

Pastor HJ Sean Moon

Old Glory, Long May She Wave!

2022. 01. 30

Alright folks, we give a shout out to all the PA crew out there in Pennsylvania. Let's give the PA crew a big round of applause! God bless y'all! (*Applause*)

Now we're Tennessee. This may be our last service here in the barn folks, before we go down to the Cheongpyeong Welcome Center which will be relatively done by God's Day on Tuesday. So let's give it up for our Joe Dispenza's team and all the folks that are working hard on the True Parents' Welcome Center. (*Applause*)

Apparently in Tennessee spring comes in March, which is going to be amazing, because the waterfall team has now done the stairs; we've been moving ten-ton blocks, a very dangerous work. Thank God! God has had his hedge of protection around us; nobody's gotten hurt, and God willing it will remain so until the end. We've now finished moving the huge boulders, huge stone, giant five-to-ten ton stones, and we're now doing the supplemental stones just to finalize the hardscape of that art piece.

When this spring comes we'll be able to plant beautiful azaleas all around that waterfall. The flowers will be blooming; the water will be flowing. Oh my Lord! Have mercy! God is good! It's going to be tremendous! People will be able to walk up to the Gihon Springs over a waterfall bridge that we are making out of stones. It's going to be super dope! So in the spring, hopefully we get warmer temperatures, and we can actually start planting flowers and plants and start with all the different farming that we'll be doing here.

Once again we thank everybody on the teams clearing the range down here near the Welcome Center. Let's give it up for our range team! God bless you all! (*Applause*) Thank you everybody for keeping us in your prayers.

Folks, we are today in John chapter 16. It's a very long chapter but let's just try to read the whole chapter. I love just reading the whole chapter with everybody. Hopefully the Holy Ghost doesn't get me in between and then I stop at some point, and lose track of where I am! Let's read together chapter 16 of John's Gospel!

John 16: 1- 6

1 These things have I spoken unto you, that ye should not be offended.

2 They shall put you out of the synagogues: yea, the time cometh, that whosoever killeth you will think that he doeth God service.

3 And these things will they do unto you, because they have not known the Father, nor me.

4 But these things have I told you, that when the time shall come, ye may remember that I told you of them. And these things I said not unto you at the beginning, because I was with you.

5 But now I go my way to him that sent me; and none of you asketh me, Whither goest thou?

6 But because I have said these things unto you, sorrow hath filled your heart

Orthodox Pharisaic tradition's view of Jesus

Let's stop there for just a moment. You can see right there: the synagogues will chase you out; the synagogues there, being the religious Orthodox Pharisaic tradition at the time. What were they doing? They were getting ready to kill Jesus and of course kill his disciples because they remained too great of a threat. People don't realize that but in Orthodox Judaism they say that Jesus is not only burning in hell, but that he's boiling in feces as a false prophet. That's what in the Orthodox Jewish tradition they say of Jesus Christ; that JESUS is boiling in FECES as a false messiah! How many of you heard of that before? People don't know that; but that's what many Orthodox teachers currently teach today even in Jerusalem. They are teaching that Jesus is the WORST false messiah, that he's the WORST of the worst, and that he brought tremendous confusion to the Jewish faith, etc.

These are leaders in Jewish faith that exist today, folks. It's not like 100 or 200 years ago. No, that's TODAY! There's a whole compilation on YouTube. You just type in: "*Jesus false messiah boiling in feces, rabbis.*" or something like that and you will come up with actual rabbis in Israel, in Jerusalem, that are teaching that Jesus is boiling in feces! That's how much these leaders HATED the messiah!

Why? Because, literally, he came to bring the Jews into the New Covenant and relationship with God; but that doesn't mean he got rid of the Old Covenant. As Jesus said, "*Do not think that I came to destroy the Law or the Prophets. I did not come to destroy but to fulfill.*" (Matthew 5: 17) Christ is the fulfillment of the Old Testament Scriptures; he's the fulfillment of the DESIRES, the prophecies and the promises of the Old Testament.

But there is a New Covenant though! For example, in the modern day Christians eat shellfish, right? We don't do temple sacrifices today, right? And Paul writes, "*We are under a New Covenant.*" Now

there's controversy around this because some people say, *"Oh, these covenants were just put together, and Christianity is just choosing what they like but really they have to be accountable to the Torah as well."* Well, the Bible has multiple covenants in it: Noah had a covenant, Moses had a covenant. There are those covenants and in those covenants there are different time periods and different promises that God gives people at the time. Why? Because He's on the process of restoring humanity back to Him!

Christ as the Avatar

Now CHRIST is the fulfillment of that because He's God in the flesh. Remember, we talked about that with the young people; young people like video games nowadays. Let's say you're playing a video game that has a P.O.V. -point of view- and you can choose your avatar, etc. Let's say it's a game that has a whole universe in it with stars, galaxies, all kinds of stuff. You may be playing in that video game; you may be playing in that world with an avatar that's you, but you are not the creator of that universe, correct? Hello, kids, right? You are not the creator of that game.

Now the creator of that game actually created the whole thing: he created the mountains, he created the streams; he created the security, the algorithms for the AI within it. He created the WHOLE infrastructure, all the digital architecture and whatever, for that game. So when the creator has an avatar and he's playing that game he looks like your digital character; he is still a digital character. He's fully 100% digital character just like your avatar is.

But he's DIFFERENT in the fact that if you met that avatar you would actually be meeting the creator of the universe in that video game. Are you with me, young people? So you would actually be meeting the creator, the guy that actually made the trees and the stars and the streams and the mountains and the galaxies, etc. Now that person has the algorithms for the whole system; he has the whole architecture of the whole system. He's DESIGNED all the beautiful things, and when you push up your P.O.V. joystick you can see the stars and over here the mountains, and over there a deer, or whatever the case may be.

Now, the creator, his Modalism would be what? If he was OUTSIDE the video game, then he went into the video game and appeared in the video game, you see he would just take on a different MODE. Are you with me, folks? But he would not exist outside the video game. He WENT IN! He's no longer outside; he went into the system and he disappeared. Outside there's nobody there. So he took on a different MODALITY; he went in the video game and now you meet the creator there.

Modalism is heresy in Christian doctrine; that's been heresy since the beginning. No, the creator is still out there, but in the video game he chooses an avatar who is 100% a digital person, but also since he's actually the creator, he actually shares the exact same mindset because it's actually the creator who's playing. You see that? See the creator of the game's here and he's got an avatar in there, and look, when you meet that avatar he's unlike everybody else in the game. Everybody else you meet is playing and they're not the creator of that game, right, but this guy is the creator; he's actually the creator: 100% the creator, 100% digital man in this example. Are you with me? Does that make sense? That makes sense, right, okay? It's a fun example. I know it's not perfect but it's fun and it's a modern

day one that especially young people who are addicted to video games can understand. Don't be addicted to video games, kids!

