

## Pastor HJ Sean Moon

### Save America, Guard the World

April 10, 2022

Hello to Queen Anastasia and Queen Kerry and all of you folks, kings and priests in God's name! Thank you for holding out in PA. It's so important to get people and churches activated on the local level to start taking back this country from political Satanism which is really destroying this country. Shout out to all the folks out there!

We're ironing out our passports' situations, getting them renewed so we'll be going to Japan and to Korea. We'll be visiting the home church but also, hopefully meeting with the new incoming presidency and advise him that it's absolutely critical that Korea, and of course Japan as well, start accepting and making the Second Amendment a reality in their own countries, because it's not only about having the right to own pistols and have the right to defend yourself. No, it creates an entire culture that is different. It reverses the role of dominion; it puts the government in the position of the servant, not in the position of the master. That is so critical in the Kingdom and of course it's critical for nations to abide by those divine principles and to follow that exactly.

So, please pray for us on that trip; that's a very important mission trip to Korea and to Japan. They have a more conservative republican president coming in; he will be inaugurated in May. So we pray for South Korea to remain strong at this time when China is eyeing out Taiwan, and hopes are grim. So please pray for us as we head over in that direction for brief visits et cetera. We might be quarantined; we might be in prison in the government hotels in quarantine, because they still have crazy Covid quarantine things there. It's just so ridiculous, but anyway it is what it is.

Let's go to our Word today. We are in 1 Samuel chapter 28, and let's start with verse 3.

### **1 Samuel Chapter 28: 3-25**

*3 Now Samuel was dead, and all Israel had lamented him, and buried him in Ramah, even in his own city. And Saul had put away those that had familiar spirits, and the wizards, out of the land.*

Okay. Saul here is the king and Samuel's the prophet. Now the prophet has died and there's been a whole episode with Saul. Saul was supposed to of course do God's will; he was supposed to destroy the Philistines and not allow their top leadership to live, and Samuel asks for a tremendous chastisement of Saul. Saul was jealous of David; David going after Goliath and eventually becoming a military leader. Saul would kill a thousand but David would kill ten thousands. So Saul was filled with jealousy. Samuel was the prophet at the time and Samuel is now dead.

And look what happened?

### **Philistines Gather against Israel**

*And Saul had put away those that had familiar spirits, and the wizards, out of the land.*

In the Bible you have passages where God says, "Do not practice necromancy!" Do not go to these mediums or go into spiritism and things like that! God says, "*It's an abomination.*" "*Abomination*: same language that He used for homosexuality. "*It's an abomination.*" God does not like that.

So Saul kicks out these wizards; he kicks out these mediums and those who deal with spirits out of the land.

*4 And the Philistines gathered themselves together, and came and pitched in Shunem: and Saul gathered all Israel together, and they pitched in Gilboa.*

*5 And when Saul saw the host of the Philistines, he was afraid, and his heart greatly trembled.*

*6 And when Saul enquired of the LORD, Saul is enquiring of the Lord, and "the LORD answered him not, neither by dreams, nor by Urim" - by this "yes" or "no"; this is the white and black ball that they would use - "nor by prophets."* So, not by the high priest, not by the prophets; God is not answering Saul.

Now it's interesting: Saul committed all sorts of sins before God. He turned his back on God and he started hating the one that God anointed, David. He's turned his back on God, yet when things got bad and the Philistines were now coming over the hill, and he was saying, "*Oh, shmita! Now they're coming to kill me,*" now, all of a sudden he wanted to pray. Now he said, "*Lord, Lord, I need you!*" This is the problem.

In the Bible they talk about the word "sin" as "missing the mark." So, sin and the whole issue of sin are tied with marksmanship. It was tied with archery in the ancient time whereas in the modern time firearms are the same thing; with projectiles you're dealing with marksmanship. You're missing the mark; what you're trying to hit, you're not hitting.

And it's interesting: when you're training and you get your Rod of Iron training, you get your sight aperture, the front sight, back sight, rear sight, and you've got to line up the front sight with the rear sight. You have the three, you have the Father, Son, Holy Spirit; you've got to line them all up, and they're going to guide that projectile to hit that mark.

But the point is: marksmanship is in the arena of this battle because we're trying to shoot something, we're trying to hit something, we're trying to hit where God wants us to hit; we're trying to build God's Kingdom etc. But we're missing that mark; we're missing where God wants us to hit.

