assault rifles- *"to come and get rid of all of you Christian gun owners, all of you white supremacist trash, Ku Klux Klan members that we are fighting against for social justice and equity."*

Revelation 13: 5-7

5 And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.

6 And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.

7 And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

That beast had power *over all kindreds, and tongues, and nations*. What is the UN called? The United Nations! Isn't that interesting? What do they have there? They have international law which trumps all sovereign national law! What are they trying to bring everybody into? Into an international platform from Brussels or from the Rockefeller Center in New York - with their disgusting LGBT beast from John's Revelation chapter 13- from which they will dictate what you can and cannot do, what tree you can cut, how much carbon tax you've got to pay, what your social credit score is going to be, what bank you can and cannot use, what purchases you can and cannot make, what you can say and cannot say, what you can post, what you can think. You'll be CENSURED; you'll be controlled!

Facial recognition is now rolling out in Walmarts in Canada, and now coming into leftist areas in America. Now NYPD forcefully extricating black women out of restaurants because they're not having their vaccine passports; racist Tuskegee Institute federal RACIST policies affecting black folks. Segregationist policies now being implemented in LA, in San Francisco and in New York and Chicago; in all the leftist- run eras. MEANWHILE corona and the new ten variants of the Omicron which they predicted for 2022 - by the way Merry Christmas and Happy New Year! Ten more reasons to get locked down INDEFINITELY, folks, and further implode and destroy every semblance of any economy that we have, and of course crush the dollar.

UN at war with which religion?

7 And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

What is the UN so at war with; which body of peoples?

Let's say there are major religious bodies around the world. What are the great world religions? Let's see: well, we have Christianity. Islam is considered a world religion. Buddhism is considered a world religion. Indigenous Indian religions vastly categorized as Hinduism is another world religion. There are smaller religions like Jainism etcetera, but that's all incorporated into the larger category of Indian subcontinental religions. Also you have Chinese Confucianism as a world religion because it has a billion people, but it's more non-theistic; there are no deities in Confucianism except for the state - which is the reality of Confucius. Okay so you have these major religions.

Let's see! Which religion does the UN have a problem with? Let's go through each one, one by one!

✚ **Chinese Communist Confucianism**: does the UN have a problem with Chinese Communist Confucianism? NO! Of course not! China was the former head of the Security Council. This is the country with the greatest travesty of human rights violations in the history of mankind! But yes, that makes them qualified to be the head of the UN Security Council! They're supposed to protect us all because they're the greatest violators of human rights. They're the perfect candidate, aren't they- according to the Satanists, according to the elitists? So they have a problem with Chinese Communist Confucianism erecting massive statues of Confucius, in this type of new Neo-Confucianist Communism that they're trying to produce?

By the way Confucius was an operator of the state. He actually taught that the allegiance of a son to a father in the filial piety at home should be the same as a citizen to the emperor and that the emperor is like the citizen's father. So he taught a form of political Satanism; Confucius was a political Satanist, and he glorified the apparatus of the state because he worked for it. Isn't it funny how that works, how people who work for the state tend to glorify it? What a coincidence!

✚ Hindu religions: does the UN have a categorical problem with **Hinduism**? NO! Because

Hinduism was the production of what? What was the major apartheid system that they had for about seven thousand plus years? What was that? It's called the cast system; everyone knows about it. They've got rid of it in the modern day because it's become out of fashion, or should I say: did that become out of fashion?

But the point is: that religion is demonic. It created the castes system; it created slavery, chattel slavery. If you were from an Untouchable class, you could not get close to the Viceroy, you could not get close to the Brahmans; you couldn't go close to anyone. The cows, the animals were more sacred than you. You were untouchable; you were a slave. You could never increase; you could NEVER go to another cast! You could NEVER escape that Hinduism- enforced classes, of course. So, does the UN have problem with Hindus? No, not so much!

✚ Let's go to the next one! The next one would be **Buddhism**. Does the UN have a problem with Buddhism? Well of course not, because Buddhism historically has always worked with different polities in the state to push itself in, and Buddhism is definitely more left-leaning in terms of its posture. It's not violent; it's not a very masculine religion. It's more meditative and things like that, so it teaches docility. It teaches to leave politics; it teaches, "*Don't get involved and meddling with those things.*" It teaches *Mahayana Madhyamaka* which is the middle way between extremes. It teaches this kind of stuff but in the end it's politically inept; it's completely politically inept.