Imagine if the prepared people had welcomed Jesus?

So now God is in the flesh in that sense 100% man and 100% God. He comes into the world and He is met with what? Hostility, and not just from the secularists and the hedonists and all those; from them yes of course, but more from whom? The Pharisees, the Sadducees, the Jews, the religious ones who are saying, *"Well, the Messiah is coming and the Messiah will fulfill this and that prophecy and he will be in the line of David and he will be the king of Israel and he will be a conqueror and he will vanquish!"* So they go like that. The different prophecies about Jesus as the great King David, those are the Old Testament prophecies; many of which eventually Christ has fulfilled on the earth but in a different path.

Anyway, the Jews are waiting for the Messiah, especially now that the Roman Empire is collapsing. It has overextended itself, like America; it's now imperial so it's engaging in way too many wars that are sucking its economy. Taxes are going up too high, collapsing supply chains, and all that kind of stuff. The Roman Empire is collapsing.

We know through the Principle that there has been a preparation for the Messiah to come. So, there's all this preparation that God has made and now Jesus comes at an opportune time in which, if the prepared disciples could support him and the Jewish people united with him, he would have a whole NATION of people standing with him. He would have a whole nation there standing with him, and not falling asleep in Gethsemane, not falling asleep in the Garden.

Remember, if you were doing security for Caesar and you fell asleep, what was the punishment that you would receive? DEATH! You would be killed. You would be KILLED! If you were a soldier and you fell asleep while doing security for Caesar you would be killed! But, think about it! Jesus, he's not only Caesar which means king. Being a Caesar of the Roman Empire, that's nothing. He is the KING of kings. He's completely one with the Father; he's COMPLETELY one with the Father!

He is the KING of kings! If you were a normal Roman soldier and you fell ASLEEP taking care of Caesar you would be killed, but think about that: the KING of kings is billions of times higher than Caesar. And the disciples fell asleep; they couldn't even stay awake like a Roman soldier, while Christ is SWEATING blood and pouring out his HEART, and grappling with the reality that now this cup, he must TAKE, and he now must go the way of the cross and DEATH!

It wasn't the INTENDED plan of God. It would have been great if the Jewish people could have connected with him. See, Paul talks about it in **1Corinthians 2:8**: *"Which none of the princes of this world knew: for had they KNOWN, they WOULD NOT have crucified the Lord of glory."*

Are you with me, folks?

IMAGINE if the Jewish people said, *"That is our MESSIAH!"* John the Baptist came out and he told a couple of people but he should have told EVERYBODY! He should have gone on EVERY rooftop; he

should have gone on every pedestal and shout *"JESUS is the Son of God!"* He should have shouted like a CRAZY man. Not just say, *"And I saw, and bare witness that this is the Son of God,"* (John 1: 34) and disappear. He should have been telling EVERYBODY! After all, that's why you were out there eating bugs and lotus and honey! The purpose of it was to get that revelation and then GIVE it to everybody else!

But of course what happened? John didn't do that; he only told a couple of people. Imagine the influence he had with his power base! He could have proclaimed it to EVERYBODY. He was the most WELL-KNOWN prophet, sort of a wild holy man, and people were coming in DROVES to get BAPTIZED by him. With that kind of POWER, that kind of political power, that kind of influence, that kind of outreach, he could have reached SO MANY people in that community! SO MANY could have come to Jesus! SO MANY could have heard, *"YESHUA HAMASHIACH has come! "Hallelujah! Praise God! That means "Jesus the Messiah has come!" Hallelujah! He could have got EXCITED! He could have got filled with the Holy Ghost! He could have started telling everybody, proclaiming from the rooftop, singing on the pedestal. He could have been going holy crazy and he could have used that platform to tell everybody about Jesus. Hallelujah! But he didn't, he didn't, and what happened to John the Baptist? He got his head chopped off!*

So, imagine if Christ came AND the Jewish people, a nation of people united with him; thousands of people united with him! They already know he has this miraculous power; he is already known as the holy man. They already know that he's been teaching in the synagogues and the Pharisees and the high priests oh they're worried about him. And with John the Baptist's influential power, proclaiming, *"That's the ONE! That's the one who's the MESSIAH! We got to back him; he's the MESSIAH!"* Whoa! The WHOLE nation could have been saved right there! Bam! And imagine that as the Roman Empire is already collapsing from within, that overextended in other wars, internally being rotted and destroyed by corruption; the fledgling pieces of an empire sprawling and trying to hold this up together when it's falling apart. That's kind of like America right now, unfortunately; of course aided by the usurper in power right now.

But the point is: God said to John the Baptist, *"This is my son in WHOM I am well pleased!"* He HEARD it! He GOT the message; he got the revelation clear as day!

16 When He had been baptized, Jesus came up immediately from the water; and behold, the heavens were opened to Him, and He saw the Spirit of God descending like a dove and alighting upon Him. 17 And suddenly a voice came from heaven, saying, "This is My beloved Son, in whom I am well pleased." (Matthew 3: 1)

He SAW the dove alighting above his shoulders and he heard, *"That's the man! That is the man we got to serve. We got to support him; we got to STAND for him. We can't be fallen ASLEEP at night!"* Are you with me, folks? Imagine if that happened!

Pontius Pilate, later on his team was taken out of power, all this kind of thing; his whole reign didn't end up well. Why? Because the whole Roman Empire was collapsing; it was in shambles. It was on the end of its imperial reign; it was going bye-bye.

Imagine then if the Jewish people stood with Christ and they were able to influence the Romans! Look at the power of the Gospel as it spread through the world; implicitly taking over the entire Roman Empire eventually over 300 years of martyrdom and killing of Christians. FINALLY, they had a slight relief with Constantine, getting a little bit better after that, but then merging with the centralized state itself, and creating problems with the Catholic Church, etc.

But IMAGINE if while Jesus was here:

The KINGDOM of GOD, CIG, could come THEN!

The ROD OF IRON KINGDOM could come THEN!

The PEACE POLICE-PEACE MILITIA could come THEN!

LOVE GOD, LOVE YOUR NEIGHBOR could come THEN!

Armed citizenry becoming KINGS and PRIESTS, standing as CO-HEIR with the KING of kings could come THEN!

Wow! Lord, have mercy!

But the faithlessness of the people, the faithlessness of the LEADERS that went and attacked, accosted and chased Jesus away coming to KILL him, of course led to his death!

“You will think that he doeth God service”

Look at that warning he gives in chapter 16

2 They shall put you out of the synagogues: yea, the time cometh, that whosoever killeth you will think that he doeth God service.

When those Nazis were rounding up Jewish people in Germany - kind of like how they're starting to act now back in Germany and in New York City and other leftist areas of the world - they thought they were doing for God and country, obeying orders. Just like that video of the woman with cerebral palsy in New York City that the cowardly, COWARDLY thug-booted NYPD cowards arrested; a cerebral palsy woman 56- years old in a wheelchair from Olive Garden, because she didn't show her vaccine ID papers! What epoch are you living in? DISGUSTING! Absolutely disgusting!