Saul is in the same boat he is missing the mark in a massive fashion, because God has now moved the mantle to David, a shepherd boy whom they never thought would be able to rule. Of course David starts rising and Saul is focusing on him as his enemy; the person that GOD appointed, Saul is seeing him as the ENEMY! Whereas he should have been focused on the Philistines, he should have been focused on the Amalekites; he should have been focused on the REAL enemies.

See, that's a very important principle, isn't it? We see this on the micro. We saw this with the Han mother. She started to focus on her own SON that Father gave the mantle of heir-ship to; she started seeing US as the enemy, and of course that's why she started removing us from boards etc. Of course that's a terrible tragic story but again free will is involved so nobody can force anybody to do anything; all we could do was pray for her and try to beg her.

But you can see that dynamic: God had chosen David and now Saul was jealous. That jealous rage, we also encountered something like that, myself and Kook-jin *hyung* (elder brother) whom Father anointed as Cain and Abel in the family so we could bring unity and be standing and defending Father. Of course the Han mother doing this, that's why so many people in the Korean church are suffering so greatly and of course in Japanese church as well. So we really want to go pray with them.

God is preparing a tremendous harvest because people are realizing the things that we were saying. We were not crazy, saying, *"We cannot go along with this; we cannot support this. This is not of God; it's not of our tradition and it's not of Father."* Of course they didn't believe us at the time, but within a short course of ten years, history has shown that you don't declare yourself as God; you don't declare the only begotten daughter as the savior of Jesus! These kinds of things are not negotiable. These are clearly terrible, terrible, TERRIBLE heresies and terrible, terrible things, which of course will not bring only damnation but will bring curse. And we see that on the macro cosmic level with the WORLDWIDE curse and the world wars that are now looming on the horizon.

So, this is the problem. God had anointed David, but Saul is now seeing him as the enemy, trying to kill him, and in the meantime the real enemies, the Philistines are coming up. Now, look what Saul does as this is all happening! Let's take a look in verse 7!

### **Saul and the Medium of Endor**

*7 Then said Saul unto his servants, Seek me a woman that hath a familiar spirit*

Oh, Lord, have mercy! What does that mean *"a familiar spirit?"* A familiar spirit means: she is a medium, she is a ventriloquist. The Bible refers to mediums as ventriloquists; they're puppets. They're using these spirits or demons and they're trying to puppet; they're puppeteering. So, they refer to them as like weather orbs or ventriloquists. He's saying this, and then look at what he does.

*Seek me a woman that hath a familiar spirit, that I may go to her, and enquire of her.*

Over what? God is not answering him because he's disobeying God; he's not supporting David whom he should be supporting because God has anointed him. Samuel has made that clear. But he's not doing that; he wants to HOLD on to POWER! He's greedy for power, he's greedy for the material wealth of the nation and he wants to hold on that. And so God won't answer him.

*6 And when Saul enquired of the LORD, the LORD answered him not, neither by dreams, nor by Urim, -that's the black and white balls in the breastplate of the high priest - nor by prophets.*

He wasn't getting an answer or a word from God, and now he starts seeking the very people, the Satanists that he kicked out; he now is seeking them for guidance. Are you kidding me, folks? That's like if we were able to somehow get America back and put all these criminals like Obama and Hillary and all these mass murderers and criminals into PRISON, and then some calamity is happening and we are going to THEM to ask for advice. Are you kidding me? That is UNBELIEVABLE, folks! Unbelievable!

But that's exactly what Saul's doing. He's now seeking the very mediums that HE was commanded to chase out. In fact the Bible said, "*You have to stone them*"; those people have to be stoned actually. Again, he didn't listen to God's word; he just kicked them out. So they were able to hang out and then he was able to come to them in this chapter; which of course is infuriating to God.

*And his servants said to him, Behold, there is a woman that hath a familiar spirit at Endor.*

So they knew about these witches that were channeling demons and spirits; they knew about this, "*Oh yeah, we know the lady. She's in Endor. Let's go there!*"

*8 And Saul disguised himself, and put on other raiment, and he went, and two men with him, and they came to the woman by night: and he said, I pray thee, divine unto me by the familiar spirit, and bring me him up, whom I shall name unto thee.*

*9 And the woman said unto him, Behold, thou knowest what Saul hath done, how he hath cut off those that have familiar spirits, and the wizards, out of the land:*

She's saying, "*No, I can't start channeling for you because it's now a crime; King Saul has made it illegal. So if I do that I will be killed, I will be SWAT- teamed so I can't do this.*" Are you with me, folks?