When I was at Harvard studying world religions, they had to admit that the modern Buddhism that we see in the West that does social justice and called 'social Buddhism', it is a product of Protestant influence, because Buddhism in its past has never done that. In Buddhism you're supposed to extricate yourself from *samsara* or the suffering of the world, and pursue nirvana or enlightenment *anuttara samyak sambodhi*, and pursue the final enlightenment and/or to become a Bodhisattva in which you come back to save others. But you don't save others but helping them; you help them by leaving society. That's why it always has had a permanent mass class.

So does the UN have a problem with that? NO, they meddle with the UN institution for power; they don't bother them. That's why if you go to Thailand, you will find a Buddhist temple and monastery and next door you see a brothel. Why isn't the temple protesting the brothel? If they were holy men they should come out to protest and say, "*No, you're demeaning women, and these women have been sold into slavery by their parents. We rebuke them in the name of Jesus!*" See, if they had Jesus they would do that. Amen! You could wear the saffron robe, shave your head, but if there was an existing brothel, and you knew the Lord, you would be aware that He commands you to go out and help the needy and the poor and those are downtrodden. Being sold into sex slavery to become a sex slave for the rest of your life because their parents want to make a buck? What a demonic culture! And how can these holy men so-to-speak be on their cell phones -by the way they're not supposed to have cell phones but they do have them- and have a brothel next door?

The point is: when I actually got into Buddhism and into the training in the monastery, I realized of course that this was a normal bunch of people; that there was nothing holy about them. They are not holier than Christians. Everybody's plagued with sin; it's true. In the Christian ethos it's true: what everybody desires leads to sin more than it leads to God; they want sin. The Bible calls us lovers of sin, haters of God. THAT is the human condition; that's reality!

Islam

If you want to know about Islam, I'm not the expert; David Wood is the expert online. He's the number one prominent expert in the apologetic world; he's the number one expert in the Christian realm. David Wood's apologetics acts 17 is his website.

<http://www.acts17.net/2014/12/david-wood-why-i-am-christian.html>

He's unbelievable! He deconstructs and unpacks Islam from its core and shows the lunacy and the INCREDIBLE hypocrisy of Islam, and Muhammad as the most obvious false prophet of all history. David Wood is the man that breaks it all down and is incredible.

Does the UN have a problem with Islam? No, they have no problem with Islam; Islam can grow. Islam can be included into the Security Council. Islamic nations that have massive human rights abuse against women and children can all come in. And of course because it's allowed by the Prophet, a lot of these Muslim countries allow for child marriage, which is child trafficking and child rape; by five years old already your daughters could be sold into marriage and that's okay; that's just seen as a cultural artifact. No! That's called Satan! But of course the UN loves that, because they have a big group of people who are doing this thing, and "*it should be normalized and we should have sexual rights for 10-years old.*" That's what they are putting out in the United States; that 10- years old should be sexualized. The children should be making sexual decisions at age 10! 10-years old, that's not even freaking FOURTH GRADE yet! Are you smoking crack cocaine? It's crazy; it's absolutely crazy! How can you even think about that? They can because they're filled with what? Their father the devil!

Real Christianity: The Rod of iron Kingdom

That's why in the end you need the Rod of Iron Kingdom. You must have the Rod of Iron Kingdom! Christianity is the ONLY ONE that the UN wars against. REAL Christianity! Because real Christianity creates what?

ALPHA males and alpha females!

It creates GUARDIANS of the children!

It creates GUARDIANS of the family!

it creates GUARDIANS of male and female!

It creates GUARDIANS of marriage!

It creates GUARDIANS of father and mother!

It creates GUARDIANS of the nuclear family!

A civilization of everything that is true and natural and that God created!