As the European centralized police model that takes over all the cities, and elections don't allow the people to get rid of the police chief to keep them accountable, like the American sheriff's model which is supposed to be our model, and it's the godly model and is also the Kingdom Constitution model, you have situations where you can't get rid of that police chief. He's placed there by this or that commissioner, this or that mayor, this or that council, etc; he's untouchable and unaccountable to the people, and thus he becomes a political weaponized arm. And the more the Law Enforcement system becomes like that, as in Europe, it becomes more like Nazism, it becomes more like communism, and the people that are working in that system no longer serve the PEOPLE on the ground, no longer

serve the citizens, and are no longer there to serve and protect. They start being there to serve and protect their PENSIONS and their salaries!

We see this happen across the world, and even in these United States of America, folks! Wow! Horrendous: black women, Latinos are being arrested from Olive Garden; a woman was cerebral palsy! (*Showing clip from the Rod of Iron Instagram page*) They're acting like jack-booted thugs because the more centralized the Law Enforcement becomes, the more good people leave and then they get people that are power hungry, who want to be on power trips, who want to dominate other people and say, "I'm doing my job." Meanwhile you're harassing nine-year-old girls in the American History Museum and you're chasing a woman in a wheelchair with cerebral palsy! Great JOB! That's so HEROIC! Because they didn't show a vaccine paper! Wicked! Wow! I know that not everybody in the police is like that, but the more they act this way, the more the good police will leave, and the more the wacko lunatics will come in that want power and a badge. We are becoming Nazi Germany, especially in these liberal areas, folks! It is not a joke; this is happening right before our eyes.

So Christ says: "You have to be aware of the enemies of Christ, the enemies of goodness, the enemies of God, the enemies of conscience, the enemies of God-given natural rights, all these things; the totalitarians the tyrants, the Communists, the political Satanists. They do it! In their mind it's for God and country. They will think they're in the service of God and they will be SAVED!

The time cometh, that whosoever killeth you will think that he doeth God service.

In that twisted, wicked, establishment mind of those COWARDLY NYPD cops that arrested that woman with cerebral palsy in the Olive Garden, going around checking citizen VACCINE PASSPORTS, like TOTAL lunatics, TOTAL lunatics; what were they saying? They caught them up saying, "Yup, just doing my job; yup, just doing my job!" Isn't that what the Nazis said, "Yes, we are doing our job? This is our job that we were given." Great jobs! You're becoming Nazis, treating the citizens and their constitutional rights like toilet paper; breaking your oath to the Constitution to serve and protect the PEOPLE, and not to bow down to the elitists and to all those people that brought them in.

The Cheon Il Guk model vs. European model

That's why folks, that's why the CIG model is the sheriff's model. According to the Kingdom Constitution, in New York City eight to ten million people, that would roughly be broken up into 4,000 competing districts, each with their own sheriff, each with their own representative. A representative is only representing 2,100 people; it's a very small group. So if he's a liar, if he's taking money from Walmart or from Big Pharma, he gets fired in a minute. And of course he can't stay there all his life; he can only be there two terms.

But it would be divided up into approximately 4,000 competing districts, just in New York City.

No centralized sheriff; each sheriff has jurisdiction over his area. You can't just come in; you can't just make some blanket mandate. You will have 3,999 that will say, "F...you! I rule this district and we aren't listening to your stupid orders. You are a public official and I am the top Law Enforcement of my district, so you can go shove it in a place where the sun doesn't shine; fool!"

They're not under centralized CONTROL. They're under what? They're elected by the PEOPLE. The people know their families, they know their wife, they know their children; they live with them. 2,100 people are not a lot of people; you can know 2,100 people roughly, maybe not intimately but roughly. But you CAN'T know 8 million people; you can't know 8 million people. You CANNOT; it's not possible! You cannot physically know well 8 million people that are voting. All they are voting for is some PROPAGANDA ADS that you paid two million dollars for, to run 20 seconds. That's ALL they know!

But when it's 2,100? Oh, now everybody knows you, *"Oh, I heard about him, I heard about him, about this and that and the other. You know his sister did that; his wife is in this board. Oh yeah, we know them. Okay!"* And by the way, you can't stay in it forever. And by the way everybody's armed. In all those districts, everybody's armed, folks! EVERYBODY is part of the Peace Police- Peace Militia! EVERYBODY has *"Love God, love your neighbor,"* as their motto. It doesn't mean they're perfect, but now you have a lot more people who are trained in the ARTS of resisting evil; a lot more people.

So New York City would become COMPLETELY different! The mayor could not make some blind mandate, and having the jack boots saying, *"Yes Sir!"* They couldn't do that. And if they did it, they would have the authority against them.

But that's why the leftists like to put the European system and the Communist system over ALL the areas that they have power in, so the Law Enforcement slowly over time starts getting disconnected, and instead of serving the people it starts serving their pensions, their accolades, the little medals that they give one another, and of course serving the establishment and the elite class. Which of course is the problem Nazi Germany went through and is the problem faced worldwide with totalitarianism rising worldwide, through Big Tech etc deplatforming everybody who gives contrary evidence, contrary information. They're trying to get Dr. Robert Malone and Joe Rogan kicked out of Spotify because they showed the truth from the top mRNA developer who has ten different vaccine patents on mRNA! Oh Lord, it's crazy! LUNATIC!

But of course we know that in the fallen world the Devil comes with illusions; he comes here to confuse and destroy, disorient and destroy. The Bible says, *"He comes only to steal and kill and destroy."* (John 10:10), to KILL our country, STEAL our heritage to natural right and liberty; kill, steal and destroy!

Those in Christ

So those in Christ we don't follow the prosperity theology to make a million dollars, *"Oh, I believe in Jesus, so I'm going to make a million dollars. I believe in Jesus, I'm going to get the blessing over this!"* No, when you serve the Lord you are signing up for TRIBULATION. As he says to me, *"Do not be shocked that you'll be scoffed at, mocked, persecuted, and KILLED for my name's sake."* You say, *"Why?"* Because there's something more POWERFUL than all that and the fear that Satan's trying to give you through

all those kinds of negative consequences! There's something more powerful than all those negative consequences combined, folks, and it's called LOVE! It's called LOVE; it's called LOVE!

That's WHY you stand up for CHRIST!

That's why you stand up for goodness!

That's why you stand up for GOD!

Even though you may have to go through those negative consequences that the world throws at you; because there's something BETTER than that, BIGGER than that and that's our love relationship with Him! Hallelujah! Let's give God some glory! (*Applause*)

John 16: 7-8

7 Nevertheless I tell you the truth; It is expedient for you that I go away: for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you.

