

## America, House Of Prayer Vs Den Of Thieves

*And when he drew near and saw the city, he wept over it, saying, "Would that you, even you, had known on this day the things that make for peace! But now they are hidden from your eyes. For the days will come upon you, when your enemies will set up a barricade around you and surround you and hem you in on every side and tear you down to the ground, you and your children within you. And they will not leave one stone upon another in you, because you did not know the time of your visitation." And he entered the temple and began*

*to drive out those who sold, saying to them, "It is written, 'My house shall be a house of prayer,' but you have made it a den of robbers." And he was teaching daily in the temple. The chief priests and the scribes and the principal men of the people were seeking to destroy him, Luke 19:41-47*

*Sometimes we see people outside protesting against us. Have you ever thought of the water demonstrating, saying, "I belong to God and the universe; I don't want to go into the body of this self-centered, egoistic individual. I protest! I'm not going!" Do you think water has sufficient reason to protest against evil people? How about grains of wheat, sunshine, and air? Do they have cause to demonstrate? SMM, Way of Tradition vol. III, p. 416*

Hello,

After singing the National Anthem (Blessing of Glory), Regis Hanna gave a moving offering prayer.

Gregg Noll gave an appeal to invest in Chung Pyung as the new beginning for God's providence and America.

Annastasia Theodoropolous spoke about the local efforts to support the Truckers Freedom Convoy, now 60,000 trucks in MD. Donations for the truckers were gathered at Tommy Gun Warehouse followed by a rally on an I-84 overpass to encourage the truckers.

Hyung Jin Nim spoke a remote broadcast in Tennessee about the persecution of patriots demonstrating for election integrity on Jan. 6. Our good friend, Frank Scavo, president of the [Coalition for Election Integrity](#), is in prison for peacefully demonstrating at the U.S. Capitol.

[Dr. Frank Malone warns that the mRNA Covid 19 vaccine](#) and boosters lead the body to create spike proteins leading to auto-immune disorders.

The Deep State focuses on threat of Russia, distracting from the threat of China. Glenn Beck revealed that Newsmax and Fox News received funds to promote the vaccine. We've seen unprecedented government interference with freedom of speech and of the press.

[Sanctuary Service 3/6/2022](#)

During Jesus' time the pharisees and Sadducees were collaborating with Roman government to keep the population under control. Margaret Sanger, the founder of Planned Parenthood spoke about targeting the black community by working through the pastors. Government education seeks to indoctrinate children in anti-Christian values and to train them to blindly accept and comply.

We've seen the collusion of media, government, corporations, etc. to intimidate citizens, but there is a remnant in America that still loves freedom and wants to uphold Godly values. It's natural to shed tears but that is not enough.

The American government should be a "house of prayer" not a center of collusion with corrupt interests, corporations and nations. God is greater than all their plans. In this time of crisis God is waking people up and gathering patriots. It is not an easy, but it is a righteous road. If we pursue God's purpose, He will guide us. Fear not the one who can kill the body, but fear the one who can take you to hell.

### Save America and Guard the World Campaign

We need to continue the legal battles with the oppressors who wish to silent the King from fulfilling his mission as True Father's heir & successor.

In addition, the King has announced that since the January 6th event at the Capital that it's the time for explosive growth for God's Kingdom. To support this effort, a new fundraising effort to raise \$8 million dollars to Save America and Guard the World is now launched: May 23, 2021 to October 14, 2023.

America is in crisis ... fighting for her life at the hands of political satanism / communism. Now is the time to preach the Gospel & the Rod of Iron Kingdom message. To this end, the King wants to establish 5 properties throughout the United States: PA, TX, FL, TN and UT.... please view the presentation given on May 23rd regarding the campaign. [Click here](#).