REAL Christianity creates those GUARDIANS, and those guardians are the most loving, they're the most charitable; they do the most charity work. If you look at conservatives versus liberals, the conservatives who are mostly Christians have the most number of charities in terms of actual costs and money they put in. They donate to charity in general much more than liberals do. Liberals are into the appearance of doing good things, but conservatives actually put down MONEY to DO good things! And that's why the UN does not like Christianity. They call it 'backwards'. They are purposely targeting it as the Neanderthal Medieval form of ethics that is hogtied and constricted: "We must expand the idea of a family with our international councils," say Tedros on the WHO and Merkel with the EU, "because all of us Communist leaders know better than you." This is horse manure; it's FILTH, a scum! It is the lowest, most inferior people on the planet that are trying to rule OVER everybody, because they are funding the DESIRE of the Superclass to have absolute totalitarian power, which they're now enacting worldwide!

Christian men & women

We told you, folks, seven years ago, that it would happen, because of the fall of the Han mother, and the CURSE that she's released. She's released the HARLOT OF BABYLON CURSE on the earth! All of this comes back to the fall of Eve. Satan tempts EVE, "*Hate your husband! Blame him for your problems! Blame your children for your problems; blame this and that for your problems! Hate your family! Hate your children! Your children steal your life, your children steal your youth, your children steal your vitality; your children are a liability. Your husband hates you; your husband is a slave-owner!*" That's what they're teaching women. That's why the American woman generally speaking has become an atheist, a God-hating, family-hating, child-hating wretch!

What will it take for the people to wake up while civilization goes to where the women have gone? What happened to the Christian woman of the 1940s-1950s, who stood up for her children, and believed her children were a blessing from God and not some liability? Now they send a CURSE upon them when they send them to college and now it costs you a million dollars. All that feminism has done is DESTROY our conception of our natural identities and natural relations which are FOUNDATIONAL to a civilization, which are foundational to our lives and the very happiness that we desire and seek.

This is the reason why the majority of women are now more miserable, are now in despair and in depression: higher levels of depression, higher levels of anxiety because of the inversion of reality. They've been taught that only things that feel good are good; that things that sound good are good. Not things that are real!

Like the **Costa & McCrae studies** which show over 23,000 studies on males and females over 50 different cultures; it's a major study in psychology and it's the foundation of Dr Jordan Peterson's work by the way, and the five different psychological personalities that he talks about in his book. This epidemiological study which is pre-eminent on psychology, what does it show?

It shows that women across cultures personality-wise are what? They have higher neuroticism than males; they are more excited and get into depression faster, and they have more agreeableness. So, agreeableness and neuroticism! Males are higher in openness towards logic and thought, openness towards new rational ideas, whereas women were more open towards artistic ideas. That is one of the biggest epidemiological psychological studies on the planet.

But of course if you teach that to the modern American women they don't want to hear because it conflict with their ideas of being worshiped as a goddess. They can do no wrong, they're perfect the way they are; they are perfect with their high neuroticism and their high openness. They are perfect with that. No, that's perfect for Satan to want to invade you. He uses your natural desire to be open and to want to embrace your children, to invade. He uses the anxiety and neuroticism that you may have. God gave it to you so you could protect the children and keep them hygienic and keep them clean when they are babies and young so they don't die while the men are out hunting. You have to be neurotic about the health and the cleanliness of your child in order for our species to survive. So that's a good thing for your children especially when they're young; not when they are older. It's not as good as when they're kids. That's why in God's militia the males would leave the care of their mother and they would go to the care of their father and militiamen at 12.

But the point is: where are those American women that understand that now? There aren't many; it's mostly conservative women that can understand that. But look at what the Left has produced: what kind of American males they have produced. Total beta males, angry, incompetent who want to just wreck everything, and be entitled to this or that benefit. They want to wreck and tear everything down; the postmodernists want to tear everything down. They're anti everything. They don't know ANYTHING! They don't build anything; everything is just, *"I'll tear it down! Look how capable I am. I'm so capable; you build that up, I'll tear it down!"* SpongeBob!

What a ridiculous joke folks, but this is the state of America! What have we produced? What have we produced by having now single moms outweigh fathers at home? What have we produced? Now in elementary school it's 80% women teachers, so you're not only raised in a home with a woman; there's no father, there's no male guidance there's only a matriarch. And then you go to government schools where it's also a matriarchy.

So as a man what are you supposed to learn? How can you learn how to be a man, an honorable righteous strong and dangerous man that knows how to control that? From women you can't, and I know it hurts to hear that but it's true. We as your sons, moms, we love you, but you're not going to be our role model.