8 And when he is come, he will reprove the world of sin, and of righteousness, and of judgment:

9 Of sin, because they believe not on me;

10 Of righteousness, because I go to my Father, and ye see me no more;

11 Of judgment, because the prince of this world is judged.

Whoa! Hallelujah!

See when the Holy Ghost comes and when you receive Christ as your savior, what does that mean?

"Why I got to be saved? I'm not drowning in a river somewhere? Why I got to be saved? "

-"You got to be saved because you have sinned."

"What is sin? What is sin?"

-"Sin is what? It's harming God. It's very simple; it's harming God.

"Oh but, I'm not as bad as Hitler; I'm not as bad as Mao Zedong!"

-"But God's not comparing you to Hitler; He's not comparing you to Mao Zedong! He's comparing our little sin to Him and He doesn't have any sin."

So even though we compare ourself to Hitler and Mao Zedong, and we say, *"Oh, I'm not that bad, I'm not that bad! I'm actually pretty good; I don't need no savior!"*

That's what the Pharisees said; that's what the Sadducees said.

The false second-generation priestly class

This is a big epidemic even in our second gen young people community, *"Oh I am perfect! I was born without original sin. I have no sin."* Oh this is heresy!

As Father's heir and successor, I kept my sexual purity before marriage. I didn't do drugs, didn't do smoking, or drinking, just like Father said. I went to Harvard. He said I have to go to Harvard, so I went to Harvard. I kept all those commandments. And I was not only second generation, I was Father's direct son, and I was not only his direct son, I was actually His appointed heir. And I came up

and said, *"No, but still I am a sinner before God!"* Why? Because I was angry at God; I hated God at some point. That all brought pain to God!

That means, even amongst the Pharisaic standards of the second generation leadership arrogance, they wanted to pretend that they were the elite class, *"We didn't have sex before marriage thus you must worship us."* Look how evil and wicked they had become!

I did ALL those rules, but STILL I could admit that I'm a sinner. Why? Because I hurt God; I hurt God's heart.

That made them so angry, especially the Korean older second generation ministerial CLASS! Arrogant, arrogant, arrogant! They were so freaking arrogant! They could not believe it; they were so angry that I would dare come out. And not only as second gen, but that I would come out as Father's true son, and not only that, but as his heir and successor, the one APPOINTED, the CHOSEN one -and I didn't chose myself - but that I would come out and take away that elite POWER that they loved: *"I remained pure before marriage, thus I'm perfect and deserve all the things of this church!"* You arrogant trash!

When I started teaching, I said, *"I am a sinner. I've done everything that you all have done and more."* I came up and did 10,000 bows to True Parents and all those conditions for 40 days, etc. But still, still. Even as a second gen, as a true son, as Father's direct BLOOD, AND his heir, I still admit I'm a sinner and I need God, I need Christ. I need to be saved from SIN which leads me to separation from God.

Oh man, those arrogant kids, that second generation elite class got so freaking ANGRY! It's like a whole false priestly class; they got SO ANGRY, taking away their status like that! But actually it was freeing them. How hellish is it to pretend that you are perfect? Huh? It's a LIE! Everybody knows it's a lie; YOU know it's a lie, but you got to pretend. It's a TOTAL fake; total Pharisees!

They were so angry, *"Oh my Gosh! How dare he say something like this! Oh my Gosh, oh my Gosh, oh my Gosh!"* They would say, *"I am a second generation, I have no original sin,"* and would be worshiped by the first gen. That crazy idolatrous CULT!

So whatever I thought on that, GUESS WHO was so happy, GUESS WHO was so PROUD? Not these fake leaders. It was the FATHER! True Father was so proud; he was so happy! Not those fake Pharisees. Lord, have mercy!

I started from the top level leadership, empowered by the Holy Spirit and by the love that Father gave me and that's why I had the confidence and the power to declare that- because it was true, in my life it was real- and to take away the pretense, the lie of all this priestly class pretending that they were perfect and that they didn't have to repent. PHARISSEES! Taking away their false status, saying that they were tithing, meanwhile they were not tithing, they were putting it away into an account for health care; that's not tithing.

Everybody else TIES while we have life insurance, health insurance, car insurance, etc and we still tithe on top of that. So we made every minister tithe." *If you're teaching to the congregation, YOU are going to do it. You're the first one to do it!*" They didn't like that, did they? They didn't like that. It has nothing to do with the amount of money you make; it's a percentage. Meaning that, *"God, this is all Yours, but thank You for giving me 90%."* They complained, *"Oh we don't make a lot of money!"* It does not matter; it's a percentage. You can make two cents and it's the same. You see that? There were all these lies. Total freaks!

As the World President, I was riding in coach; meanwhile all those leaders were riding in business and first class! Oh they were so angry when I started riding coach! Oh Lord, they were SO ANGRY! Now all their privileges were being taken away, by somebody whom they could not blame. I had kept my purity; I didn't have fallen sex, didn't sleep around with girls. I did keep the lineage. I did what Father told me to do. So they had nothing, nothing. They were SO ANGRY! They hated us so much; they hated Kook J-Hyung too because he was CLEANING UP the BUSINESSES, where they were stealing from. Massive stealing and embezzlement! Misusing the goodness of Father's grace! Ooh! They hated us!*(laughing)* Because now, not only did they get caught with their hand in the hat, stealing and embezzling, but now they had to admit that they were sinners on top of that! Now all the status of second generation and all of that was taken away.

Why? Because they had become IDOLATERS; worshipping THEMSELVES while pretending they were worshipping God. All they did was love their STATUS! Fake second generation! *"I didn't fall!"* Arrogant idolaters! That's what that lesson taught them.

Satan lures us

But think about it: it's actually more freeing. If you go around trying to pretend that you don't need to repent to God who is the Creator, who knows everybody! Give me a freaking break! You are deluded if you think you don't need to repent to that God! He knows everything about you. You are a human being; OF COURSE you have to repent; of course you have to admit you have sinned. Sin is harming God. It's not like it's just some passing thing that's hurting your life and calcifying your pineal gland and hurting your prefrontal cortex and affecting long-term decision making and producing erectile dysfunction in 60% of males who are addicted to porn for example. 95% of males are accessing porn in the modern day.

It's not just some PASSING sin! That's just one example. These sins are not just passing sins that hurt you. Yes, they do hurt you and they do harm your brain and they do give you addiction cycles and by being addicted you go from dopamine to adrenaline, and it's very dangerous. But that's not only with all sexual sins. Alcoholism, smoking, whatever it is; whatever the sin it happens.