*Wherefore then layest thou a snare for my life, to cause me to die?*

She's saying: "*You're trying to set me up. You know this is illegal. You're coming in here trying to tell me to do this, but it's illegal right now, so you're trying to set a snare for me.*"

*10 And Saul sware to her by the LORD, saying, As the LORD liveth, there shall no punishment happen to thee for this thing.*

*11 Then said the woman, Whom shall I bring up unto thee? And he said, Bring me up Samuel.*

12 And when the woman saw Samuel, she cried with a loud voice: and the woman spake to Saul, saying, Why hast thou deceived me? for thou art Saul.

13 And the king said unto her, Be not afraid: for what sawest thou? And the woman said unto Saul, I saw gods ascending out of the earth.

14 And he said unto her, What form is he of? And she said, An old man cometh up; and he is covered with a mantle. And Saul perceived that it was Samuel, and he stooped with his face to the ground, and bowed himself.

15 And Samuel said to Saul, Why hast thou disquieted me, to bring me up? And Saul answered, I am sore distressed; for the Philistines make war against me, and God is departed from me, and answereth me no more, neither by prophets, nor by dreams: therefore I have called thee, that thou mayest make known unto me what I shall do.

16 Then said Samuel, Wherefore then dost thou ask of me, seeing the LORD is departed from thee, and is become thine enemy?

17 And the LORD hath done to him, as he spake by me: for the LORD hath rent the kingdom out of thine hand, and given it to thy neighbour, even to David:

18 Because thou obeyedst not the voice of the LORD, nor executedst his fierce wrath upon Amalek, therefore hath the LORD done this thing unto thee this day.

19 Moreover the LORD will also deliver Israel with thee into the hand of the Philistines: and to morrow shalt thou and thy sons be with me: - that means dead- the LORD also shall deliver the host of Israel into the hand of the Philistines.

20 Then Saul fell straightway all along on the earth, and was sore afraid, because of the words of Samuel: and there was no strength in him; for he had eaten no bread all the day, nor all the night.

21 And the woman came unto Saul, and saw that he was sore troubled, and said unto him, Behold, thine handmaid hath obeyed thy voice, and I have put my life in my hand, and have hearkened unto thy words which thou spakest unto me.

22 Now therefore, I pray thee, hearken thou also unto the voice of thine handmaid, and let me set a morsel of bread before thee; and eat, that thou mayest have strength, when thou goest on thy way.

23 But he refused, and said, I will not eat. But his servants, together with the woman, compelled him; and he hearkened unto their voice. So he arose from the earth, and sat upon the bed.

24 And the woman had a fat calf in the house; and she hasted, and killed it, and took flour, and kneaded it, and did bake unleavened bread thereof:

25 And she brought it before Saul, and before his servants; and they did eat. Then they rose up, and went away that night

Okay folks, such an incredible thing. Look at what Saul had become! He KNEW! He knew what he had to do; he didn't have to go to the medium, he didn't have to go to that crazy lady. She could have been channeling a demon; she could have been channeling something totally different than Samuel.

Why? Because mediums are charlatans; mediums are ventriloquists. That's how the Bible refers to them. She's probably channeling a demon and just telling him whatever he knows.

But Saul already knows. He didn't need to go here. He already knows what he's supposed to do. He's supposed to support David, and allow David to become what God wants him to become, and not have this entire battle with Saul. Of course again there is free will and because of free will Saul has to make the right decision. As the central figure he has to make that decision which will IMPACT the providence and will impact the way history flows, and we know that history many times is changed by very important decisions made by nations and by the leaders of those nations.

That's why it's so critical in the modern day that we make the CORRECT decisions at this critical time.

Saul didn't have to go to the mediums that he already executed and kicked out of the kingdom of Israel, but he did. That's how much he was broken down on his faith; that's how much – as the Bible says - he became an enemy of God.