We need a MAN to be our role model! We need a MAN that knows how to be DANGEROUS but controls it to be a role model. That's what we pursue and that's nature, and you will NEVER be able to stop that; that is the natural order of things. That's why we need a FATHER! That's why we need a father who is acting like a king and a priest, in love and benevolence and patience, but with justice and honor. We need that type of leadership at home. We need to see that affection between that type of strong masculine alpha male who loves and bestows so much love upon his wife, but doesn't

worship her as God; who raises her up, makes her stronger, makes her into a super woman but again never worships her as God.

You get the opposite in Hollywood! They PROP up all these women with all these psychological issues, all these depression issues, all these anxiety issues, all these pills and drug issues and addiction problems. And the problem is that the goddesses, they're frail, they're weak, they're vapid, they're empty and they collapse and shatter before the world. It's really a tragedy if we see that happen; of course it is in some sense, it's a tragedy but it's kind of a slow accident that you all know was going to happen.

Abel UN vs. Satanic UN

Out of all those major religions, what does UN war against? It does not war against Islam, Buddhism, Jainism, Hinduism; it does not war against Confucianism. It wars against CHRISTIANITY! I am not talking about this progressive weak Christianity which is accepting every matter of sin and abomination that God has said, "*Don't do!*" It has never been part of the church, NEVER! But all these weak-knee glorified pastors don't preach on the Gospel; don't preach on the Word and DON'T PREACH against EVIL. NO! They just let it flood in. Why? Because "*we're all going to be raptured away!*" Huh? You ain't going nowhere fool; you ain't going NOWHERE! And your judgment is coming and I say that in love because we pray for you. REPENT! And come before the throne of Jesus! So that's what it is! That's why Father was talking about the ABEL UN! It's **the Rod of Iron Kingdom** where the human rights of the world are constantly protected, always constantly discussed, and further expanded; the natural rights that God had given us that are enshrined within the Kingdom Constitution. Those principles, those values, those LAWS are further perpetrated and further expanded throughout the world.

Not like the SATANIC UN which has the Beast of John's Revelation chapter 13 verse 2 in his front yard and in rainbow colors. And we're now talking about the Covenant rainbow. You know what kind of rainbow that is. In the end it is the pedo rainbow, the protection of the PEDOPHILES, because that's what the Super-elites are at! CNN had two pedophile producers that Project Veritas has exposed, and none of the main stream media will cover it. You know they're propaganda for the pedophiles! The pedophiles are running this operation, whether it be media, where it be Big Pharma; they're all in it! Ghislaine Maxwell's case is over, and now all records have been ordered to be sealed; perpetually sealed. It is implicating EVERY power structure in America and international and when Prince Andrew's case comes up it's going to be all the same; they will be sealing everything.

The Rod of Iron Kingdom

That's why in the end in Revelation chapter 12, it's all about the Rod of Iron King. Revelation 12 is all about the True Mother and the woman brought to the wilderness in the 9/23 event.

12 And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars:

That day True Parents, at the completion level MARRIED and the heir and successor was reborn and from there comes the Rod of Iron Kingdom. (*Applause*) That's the heir, the son of the Messiah, his lineage from which the Rod of Iron Kingdom spreads to the rest of the world. Why? Because in the end it's the true take back of humanity's position to be sovereign because God has made us that. Amen!

So in this final time the UN is starting to show its own demonic symbolism; that it is a beast that is perpetuating SATAN's will over the world, and it is now actually enshrined in their own front yard-out of the open, in your face. They cannot even hide any longer.

This is the time when Christians and the body of Christ must start rising up, must start standing up, must start getting back to the Father, getting back to Jesus, getting back to the POWER of that critical masculinity and relationship between the alpha males and alpha females; strong sons and strong daughters. Why? Because we have our Father and we don't worship goddesses. Our Father is it all! ALL men and women can conform to His nature, and that is love, that is benevolence, that magnanimity, that is power and sound minds. We don't get consumed with the spirit of fear; we don't get consumed by that because that's what the devil wants to implant in us.