So it's not only that these passing sins only influence your future. Yes, they do influence your future. Yes, they do mess up and destroy your brain. That's why we say, *"Boys, stay away from porno! Girls, stay away from romantic dramas which are like porno or romantic novels."* It's incredible! All the sisters in

the Church they know romantic dramas equal women's porn, because they work off the same apparatus that produces pornography for men, knowing that women seek romance other than visual sexual intercourse. It's the same program, same business model: romantic dramas, the Lucifer love triangle. There's a male that she should be attracted to, but then this Luciferian figure comes in. He's the "good guy." He's actually bad but he's good, and she's going to change him. Fake news! This is how Eve fell in the beginning. It's not only Korean romantic dramas; this is also the kind of porno that they sell around the world, and even in novels.

Some people say,

"Oh, I don't watch Korean romantic dramas anymore, but I read novels."

"What kind of novels you read?"

"Uh, uh, books."

"Well, what kind of books?"

"I guess they're about a man...."

"Okay, they're romantic novels with Luciferian intrigues. Well maybe that's why you're suffering."

Don't play this game, girls! Let's not play that game. Just be HONEST! Those dangerous things create what? They create brainwashing repetition impediment in the brain, which then makes you triggered and excited about what? Luciferian love triangles; adultery! Making older women excited about young men mowing their lawn with their shirt off; throwing away the promises of marriage, throwing away the YEARS of investment they made with their husband and children! And Hollywood tell you, *"It's going to be so good; it's going to be so amazing, You're going to be sitting up there and floating, "Ooh!"* Give me a break! You're getting none of that! All you're getting is MISERY, regret and despair. And you'll be ashamed, if you make stupid infantile puerile dumb decisions. You know it's true and some daddy should be telling you that. Thank God, God does!

But the point is: Satan LURES us in this way to do what? Kill, steal and destroy! He steals our legacy, he steals our heritage, he steals our country, he steals our MARRIAGE, he steals our CHILDREN; he steals EVERYTHING! This is why we don't want to invest in his system. This is why the difference between a SLAVE and a KING is that a slave doesn't know anything.

Against God-given rights

But that's why they get away with the vaccine mandates and force people to get injected across the world. What are they doing? They're ripping sovereignty away from everybody. They're saying, *"You DON'T own what God gives you,"* which means you own nothing: forget about owning land, forget about owning a weapon to protect yourself; forget about any of that! You own nothing! If some entity can force you to put chemical concoctions – from the labels we don't know what's in there- to put in your body in a worldwide experimental event, that Doctor Malone is calling back, and you have been forced to do that against your own sovereignty, against your natural human rights, against your autonomy, you don't have anything, folks. You have nothing!

Why do you think they're doing the mask mandates for the little kids; five-year-old kids have got to wear their little mask? These ARROGANT politicians come to the preschool class and they're taking pictures with kids; those parasite congressmen have no mask on and all the little kids are MASKED! Why? Because they're the little slaves for the next generation; they're the ones that will obey EVERY order that comes out of Pelosi's mouth, every order that comes out of Big Government. They are slaves with no autonomy, no sovereignty; no ability to even imagine that they could truly have the right of kings through Christ. It's incredible! There is no scientific evidence for MASKING children because they have a 99.90% chance of not being impacted at all by the Chicom virus.

And Trump was up there a couple of weeks ago saying, *"No, there's never been anything wrong with the vaccine."* But thank God he's trying to change. Thank God. People need to pray for him to stop saying that. *"There's nothing wrong with the vaccine; nothing wrong. Nothing wrong has ever happen with it."* REALLY! We have tens of thousands of cases worldwide; we have the top scientists coming out talking about the dangers. We not only have the top universities now producing data on the spike protein and the non-homogeneous non-homologous android system which erects in part of your DNA! Not only that, but everybody knows people who have been damaged by this. One brother wrote me from Korea the other day: his dad got the third booster shot and his cancer has flooded his whole body until his lips and everything, and he's on his deathbed right NOW, because, *"Oh, I didn't want to get my cousins infected."* He was brainwashed, and now he's on his deathbed with an ever-expanding cancer; it has expanded by multiples even though his son has been begging him, *"Don't do it!"*

It's incredible, folks. These people are not here to defend human liberty and human rights and natural law and God-given gifts! No, they're here for power. And that's why anybody who stands in the way of these totalitarian socialists, Communists, political Satanists, they will destroy; they will kill.

Jesus knew that. That's why he said,

1 These things have I spoken unto you, that ye should not be offended.

2 They shall put you out of the synagogues: yea, the time cometh, that whosoever killeth you will think that he doeth God service."

Biden goes like, *"Oh, I go to church. Come on man!"* Give me a break! Lunatics! But we can't be surprised. That's why they're rushing so hard to go into war with Russia. Folks, the LAST thing America has to do is go into World War III with Russia and start the whole thing. Now Taiwan is being wrecked; 39 Chinese fighter jets flew over last Monday because of Biden's unbelievable weakness. And of course we have the exposing of the corona Chicom virus, and Project Veritas every day is releasing new video on all the health workers ADMITTING that they know it's the wrong decoction, they know it's not even going to help but they're still administering anyway. It shows that it's a totally corrupt system. TOTALLY corrupt!

So, that exposing is coming out. People are starting to realize, *"Whoa, this is a big scam! Man, they're going to go for another lockdown! Man, there are 47 new variants? We're going to have to be locked down*

for ...oh, no, no, no, no!" See, now everybody's starting to sound like conspiracy theorists. They were attacking us to talk about this how many years ago? It turned out to be true, didn't it?

The power-lusting desecrator of God & Christ

Look at the Han mother when she was prophesying that the world was going to come under her feet and that the nations would come to serve her! And this is right after she betrayed Father; this is right after she created boards and making all these panels to ERADICATE the Scriptures that Father wrote, and that would allow her to pull out everything that she wanted to do, even though Father explicitly said, *"Don't touch anything."* And then she prophesied, she predicted, *"The world will usher in a new great realm of peace,"* centered on the Harlot of Babylon – she didn't call herself that, but that's what she had become. A DEFILER, a desecrator of God and Christ!

Oh! How much we begged and wept, and tore at our flesh! But people have free will and you can't force them; they make dumb decisions. DRUNKEN with power, literally shouting; we were there with Kook J-Hyung in the room, *"I have ABSOLUTE POWER!"* That is the power-hungry power-lusting demon that possessed her; it was Satan. Our faces literally dropped seeing what happened with her. I looked at Kook J-Hyung and said, *"I'm literally in a movie right now. I cannot believe that is coming from Mommy's FACE, my own!"* Wow!

Of course, all the prophecies of, *"Oh, nations will all come to peace,"* have all been lies; all have been total delusion, PROVING that she's not connected to the providence.

But the opposite I see. The one that she marginalized; the one they scoffed at and mocked and said, *"destroy"*, the one that they tried to sue and destroy financially, the one they didn't know is the only rightful heir, because I didn't choose myself, Father did. The only Cain and Abel that Father chose that could have gone on with it, lost everything. We were just in the woods, and were telling people there was going to be a world-level judgment because of the fall of the Han mother, Han Hak Ja, the Harlot of Babylon; a cosmic-level world judgment!