He didn't realize, *"Hey, maybe I should repent- metanoia, change my mind. Maybe I should say sorry to God; when God is silent maybe I should say SORRY! Maybe, if God is silent there's a reason why He's silent. Maybe I'm supposed to say 'God I'm sorry for what I've done; I repent of those things. I'm going to turn away. Now I want to have knowledge and discernment from You."* He could have done that but he didn't. He sought the MEDIUMS who at the time were bringing down the civilization, and whom of course God gravely warned against.

Now look at this; it's incredible. You have the Han mother on the microcosm, she was into mediums! She got so heavy into mediums! Now look at the macrocosm! Look at the leader that they were trying to put as the leader of the entire world, Hillary Clinton: that woman was in Haiti doing séances with MEDIUMS! Do you see what I'm saying, folks? It's that same spirit of Satan and it's particularly attacking women; it's particularly attacking these women who have power and have come to power either by stealing it or criminally, or whatever the case may be. They get INFECTED with mediums. They get infected with, *"Oh, I'm going to communicate with the dead."* They don't think, *"Hey, maybe I should be talking to the HIGHEST authority in the entire spiritual realm,"* who is none of these spirits but it's God! Amen! It's God! They should be praying to God! But at times, God tells us things we don't want to hear! We don't want to hear it, we don't want to repent; we don't want to turn away from the sin. We want to continue on etc.

And that's a problem. We see it on the microcosm with the Han mother and what she did to True Father, what she did to the Scripture, what she did to Jesus. And of course you see that on the macrocosm with Hillary, the hoe that they were trying to put as the face representative at the top of the entire global cabal. Why? Because she hangs out with people like Epstein and she hangs out with pedophiles like the French guy Brunel, and she hangs out with people like Marina Abramovic who does open Luciferian rituals and spews blood and menstrual blood on the wall calling that art, and carves pentagrams into a stomach. These people are crazy folks, they're totally insane!

They're the same people that want to continue to kill children in the abortion genocide mills. A couple of weeks ago there was a big scandal: five dead bodies of healthy babies were found in that medical facility; a genocide in DC. The pictures are now circulated online, and you can see that those are children, folks. 100 %! 100%, those are children. They were in a bucket, they were called biological waste, and the company that was found picking them up and processing that waste was what? It's a company that processes biological waste to be made into energy and actually funds and supports the production of electricity to Detroit. It's so UNBELIEVABLE that the dead bodies of CHILDREN are being used, processed as "biological waste" and incinerated, and that energy is being used on our streets! UNREAL! Folks, it's unbelievable that this kind of thing is happening!

This has been a long-standing venture of *Project Veritas*. God bless them! There has been a massive expose on Planned Parenthood; we showed it to you all in church two years ago. The whole video is so graphic but people have to see it because then they realize the wickedness. Christians have become so weak that we don't want to see the reality; we want to cover our face and hide. But the more we do that the more Satan is able to enact those things in the dark and that's why in order to be able to see in the dark Christ is described as a *"lamp onto our feet and a light onto our path."* That ability to see in the darkness, Satan knows it is a strategic advantage.

### **The Good-Bad people & the Bad-Bad people**

Folks, I had an incredible interview this week and it's going to be showing on Tuesday with Christopher J. Thompson. We've been friends online for a while and he will be coming to the Freedom Festival in PA. He's going to be doing training on Monday after the festival; kind of a Red Dawn scenario, training with all sorts of stuff. We're going to be training with him. He just got out in 2018; he was deployed ten times. Ten times! That's a lot of deployments to some of the hardest places on earth! And of course a tremendous patriot; he's been through so much, so you got to check out that interview.

He talked about something so important and I'll just give a brief synopsis at this point. He said in the world he faced as a Green Beret, he had to identify the GOOD-bad people from the BAD-bad people. In order to make ways and to defeat the enemy, he had to define the enemy, the bad-bad people, and he had to define the good-bad people that were enemies with the bad-bad people. For example we were allies with Al Qaeda against the Russians, and then later on they turned on us and they became the enemy. So at the time they were the good-bad guys but then they became the bad-bad guys, and he was saying that's always the case with these types of demonic forces. You have to work with a good-bad guy so-to-speak to get rid of the bad-bad guys and hunt them down and find them. But at the same time you have to also MONITOR these good-bad guys because once they have the power they will start becoming bad-bad guys and they will start doing sabotage on you.

