I will sing of the steadfast love of the Lord, forever; with my mouth I will make known your faithfulness to all generations. For I said, "Steadfast love will be built up forever; in the heavens you will establish your faithfulness." You have said, "I have made a covenant with my chosen one; I have sworn to David my servant: 'I will establish your offspring forever, and build your throne for all generations.'" Psalm 89:1-4

Those who have faith in religion just for their own benefit will abandon God after they receive blessings. That is because receiving blessings is their goal. After a while, they will fall away. You must pray from the viewpoint that seeks to find what God desires. Then we must pray to God to bestow blessings upon the whole world. SMM, CSG 1036

Hello,

Despite Saturday's snow storm in NE Pennsylvania, we gathered for Sunday worship at the Sanctuary Church in Newfoundland, led by Assistant Pastor Kyle Toffey.

In his broadcast from Tennessee, Hyung Jin Nim praised the new couples who announced their coming blessings. They are fulfilling God's commandments to practice love and respect through a blessed marriage. With the leadership of the Father, the family becomes a holy "swat team" to reject Satan and honor God.

Psalm 89 speaks of David having to flee his enemies despite his anointing by God. Similarly, our nation is under attack despite its anointing. Talk of Covid 19 and Fauci have vanished, but the emergency powers taken by governments remain.

Efforts to remove the U.S. dollar as the central currency will damage the middle class. That is one of the reasons why True Father taught us that we must think as Kings and Priests. Kings own assets, land, gold, and networks, not just paper money. Kings also have the ability to defend their kingdom, marriage and family.

The fallen culture teaches hedonistic beliefs, saying "just use porn and have uncommitted sex!" But research shows married people have [better health](#), [more sex](#), more wealth, etc.

It's better to get married early, so intimacy takes place only in the context of marriage. Younger parents can invest time and energy in their children with one-on-one time with your children. Each can share what they are grateful for.

Be a Godly example so children will find it easier to also relate to their Creator. The materialistic culture seeks to destroy faith in God through indoctrination in naturalism, Darwinian evolution, etc.

Globalists have been stoking for a war with Russia. Why was U.S. involved with level 3 bioweapons labs in the Ukraine?

China is preparing for war. A New York Times reporter admitted to an undercover reporter working with Project Veritas that there were false flag operations and FBI provocateurs at the U.S. Capitol on January 6, 2021. Now the U.S. is banning Russia Today broadcasts. They called Trump a Russian agent. They will do the same to those who question their agenda.

Our situation is similar to how David felt when his enemies were closing in. We must be prepared. As they see the world falling apart there will be a tremendous harvest of people coming back to God. David was training to fight off lions and bears, so that he was ready to be used by God.

We must have the same warrior mindset. Developing a close relationship with children centered on God is striking against Satan. Let us forgive those who are waking up and coming back to True Father's leadership and guidance. God has called us for this hour. We may not feel qualified, but He placed us here for a reason. Let us empower and encourage each other.

May God bless you and your families!

Sincerely,

Richard