"Hahaha! You stupid boys are out there!"

But of course, what happened? We just saw it in a couple of short years. Thank God we had a couple of years to prepare, and our community was prepared more than probably 99.9% of the entire population. Thank God, God gave us a couple of years to prepare. But then a WORLD level, the like of which history has NEVER seen; never seen this level of WORLD level shut down economic destruction control. NEVER seen in the history of men! Never! No, the world has never seen this level of centralized world level shutdown, lockdown, totalitarianism!

The Rod of Iron way

Australia, New Zealand, oh my Gosh! You can't come out of your house; you have to get a blue band, *"Oh my Gosh, I got my blue band; I can go out for an extra 30 minutes. Oh my Gosh!"* You have these little brainwashed poor children that are 17 -18 years old dancing and saying, *"Oh look, I got my blue band! I*

got 30 extra minutes outside!" Wow! You see how we've become in two years? Why? Because those kingdoms, those cultures don't have the Rod of Iron way.

Oh, by the way, Cheongpyeong is now actually 328 Rod of Iron Way. This road is now called legally the "Rod of Iron Way" Yeah, all right! Let's give it up everybody! (*Applause*) It will be on the map too.

The point is: those countries don't have what? The final line of defense; which is what? The citizens; it's the citizens. As Mao Zedong said, "*Political power comes from the barrel of a gun,*" which is an anonymous object that can be used for good or it can be used for evil; unfortunately it's usually used for evil, especially in the hands of government. But in the hands of the people; no it's not used for evil. It's used as a tool. It's used as a tool to harvest game, it's used as a tool to do sporting events; it's used as a tool to empower the next generation to be strong and have actual political power against tyrants in the future, to maintain human rights and natural law. It's a POWERFUL accoutrement and none of those countries have that.

Why have they tried so hard to close down America? But they've failed; they continue to fail, especially in the conservative states where more and more are pushing back, because the conservative states will say, "*No!*" You come down to Tennessee; it still feels like pre-covid here! The gas price is three bucks a gallon; you can go anywhere there are no restrictions. They just passed new "Constitutional Carry" laws. You don't even need to have a license to carry a gun here. It's like pre-covid land down here. It's like they don't even know what covid is, even though you have the occasional crazy person in Walmart that does wear a mask. But you go back up Northeast? Oh yeah you see all those people flooding from New York into PA, oh now you feel it because those people are FLEEING that state which is a hellhole -New York that is- and of course there are millions leaving.

But the point is: they're now arriving so late. Those people have not prepared for the last seven years, and they don't know what's going on. They're just starting to learn bushcrafting, they're just starting to learn camping, they're just starting to learn about food supply; they're just starting to learn about self-defense and firearms and force multipliers and alarm systems. They're just starting to learn that. Lord! Already corona is two years in deep, and in the cities it's now becoming TOTALITARIANISM.

And at the same time they're trying to start a war with RUSSIA! Leftist senators are coming out saying, "*You crazy WAR-MONGERING LUNATICS!*" They know they've committed so many crimes because of the covid lockdowns and all the people who died at the hospitals where they sent covid-positive people just to kill them, murder them all, and increase their numbers which unexpectedly were lower than they thought. So they needed to get more deaths.

And now that all that fraud is starting to be exposed, that new research is coming out, that the doctors are more and more getting brave and bold, coming out and talking about it, what's happening? Shoot! The criminals are starting to say, "*Oh damn! These people are getting uppity! They may come and get us. We'd better hurry up and let's start a war with Russia; let's start dropping NUKES!*" Lunatics! Of course we told everybody this would happen, right?

1/6: the day when micro & macro came together on the altar

Look what happened on the 1/6 event! It was the Boston Tea Party, but look what happened on that event! Look how much the world changed! Incredible! That was the DAY that the micro and macro came together, that was the day when the people of God and ALL of the patriots came together; that was the day when the Three Generation Kingship, and all the kings and queens of the Kingdom of God, CIG, came together on the micro, united with all the different denominations of Christianity and also patriots TOGETHER, upright in heart, mind, body and soul, standing up for what? GOD and the God-given natural rights!

Coming up onto the ALTAR, the largest altar in the world in COMPLETE unity, in COMPLETE unison, in COMPLETE prayer, in COMPLETE LOVE for humanity and God, your rights in God, and God Himself; singing, *"God bless America, Land that I love."* And we've all seen that! Hallelujah! Holy Ghost time! It was like the Boston Tea Party!

We had just seen the Democrats take and steal this country from the people, and the righteous people were there PEACEFULLY. Of course the people that were organizing with the FBI, CIA and that's coming out, Ray Epps, and all these FOOLS that are working with the departments, trying to lure people in and make them do this and that. But of course the majority of them 99.99% of the people were just there praying and singing songs.

Man! That was incredible! When I saw a video of that the other day; you saw all the flags. There was like a million people on the Washington Monument! It was such an amazing event! That was incredible historic event; it was incredible! And they make them get that extra toilet paper because THEY made some messes in their pants in DC; all of them, these crazy politicians, them servants were shaking under the tables because people were protesting peacefully- other than a few provocateurs of the FBI that lured people in.

But the point is: Think about that event, folks! It was like going up on the altar, all of one spirit like the Isaac generation, saying, *"Okay, Abraham, Father, you're telling all America and the righteous ones with the real hearts in America, to go on the altar and die for freedom; we'll do it!"* And that unity of love, that unity of standing up for the right thing, that unity of righteousness; that unity of saying, *"NO! Tyrants you're not going to steal this country! You're not going to steal our Republic; you're not going to steal what God has given to us!"* That unity of power, of love and of a sound mind! Whoa!

The world changed; that was the end of the satanic power. They realized that the people would not stay still if they went too far. They realized that they couldn't just enact totalitarianism here. They realized that there were patriots that would stand for this country that God has given us.

So from that place they've been on a witch hunt, they've been a manhunt; they've been trying to get EVERYBODY in prison. But it's falling apart. Now it's coming up that THEY had agents; they had people removing fences and trying to lure people in. All petty crimes! It was those government agencies that were engaged in FEDERAL CRIMES! Whoa!