### **We cleaned up corruption in the church**

I remember it was just like this when we were restructuring the church. Father had called us; he had made me the international president, and put Kook Jin Nim in charge of the business. Justin was

restructuring all the Korean and Japanese businesses and we were restructuring the church. Through all the different things that had been happening even on the church side, the ministerial class had become very corrupt. Father was allowing us to clean this up; he was actually telling us to clean it up. Because he was not a micromanager he allowed the organizations to grow and he focused his sight on God, but he wanted his sons to battle this.

I remember going in there. Oh my Gosh! It was like a den of bureaucrats! All these bureaucrats everywhere! The ministers were saying that they were tithing to the church; the ministers were saying to the brothers and sisters, *"You all have to tithe,"* but they were not tithing. They're paying their 10% "tithe" into their health insurance. That's NOT a TITHE! Everybody else was paying their health insurance, life insurance, car insurance and then tithing, but the ministerial class was saying, *"We are tithing."* No, no, no, they were not tithing! They were putting it into a health insurance account; that is NOT a tithe! There were all these kinds of things that we had to expose and we had to fight against, that's why we were hated by these archangel ministers. They hated us because we were bringing this out in the open and saying, *"NO! No more! We're not going to do this!"*

You know members in THIS church, you all have freedom; you guys you can move between here and there, wherever you want to move. Father never wanted a centralized church like that, where command and control is dictating what church you have to go to, and this kind of thing. It was the pettiness of the ministerial class that started building that kind of thing, and over time it became SO WICKED, and we had to fight against that.

I remember going in there and we had to decipher: *"Okay, a lot of these guys that are involved in this organization maybe they're the bad-bad guys, but then who are the good-bad guys who will help us, so that we can start auditing the churches and we can start putting up all the financials online openly? Who will support us in this?"* We had to decipher between who were the good-bad guys and who were the bad-bad guys.

I remember the first time we had members electing their regional directors; that was the first time in the church history that it ever happened. Why did we do that? We wanted PEOPLE to be able to vote because they knew these people; they knew them much better than command and control since they were on the ground with these ministers, with these people and they could see them up close. They knew their family etc. We were putting those systems in place so that the ministers would be held accountable, and of course they didn't like that. They were very angry at that and they saw us as an existential enemy. That's why of course they colluded with the Han mother to get rid of us.

### **President Trump, Russia and China**

The point is: evil works in such a crazy way. There are times when in order to fight the larger evil you have to at least decide that you're going to work with a good-bad guy. For example Trump decided he was going to ally with Putin a good-bad guy. Still a bad guy; still killed many people being groomed in the KGB and probably has orchestrated many, many assassinations and murders. I'm not saying he's a good guy, but he's a good-bad guy. And Trump was allied with him so we could target the bad-

bad guy who is Xi Jinping in China. Then, if we were able to weaken China, then Russia who was a good-bad guy could be aided, so it could help support America and the West become free again and not become Communist.

Whereas now since President Trump stood down and a usurpatious administration came in, now you see the opposite! You see the good-bad guy is now allied with the bad-bad guy Xi Jinping and now there is an escalating crisis. Not only do we have the war in Ukraine, and not only are more heavy equipment and weaponry being pushed into Lithuania and Poland by NATO and the US - all that is happening now and so it's escalating. But at the same time Russia is now saying that people will have to buy their oil in rubles, which will be doing what? Pulling people off the dollar!

Pulling people off the dollar! We've been talking about it for 10 years! Pulling people off the dollar: nations trading off the dollar! What does that do, folks? It potentially will CRASH the dollar and have DEVASTATING effects on Americans. What you could sell for \$100, you now can only get \$34 for it. The power of that dollar can potentially COLLAPSE, especially with quantitative easing and now we're on quantitative eight, I believe. It's endless kicking the can down the road. The more this escalates and it is, the more and the more now they trade in rubles and the more they're trading in yuans, the more the dollar will start crashing folks, and that is a TERRIBLE, terrible thing, terrible thing!

But the point is: that was what Trump was trying to stop. Trump was trying to protect America and protect the free world- even if he wasn't perfect and God knows he was not perfect and he had a lot of flaws. But he could identify properly that, *"Hey, it's better for us to ally with Putin than with Xi Jinping and China."* Why? Because the Chinese system which all these evil elites are trying to push is WAY more dangerous! They're trying to push the Xi Jinping system. They're trying to put facial recognition programs in Walmart; they're doing it in Canada already. They're trying to push social credit scores and digital currency; the Federal Reserve has announced it and they're going to be doing it. Folks, they're already pushing us to become like China.