That's why the Rod of Iron Kingdom is so critical. We're the body of Christ. Not only do we sing songs, praise God and are doing food banks; all this stuff is great. But on top of that to become the true protectors, we become the Rod of Iron Christians, the Rod of Iron body of Christ; that is the last line of defense against all predators foreign and domestic. With a force of one billion people across the earth, imagine when that Rod of Iron Kingdom reigns in righteousness and goodness, spreads, proselytizes, witnesses, evangelizes; new kings and queens being birthed in the Kingdom, new kings and queens being coronated WORLDWIDE: BILLIONS and BILLIONS! Oh my Gosh! How will the UN, how will the Satanists react they see their kingdom crumble?

God's Kingdom IS fundamentally antithesis, fundamentally opposite to communism, socialism and political Satanism! It is the Kingdom of freedom, responsibility, exercising and protecting ours and each other's God-given natural rights.

Pastor Sean's Prayer

Let us pray! THANK YOU Father for this beautiful day! God, Father we thank You; we give You all the praise today. Father, we thank You for all the glory that You are bestowing upon Your children today; even though we are a microcosm, even though our numbers may seem to be small, even though we may seem to not have this and that in the physical realm. But we know that in the spirit your POWER is overflowing; it is overwhelming.

Right now our hearts are being opened.

Right now people are being transformed.

Right now cowards are being made into WARRIORS! Hallelujah!

Right now the spirit of fear is being chased out in Jesus' name.
 Right now the spirit of addiction and lethargy and laziness has been chased out in Jesus' name!
 And now the warrior spirit is being implanted by Your Holy Spirit; the brush fires are being set
 ABLAZE in the hearts and minds of men by Your goodness!

So, dear God, we are grateful to be able to worship You this day, to remember who we are; to remember that we have been saved from sin and that we are basking in Your grace and glory; to remember that we have become from sons of the devil, sons of Satan to now sons of God, that we were brought into Your ROYAL priesthood, that we've been coronated as kings and priests and that even though the world mocks and laughs at bullet crowns and the crowns of jewels that Your children may wear, they laugh because theirs is not legitimate, and they know in the end the legitimate Kingdom of God that rests in the hands of Your children.

We thank You for the Kingdom Constitution that will protect the ENTIRE world, as the quickening is coming; that now will spread and manifest itself in MIRACULOUS ways that we cannot even think of or ask for. Your ways are so much greater than ours, your ways are so much higher than ours; Your ways are so much FASTER! You can see the ENTIRE plan; You can see the entire mountain that we are climbing. We cannot.

So we have FAITH in You, we TRUST in You! We don't trust in Fauci or the CDC or WHO or the UN, or this disgusting Aztecan beast that they placed in the front yard.
 NO! We trust in YOU, Almighty God, the Creator of the universe, and the Architect of it all, the Alpha and the Omega, the Beginning and the End, the powerful I AM. Amen! We trust in You, dear God!
 And it is in You that we have our POWER, because you said, "*You have not given us the spirit of fear; but of power, and of love, and of a sound mind.*" (2 Timothy 1:7) You've given us power, You've given us love, You've given us a sound mind to pursue our destinies with You. Thank You.

We pray for America right now because there are so many that are waiting, that are yearning to hear about the Kingdom of God, to hear the Gospel of the Kingdom of God. There are so many who are waiting, who have been betrayed by the Church that has left You, that would not stand up against evil as you commanded us to do; that has not stood in the sunlight as your warriors, being ready to BLEED and ready to DIE, and be hated and mocked and scored for your name's sake, just as You did for us!

Let the spirit of bravery rise up in the Church again!

Let the spirit of authority rise up in the Church again!

Let the spirit of prophecy rise up in the Church again!

Let the spirit of holiness rise up in the Church again!

And let us confront the wickedness as MEN, as strong men and strong women made in Your image, reconstructed, made new creatures anew in the Holy Ghost!

We thank You for all the kings and queens of the Kingdom of God.

We thank You that we are commanded to love our queen and commanded to respect our husband.

We thank you for Ephesians chapter 5.

We thank You for our strong marriages.

We thank You for blessing these marriages.

We thank you for being able to TRAIN in these marriages so that we become better each day and we learn how to love and respect more, and have JOY in our marriage and then spread that to the children and all the generations in the future.