More and more is coming out, like on Fox News, Tucker Carlson is exposing this in detail; Ray Epps and all those different guys with the guy with the mask up there, etc. He's been exposing everything, and the more this comes out, the weaker their lives become. And people who were against the 1/6 event because they're cowards and they wanted to throw all the different Republicans under the bus, and they wanted to distance themselves like Ted Cruz and all these kind of bozos, now they're saying, *"Wait a minute it may not be profitable for us to throw them under the bus, because all the evidence is coming out that it's the FBI that has done it. Oh, crash! We'd better hurry up and join the battle. Oh, no, no, we've got to protect these patriots like Tucker Carlson."*

Tucker Carlson is doing an amazing job! That man is a true patriot. He is standing up against this tyranny and he's doing a huge thing because he's so main stream. He comes out in the polo shirt; he's a preppy white kid you know up there, smart. But he's hilarious; he's so witty, sarcastic, and he's just up there doing his soliloquies, EXPOSING the Deep State and their lies, especially about 1/6. He's the only one who did it on the whole network there, and then now all of them are following because he was the leader. He was the path maker, he was the trailblazer; he was the one who risked himself to stand with the patriots and say, *"Wait, I'm not going to throw them under the bus, because it doesn't make any sense; it's not the facts."*

And when Senator Cruz says it was a terrorist event, he called Ted Cruz out on it. He said, *"You are LYING, senator! How was it a terrorist event when nobody was killed by it? And the only person that was killed, was KILLED by a federal cop: Ashley Babbitt, Lady Liberty. How can you call that a terrorist event?"* Oh, man!

That arrogant Cruz, that wishy-washy RINO, he said, *"Oh, it was poor word choice."*

Carlson said, *"I don't believe that. You are a constitutional lawyer; you know words really matter and you take your words very seriously. You said it on purpose and I think you're lying."* (Laugh)

He whipped that boy! He gave that boy a whopping as he deserves!

The point is: God tells us, folks, *"It is those who are in Christ who get the persecution."* Why? Because they're standing for the hard thing; they're standing for the gifts of God's liberty. They're trying to protect them for everybody; they're not trying to only protect themselves. They're trying to be *"Love God, love thy neighbor."* They're trying to protect human rights for everybody.

Those people want to TAKE human rights away, and increase their criminal power, increase authoritarianism, increase the government, increase centralized power for themselves. THEY will use that apparatus of the 666-Beast to KILL you and to destroy you, if you get in the way.

We must ABSOLUTELY NOT GO TO WAR WITH RUSSIA

But now their plans are unfolding, their plans are being confounded and now one year later after the 1/6 event, it's completely changed. Now the truth is coming out, and now they're trying to start a war with Russia to blow everything off, because they've just been caught red-handed big time. Fauci lied about the gain of function research, and now the NIH changed the definition of research. Now the

ADL (*Anti-defamation League*) is changing the definition of racism, saying, “*Only white people can be racist!*” ADL's now changed the definition. What a joke! This is an absolute WAR on reality, folk!

But people are waking up and that's why they're trying to now blow up the world, because they're getting caught in their tracks. We must ABSOLUTELY not go to WORLD WAR III. We HAVE to remain out of war, folks! This has got to be our fervent prayer. We've got to be praying hard! We've got ten more months, folks; ten months till the elections coming up on November 4th. We have to be praying fervently; we got to wake up people. We got to tell everybody, “*We cannot support a war with Russia! We cannot support World War III,*” especially with this usurpatious administration in there, that will let them come in through the UN and DESTROY America forever!

So we have to **PRAY FERVENTLY!** We've got to talk to all our friends. We've got to have barbecues together; we've got to go to the shooting range together. We've got to wake people up and we've got to also prepare and train for the worst case scenario too, which is that they may do force us into World War III and there would be utter chaos worldwide. We pray for the best but we prepare for the worst. That's what a wise man does. Amen! You don't pray for the best and prepare for the best. No! Because you won't do anything; you can just play video games and eat nacho cheese and GMO potato chips. No, pray for the best and prepare for the worst!

So, we have to PRAY for the patriots, we have to TALK, we have to evangelize, but we have to SHARE and let people KNOW: “*DON'T SUPPORT WORLD WAR III WITH RUSSIA! DON'T support a war with Putin!*”

Our real enemies within

They're not the ones that are trying to force transgenderism down your throat. Even though they're tyrants, there are greater tyrants here in America. They're trying to force transgenderism down your throats. Your kids can't even talk about male or female. They're trying to confuse and confound the children so they can't even understand that they're either a boy or a girl. They're the ones that are poisoning your kids with the LGBTQ stuff and the pedosexuality, and they're trying to lower the age of consent now to 10 years old in the UN! These are the lunatics that are trying to do this, folks! They're IN this COUNTRY; they're not in Russia. Are there enemies in Russia? Yes, but there are a lot of them here that are trying to do this. And look, every public school is trying to get your kids and your grandchildren and my grandchildren.

So we got to be PRAYING! We've got to be STRONG! We've got to be the defense line that God has put in place, the sword of truth and the shield of faith. We've got to be that defense line, because the next ten months will determine the fate of the next epoch in human history. If America falls in the next ten months and they get away with a stolen election and all those kinds of things, and they're able to start World War III, we're going to be in utter havoc worldwide.

They're going to have justification to come in and kill the people that they don't want to be active. They will have justification to SWAT- team patriots because they're against the war; they will have all the justification to do it.

That's why Trump should not have been a coward and he should not have been engaged in dereliction of duty. He should have STAYED in the White House because he even knew that it was a STOLEN election. And ALL the evidence was pointed out to that. He was winning in every contested state, and then in the morning he lost in every contested state? Give me a break! And then the videos came out: the water main bridge was supposedly cracking, and then the black box is coming up, and two thousands stuffed ballots ON VIDEO, across the country! Federal judges were not even going to be hearing the court cases, not even willing to hear!

Trump should have never stepped down and let these Commies take over. He should have been brave. He should have understood that this was not just politics and, *"oh, one time the Democrats win, one time the Republicans."* No! This is WAR, where they're trying to existentially ERADICATE America as a country! They're trying to destroy every value system that we hold here. These are not just people that are coming in to let you win the next time. NO! This is not tennis, where you give me the ball, I give you the ball; you give me the ball, I give you the ball. This is not tennis.

This is a serious conflict of ideological war and there are DANGEROUS assassins in those organizations that wanted to completely subvert America from within and that power structure was deeply challenged by Trump in office, so he had a massive platform. Was it a dangerous job? Of course and that's why the whole country was praying for him.

So we have to PRAY! He still is the most popular Republican so we got to pray for Trump too, but we got to pray: we have to stay OUT OF WAR, folks! Out of war! They're trying to start World War III; they're going to try to set up nukes like LUNATICS. They're trying to start an irreversible war with Russia! The CRAZY psychopaths! We must stay OUT OF IT! AT ALL COST, we must stay out of that craziness.

And we got to keep this Republic. We got 10 months, folks; 10 months! 10 months determine the fate of humanity! How crazy is that? It's insane; I know it's crazy to say that but it's true. They know that they're going to lose massively in November; they know that we're going to win in a landslide. They know it's going to be hard to cheat because EVERYBODY's going to watch it, but of course they got control of the digital universe, etc, so they're probably going to use that. But they know they can be getting into big trouble. They've played their cards too hard over the last two years. They've shut down the entire world, they've censored people; they've cut people out of Facebook and twitter for no other reason than to discriminate. They've shown their cards; they've exposed themselves for who they are. They're total and utter tyrants, they're lunatics, they're psychopaths; they're cowards. That's why they want to use their apparatus of state and now set off the detonation, set up a war with Russia. Are you crazy? You crazy lunatic leftists in Congress! We got to stay out of that, folks!