Russia is not perfect, obviously. They've committed a lot of atrocities; there are a lot of bad people in the elites. The Russian people mostly are innocent, just like Ukrainian people; normal people are innocent. But Russia for example does not let George Soros into the country. Russia put sanctions on Clinton. These are all criminals; these are the people who are destroying OUR country!

They put sanctions on the LGBT and transgender propaganda. They don't let their teachers teach their students that at five years old they can take puberty blockers and at five years old they can determine their sex without their parents being involved. Their teachers cannot go behind the parents' back and talk to their kids about sex and groom them as Disney wants, and put them on chemical hormones that will permanently affect their bodies. There are new studies that come out of Britain conducted by one part of the government there - they have a little more freedom in the medical field. The studies that came out are showing that after one year of puberty blockers, kids suffered MASSIVE depression;

a massive amount of kids who are on those puberty blockers are suffering from massive levels of depression. Folks, it is not normal.

And of course these teachers here are trying to make these kids believe that they can be God and change reality and change the laws of nature and BE the God of the universe and determine their sex. NO! God is the one who CALLS us to either be a male or female! GOD is the one! We don't get that choice. God chooses us; our first calling is whether you are a male or female. That is your first calling. That is chosen by God! It's not chosen by anybody's whim or anybody's will; it's chosen by the Creator.

If we are born a man we are called to be a man in the image of Christ and to be that strong protector for the family and for civilization. If we're born as a woman, we're called to be a woman and to support and protect the authority of the family and the husband and protect civilization that way as well. We're BOTH called to be male or female; it's our first calling. It's not something we can determine or we can change and manipulate because we think we're God. No! That's how civilization is destroyed, folks.

Do you think China and Russia are teaching that LGBTQ stuff to their children or in their military? How much of a JOKE are we!

Oh my Gosh! I saw a meme: they had the drill sergeant up on top and he was like, *"Give me your war face!"* and then you had General Milley with lipstick on and eye shadow. That's his war face! What do you think the enemy is going to be doing folks, when we got GROWN MEN in the military that are being encouraged to say, *"Okay, wear your high heels and walk around, and get your sex reassignment therapy and your surgeries that the taxpayers are going to pay for."*

What do you think China and Russia are doing? They're creating KILLERS! They're creating KILLERS that are not obsessed with this kind of gender dysphoria and things like that. They are obsessed about destroying America and destroying freedom worldwide; they're obsessed about it and they're creating robotic killers in their military. Both China and Russia, now they're allied together and they're pointing that massive potentiality at us, folks! Meanwhile we can't figure out whether we're a boy or a girl, and the Supreme Court is now going to have a woman who can't even *"define a woman because she's not a biologist!"* Folks, this is so crazy! What kind of incredible twilight zone we are living in! Folks, it's UNBELIEVABLE!

### **Getting right with God**

The point is: in that time of crisis we shouldn't be running to mediums and shouldn't be running to this or that. NO! We should be talking with GOD, folks! America should not be running, *"Oh, let's solve it! Oh my Gosh! Okay, what are we going to do? We need help from the EU; we need help from the UN!"* The UN just did the whole thing! The WHO just engineered the two-year scam where they wrecked every economy on the planet and they almost crashed the dollar. They just killed six million people; these are not the people that you run to for HELP! They are proven time and again to want to DESTROY this country.

NO! Instead that's what it means "getting right with God" as a country; it means stop putting our faith in these organizations. As King Theo and Queen Anastasia are doing, getting right with God, and people who are right with God saying, *"Enough is enough! We're going to start taking the positions of government; not because we want power, not because we want to bolster ourselves. No, but because you people want to kill children, because you people want to groom them like Disney and you want to hypersexualize the kids, and you want to talk about LGBTQ which is of course hidden shield for P "pedos". That's what you want to push on our kids and you want us to pay for it too. And if we don't go on with it, you want to call it discriminatory; you want to call us this and that and you want Biden's Department of Justice to come after us! YOU people are the ones that are destroying the country and MURDERING it from within! You're literally after the kids, literally after the children!"*

At the time of Elijah and Elisha what happened when they were up on the altar and they had to have that contest with the priest of Baal? Even with the water saturating all the wood, God totally put that altar on fire so that He would be proven to be greater than Baal. What happened after that? Elijah and the people didn't have to only IMPRISON the priest of Baal, folks. No! Because the priests of Baal were killing the children; they were sex- trafficking children, they were hypersexualizing children and they were pedos. So they were NOT just to imprison them; they had to give them CAPITAL punishment, capital punishment!

