The PROMISE of the FUTURE

Seek good, and not evil, that you may live; and so the Lord, the God of hosts, will be with you, as you have said. Hate evil, and love good, and establish justice in the gate; it may be that the Lord, the God of hosts, will be gracious to the remnant of Joseph. Amos 5:14-15

Why do I keep pushing you? For your own sake, for your own children, for your own country. Whoever defies my teaching is actually defying his own self, his own posterity, his own country, and the benefit of the world and God. He is not defying me at all. He is defying himself. Hello,

Hyung Jin Nim started the service by discussing how [70% of women report less satisfaction in their marriage after birth of their first child](#). What made the difference for the 30% who reported equal or more satisfaction? It was a husband who was involved in parenting. The father is supposed to be the King and Priest in the family. The 2nd Queen has been meeting with young fathers/kings to help them prepare for parental roles.

In Amos 5:3, the prophet warns Israel that 9 out of 10 would die and only one left, unless they seek the Lord. Since, in many ways, our culture has abandoned God, don't we deserve to be judged?

In communism you are poor either way, so there is less incentive to work hard. In Capitalism, you have to work or be poor, but you are rewarded if you make effort. Amos 5:15 admonishes us to "hate evil, and love good." Leftists have no objective standard of good or evil. [Minor Attracted Person](#) is the new psychological term applied to pedophiles. Yet one more deviant group to be normalized?

[Unification Sanctuary Service 6/12/2022](#)

In Dallas, Texas, [mothers brought their children to a gay bar's transgender 'Child Friendly' Drag Show](#). A number of [drag show performers have to be found to be convicted child molesters](#). It is sick to see deluded women bringing their children to be sexually groomed!

From the Principle we know that Lucifer weaponized sex to destroy humanity. God designed sexual attraction to motivate young couples to invest in each other. Women shouldn't use sexual power to dominate their husbands, just as good husbands don't use their physical power to dominate their wives.

In Amos 5:21, the Lord says to Israel, "I hate, I despise your feasts!" When a civilization creates a goddess, whose image is often a young, naked woman, it is symbolizing sexual power. Such faiths normalize sex outside of marriage.

It's important to invest in your covenantal marriage. Express gratitude to your spouse each day. Children remember their one-on-one time with their parents. Unfortunately, in many families one-on-one time is often an expression of anger, but the Bible warns us not to provoke our children.

When God's hedge of protection is removed, confusion and destruction follow. But many are addicted to drugs and escapism. [One in five of youth and young adults now say they are not "straight."](#) In California, 1 in 5 kids say they are trans, but in Ohio 1 in 100. The chemical [Lerprorelin](#), aka Lupron, is used as a "puberty blocker" for confused youth, the same treatment used to castrate sex offenders.

Bless the Lord oh my soul Oh my soul
 Worship His Holy name sing like never before
 Oh my soul
 I'll worship Your Holy name

God says 'seek Me and you shall live.'" Every person who returns to God changes the culture, by becoming a protector and capable citizen.

Marx, Lenin, Saul Alinsky and Progressives say there are no absolutes. In Christianity the worldview affirms the sacredness of all races. The Black Lives Matter founders bragged that "we are trained Marxists." They seek to divide and destroy America. Leftism has infiltrated every institution in the USA.

While standing against these serious challenges to our nation's unity and identity, we must retain the joy of being in God's will, whatever the outcome. We have His promise of a brighter future. Let us exercise the 3 Blessings and have dominion over government, not the reverse.

[Holy Blessing of Bruce Yamakawa and Ayako Urakawa](#)

May God bless you and your families!

Sincerely,

Richard