It's such a serious time, folks, but God is still with us. He's still on the throne and His people are ALIVE. There's a micro and a macro and if the micro is growing the macro is coming together. So there is great opportunity in this chaos; there's great LIGHT in the darkness. We're going to hold fast, and we've got to be strong. We've got to be prepared; we've got to be prayed up, prepared up, fellowshipped up, trained up and all those good things. And keep looking up, pressing towards God's Kingdom. Amen!

Pastor Sean's Prayer

Father, we thank You so much for this day. We thank You for John chapter 16- even though we've only reached a few verses.

There's so much POWER in the word and

*so much LIGHT that comes through the word,

*so much HOPE that comes to the word;

*so much LOVE that comes to the word!

And that love is the very reason that You've given the task for Your people on earth to protect the innocent from the wicked, to protect the innocent from the predators; to protect the sheep from the wolves. You've given that task to us.

And dear God, let us step up into that task! Let us not just be complacent, side bench-warmers that are just watching the game. No! but step onto the field, step into the ring, step into the coliseum, step into the animated contest of liberty that is the FIGHT for human rights given to us by You, God against Satanism. A tremendous field fight; a tremendous battle that is decided before our very eyes! And yes, it's hard, yes it's scary; yes our hearts are pounding, filled with trepidation and fear as we are entering that RING. But let us know that *"You have not given us a spirit of fear, but of love, of power and of a sound mind."* So that we would have PEACE even in the midst of the battle, we would have CLARITY even in the midst of chaos, we would be able to SEE in the midst of the scramble; we would be able to think and to decipher and to have discernment in the midst of that confoundment.

Dear God, America's going through so many things, and not only America but the WORLD! The world is at stake as we stand in this place today. Dear God, the next 10 months are going to be so UNBELIEVABLY important. We pray that the whole Body of Christ may stop sitting on the bench and start maning up, womaning up and start humaning up so that we start STANDING UP for Your principles, for Your rights that You have given to us and for those PRECIOUS GIFTS that we're supposed to pass down as RESPONSIBLE men and women to our children and grandchildren that You have given to us, dear God.

Let this be the epoch that determines humanity and the face of the trajectory of the future because it is. Let us realize the severity and the SERIOUSNESS of this time, but at the same time let us have joyful hearts in certitude that we are walking with You in the ultimate aim of establishing Your Kingdom ON EARTH, dear God. So even though we're doing a heavy task, our burden is light; even though we're doing a scary task, our yoke is easy, as You said in Your Word.

Father, we thank You for all the things that You're doing; how You are manifesting in the hearts and minds of men. You are appearing in dreams and visions to people. They're becoming awakened; they are waking up to the fact that they must be activated at this time. They must stand up for righteousness at this time; they must seek Your Kingdom at this time as Matthew 6:33 says, "*But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.*" All people are starting to realize at this time, and more and more people are trying to open their hearts to the Holy Spirit and Your moving, Your power that is pouring out from Heaven.

Dear God, we ask You that we would continue that momentum and that we would STAND with You, especially now as God's Day is arriving; that we will be able to celebrate You at this time, and even in the midst of the struggle we can still CELEBRATE and sing PRAISES to You, and You would lift our spirits up because we will know and be confident in the power of the relationship that holds us in the balance between the finite and the infinitude of eternity.

We are so grateful, dear God, because You are using each and every one here in many different ways as Your body; some as Your eyes, some as Your ears, some as Your hands, some as Your feet; but all together working for the glory of Your goodness, for the work and the purpose of Your heart's desire. And we ask that we would stand WITH that heart's desire, that we would be able to stand and repent of our sin and cast it aside in *kenosis* and emptiness of ourselves, and that we would stand with YOU, in POWER, in LOVE, in SOUNDNESS of MIND, in righteousness, in faithfulness, an assurity.

Dear God, let us have the strength to OVERCOME the darkness that is before us; the clouds and the storms which we are in. We pray for the nations that are suffering and the people who are dying under this tyranny that is spreading over the globe and it's only going to get worse; it may even escalate to war with Russia and World War III.

But we also know that no matter what happens "*YOU are the way, the truth and the life.*" YOU are the One that we must cling to. YOU are the One that will be the ONLY hope, the ONLY short path, the ONLY light at the end of the tunnel. And as long as we know that, as long as we hold fast, as long as we do not fear the trappings of this world or DEATH or persecution or scoffing or mocking and even life ITSELF being lost. No! We transcend that with what? The power of LOVE!

And we thank You for Your GRACE and we thank You for being saved from our sin. We thank You for giving us the power to repent and to come back to You and to unite with You once again, and to stand with You in Your holy work providence and dispensation, so we can stand and witness and view the coming Kingdom that is at hand!

Dear God, we are so grateful that we are called to be kings and priests, queens and evangelists in Your Kingdom. We are so grateful that even though we didn't earn it, we didn't have to press You for it. No, You CALLED us into that. We pray that we would be the best husbands, we would be the best wives, we would be the best kings, we would be the best priests, we would be the best queens and evangelists for our families, and spreading out to the neighborhoods and then to the local, to the national, to the

world. And that in this time of social media where things can SPREAD like wildfire, hearts and minds can be set ABLAZE by **the animated contest** of liberty and the **animated contest** of goodness versus evil.

So we ask dear God, that You would bring us into that **heroic quest**, that You would strengthen and EMBOLDEN our cowardness, so that it would come into courage and unite with Your power and Your mercy, but yet that with Your judgment that is good and brings separation between good and evil, that we would stand against evil as the good.

Dear God, we are standing with You today; we are standing with all the patriots today. We pray for President Trump, we pray for all the people that You are using; we pray for all the patriots today. We pray for ALL the people around the world that are yearning for liberty, that are yearning to protect human rights; that all those cries that are being called out of the night in the midnight hour, let them be heard, dear God.

And as we press forward, let us not be dismayed and let us not fall into weakness, but let us RIDE with You through the courage and the power of Your goodness and Your love, to be a good protector for all humanity, to love God and to love our neighbor, to be a good king and priest, and a Peace Police man and a woman that would stand up for our children, grandchildren and posterity.

Father God, we thank You so much for this day. We thank You for the word that You gave us. Once again we want to give You ALL the glory, with all the kingship lines that are here together with the Three- Generation Kingship and Your Kingdom of God from the micro to the macro. We give You the praise, glory and honor; in Your precious name. Amen! Amen! Aju!

All right folks, let's all rise and give God some praise! Hallelujah! Praise God!