Just like three thousand had to be killed after Moses went on Mt Sinai and the people turned to the Golden Calf and had sex orgies outside! Moses had to come down and the Levites and the priests had to KILL, give capital punishment to those people who were doing that, folks!

What is America going to do if we don't control those Justices and we just have leniency? If we have Supreme Court Justices giving leniency to people convicted of child porn and convicted of trying to go after the kids, which Jackson has a record of doing? What are we becoming, folks? We are no longer standing up for values, no longer standing up for the kids who are our children and our grandchildren; which means that we're not even standing for ourselves anymore, and which means that as a civilization we are doomed and we DESERVE to be destroyed!

So what does it mean to get right with God?

It means ALIGNING our civilization back up to God,

It means ALIGNING our culture back with God;

It means we need to stop trying to please the Left.

And people of faith and people who are believers have to become brave again, and have to become godly and strong again; not that we're self-righteous or anything like that. But

We stand for the right values,

We stand and try to protect kids who are being killed;

We stand against the bullying of the LGBT who try to hypersexualize kids to become gay, and try to proselytize and evangelize them using that satanic network and lots of money from Soros and from all those evil wicked people, who try to recruit our children into those demonic lifestyles and wreck our families.

We have to STAND against that, folks, because in the end if the parents won't stand up against it, NOBODY's going to do it for us; we have to do it. That's the responsibility God gives to us when we have a relationship with Him. We have to what? *"Resist evil and Satan will flee."* He didn't say, *"Give in to evil, be nice to it; just tolerate it or just be quiet and look the other way."* NO! He said, *"RESIST it! You've got to RESIST this! You have to stand up against unrighteousness; you have to CONFRONT it!"* That confrontation is critical in pushing back the tide.

### **Realigning ourselves with God**

And that's what can potentially happen with the midterms coming up, as long as they don't start World War III before, and we can get to the midterms, God willing. We can start pushing back the tide, and start putting in real people like Tony Callahan in North Carolina, and also Mark Robinson, the incredible Lieutenant Governor down there in North Carolina. Folks like that can start pushing back and start taking back control from these criminals. They have usurped this country, folks!

So there's so much we got to do, but we can see clearly that in the time of crisis it's not the time to start saying, *"Oh, God has remained silent with me; God has not given an answer to my prayer!"* Whoa, whoa, whoa! We've killed 70 million babies as a country, folks. We have ALLOWED Epstein's organization to take over the CIA and FBI and infiltrate all levels of government and Deep State. We have allowed this to happen, so of course God may be silent.

But that doesn't mean we stop pursuing Him. We have to continue to pursue Him. We have to repent of these sins even though we didn't commit them, but collectively as a nation we have let evil people take power. That of course was a big warning: good people standing around doing nothing; evil will take over! That's why the world becomes evil; it's because good people will not STAND UP against evil! Amen!

As a nation it means realigning ourselves with God; realigning ourselves as a civilization, as a culture, as an ETHOS to say, *"No, no, no! These things really matter!"* It really matters that mommy and daddies are strong and have great relationships; it really matters that children and parents are strong and that the children understand their parents as the KEY point of authority in their lives. Not government teachers, not this or that; not whatever sex educators they have. NO! It's the PARENTS that have the authority over their children to transmit their values to the next generation.

It means standing up to say, *"Hey, you are like the priests of Baal. You're throwing babies into biological waste furnaces and then trying to power streetlights! Are you crazy?"* It takes the civilization to say, "NO!" It takes more and more people to say, "No," to be able to stand up as a group and a collective and say collectively, *"No! We will not stand with this civilization! This is evil, it's wicked and it's against my conscience; it's against my own survival in the future,"* because if we live like this, we're going to eradicate our own civilization; which is happening right now. And of course it's done strategically and done on purpose by the Communist infiltration from the inside.