We thank You for ALL the blessings that You are bestowing upon us, and at the same time

We thank You that You are calling us to this path because it is an epic path. It is the warrior's way; it is the path of the lion. It is not the path of the sheep; it is the path of the lion. And You are leading the way, blazing the trails, and you are forging the path in the wilderness.

Dear God, we thank You so much because in the midst of this chaos, in the midst of all the lockdowns of corona scams and all the death jabs and all the people falling over and dying and the genocides happening before our eyes, we see how quickly people are waking up. People are realizing that it is not just about knowing something by osmosis, but that we must take action. We must stand up against this beast EVERY Day. You are raising up the spirit of bravery; You are raising up the spirit of the martyrs who are no longer in fear but have transcended, in the spirit of Your LOVE, Your love for humanity: *"For God so loved the world – the world - that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."* (John 3:16)

That's the same spirit! We TRANSCEND death! *"Death, where is thy sting? Grave, where is thy victory?"* As Your Word says. (1 Corinthians 15:55)

By Your power we transcend the fear of death!

By Your power we transcend the threats of death that this beast has heaped up upon us.

So it has no more power; all the power rests in Your hands.

So we praise You, we honor You; we GLORIFY Your name today. We BELIEVE in You, dear God! We thank You because You have joined us and have joined us with more of these patriots. And more patriots are gathering together, and more people of God are starting to get together and stand firm, because we know we either hand together or hang separately.

Not only that, but

You are calling us to a higher purpose,

You're calling us to be kings and priests,

You're calling us, inviting us into Your royal priesthood.

You are calling us to become the true men and women that we are supposed to be, kings and priests, queens and evangelists, protectors of marriage, protectors of families, protectors of civilization, protectors of ethics; protectors of GOOD! It is the hope.

We thank You, dear God, because Your power is upon us and the devil knows it, and as he knows that he will attack harder, and he will PANIC and he will make giant mistakes, and he will try to set up world wars and rumors of wars and all those things as you prophesied in Matthew 24. But all

those things will be GIANT MISTAKES in his calculations and everything will come out unravelling. And all this backbiting and all the “steely knives” will be stabbing one another because there is no honor in a den of thieves and they will be killing one another and stabbing one another and they will be confused in their encampments and they will be confounded. And all their plans and artifacts of evil will be BROUGHT DOWN, turned down by the name of Your Holy Spirit and the power of your love!

So we worship You and praise You today. We thank You for this community. We thank You that You are always calling us to prepare and train, and to serve our neighbors, and to act in ways that would promote the Gospel, and be good priests and be good evangelists and be good kings and be good queens. You are leading us on the path towards righteousness and to Your Kingdom “*Seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you,*” as Your scripture says (Matthew 6: 33) and we thank You that You are leading us on that way.

We thank You for

4 Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. 5 Thou preparest a table before me in the presence of mine enemies: thou anointest my head with OIL; my cup runneth over. 6 Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the LORD for EVER. This is Your word. (Psalm 23)

So we thank You this day. We thank You that you are covering America. We thank You that You are still in the hearts of the patriots. We pray that they would now step one level up and come to the Rod of Iron Kingdom to be coronated as kings and priests; no longer just sheep following in small churches. No, now all these churches rising up to become kings and priests, understanding our true identity in You, understanding that the King of Kings is leading the way, understanding that the Kingdom and the flood of repentance and revival is coming.

But at the same time responsibility is coming too. We will not only see a great revival but we'll see the burgeoning of the true righteous responsible Christian that will be the true protector both in the physical and the spiritual, the Rod of Iron king both in the spiritual and the physical, the Rod of iron priest both in the spiritual and the physical that protects his family, protects his children, protects his neighborhood, protect his neighbor, protect his society, protect his nation, protects his ROLE, and “*he shall rule the nations with a rod of iron; They shall be dashed to pieces like the potter's vessels*” (Rev 2: 27)

We thank You Father for all the things that You're doing. We want to give You the praise, glory and honor, and ALL the glory today. We thank You with all the kings and queens that are gathered here with the Three Generation Kingship, and in Your precious name WE pray.

Amen! Amen, and Aju! Hallelujah! Praise God, everybody!