The point is: we have to break that, and we can only do it by connecting and aligning ourselves with God. That's why the Rod of Iron Kingdom is so important and that's why being good men and women saved by grace is so important. We know we're sinners, and we're saved by grace but we are PURSUING goodness. It does not mean we are perfect but we're pursuing goodness, and in that pursuit of goodness God is calling us and the whole body of Christ to become PROTECTORS of the entire civilization, the entire world. And that's what the culture of the Rod of Iron means, because that Rod of Iron is what? It's the defense of what? God's Kingship and His Priesthood, and God Himself says that those who are in Christ are part of it.

Even though the world and George Soros, Carl Schwab, the World Economic Forum, Bill Gates, Bezos and all these demonic Communists say that the only queen of this world is like the Queen of England whose family has ties to Jeffrey Epstein, or the only king is some king over there in Europe, it doesn't matter folks. That's what the elites say; that's not what God says.

Remember what God says in Revelation 1: 5-6?

*"And from Jesus Christ, who is the faithful witness, and the first begotten of the dead, and the prince of the kings of the earth. Unto him that loved us, and washed us from our sins in his own blood, and hath made us kings and priests unto God and his Father; to him be glory and dominion forever and ever. Amen!"*

That is what the Scripture says. It is THROUGH our relationship with CHRIST that we receive kingship and we receive priesthood, and no matter how hard Satan's kings and priests fight against that, in the end they are the ones who are illegitimate, they are the ones that are not the real kings of the earth; they are not the ones who are sovereign over the earth.

No! It is GOD's people and it's GOD's values and GOD's civilization that are to bring the blueprint and the operating system for the world.

Folks, we are in such incredible times! Let us not be like Saul who is trying to seek these wrong ways to find rightness when the Philistines are coming. No, let us

-CLING to God,

-stand with HIM,

-support one another,

-strengthen one another,

-build one another up so we become BETTER kings and priests, BETTER shepherds and better leaders to effect God's civilization, God's Kingdom, God's ethos into the lives of the people in front of us and to the whole civilization and world at large.

Please join us in prayer!

### **Pastor Sean's Prayer**

Father, we thank You for this day today. We thank You for the word that You have given us in 1 Samuel chapter 28, and we have seen the failure of Saul. He could not stand with Your anointing; he could not humble himself to say, *"I'm going to support David!"* What an amazing story that would be if Saul could stand with David and say, *"I'm going to now pass it on to David. David is going to do better than me and I'm going to pray for him, I'm going to support him. I'm going to make him shine as much as I can because I know in the end that will be GOD's glory, and I'm going to warn him of the pitfalls!"* Imagine if Saul did that! What an incredible victory that would be; what an incredible story and legacy that would be!

But Saul went the opposite way. He went to jealousy, he went to evil, he went to demon possession; he went to all these different things because he got angry at You, and as the Bible says, he became an enemy of You.

Lord, we do not as America want to follow that pathway where Saul is going! NO! We want to get this warning from the word that is being spoken today. As Americans, we want to get STRONG in our relationship with You, STRONG in Your words, STRONG in Your culture, and also we want to build up our own spiritual fitness, our own marital fitness, our own parents and children's fitness, and our own physical fitness. All those things, so that we can be the instruments of Your work and we can be made the instruments of Your peace on this earth.

Dear God, we know that we're not perfect. We never claimed that we were perfect but we know that You use imperfect people to CARRY out Your perfect will. So we have faith in You, we stand with You, and we hang onto the hem of Your garment at this critical time in history where all sort of calamity is erupting in front of us.

But we will not be dismayed by the Philistines coming over the hill; we will not be paralyzed in fear. NO! Instead we will go to You for guidance, go to You for discernment and we will STRENGTHEN one another and strengthen ourselves to become STRONG protectors, STRONG kings and priests and to be people who will protect humanity and civilization from the evil that is coming forward.

God, give us the courage and bravery needed at this time!

Be with our President Trump and all the patriots across the world and especially in America at this critical time. Please for anybody who has a receptive heart, let the brush fire of liberty be burning in his heart, be inflamed in his heart, and let them stand in this incredible animated contest of liberty; this incredible battle, this epic quest that You have called us for.

Let us stand strong at this critical time and give YOU, YOU, all the glory!

We give You praise, glory and honor with ALL the kings and queens from the kingship lines that are gathered here today. In Your precious name, we pray.

Amen! Amen! Aju!

All right folks, let's all rise! A shout out to PA! God bless you!
