The Gate to Japan Has Opened!

What causes fights and quarrels among you? Don't they come from your desires that battle within you? You desire but do not have, so you kill. You covet but you cannot get what you want, so you quarrel and fight. You do not have because you do not ask God. When you ask, you do not receive, because you ask with wrong motives, that you may spend what you get on your pleasures. You adulterous people, don't you know that friendship with the world means enmity against God? Therefore, anyone who chooses to be a friend of the world becomes an enemy of God. Or do you think Scripture says without reason that he jealously longs for the spirit he has caused to dwell in us? But he gives us more grace. That is why Scripture says: "God opposes the proud but shows favor to the humble." Submit yourselves, then, to God. Resist the devil, and he will flee from you. Come near to God and he will come near to you. Wash your hands, you sinners, and purify your hearts, you double-minded. Grieve, mourn and wail. Change your laughter to mourning and your joy to gloom. Humble yourselves before the Lord, and he will lift you up. James 4:1-8

Do not worry about who recognizes you. Even if you remain completely hidden, do not be concerned. Suppose the entire world acclaimed you as a hero but you turn out to be a fraud. What good would that do you? But as long as you remain genuine gold, you will have no anxiety because you shall remain genuine wherever you may be, whether before the throne of God or at the bottom of hell. SMM, The Burden of Destiny 2-19-78

Hello,

Hyung Jin Nim started the service by wishing happy Father's Day to all the kings and priests around the world.

He never expected to return to Asia. But after winning against the FFWPU's lawsuit against Sanctuary for using the Tongil mark, God called them to Korea and now to Japan. FFWPU was created to serve God's providence but it was corrupted. They give awards to advocates of abortion like former UN Secretary Ban Ki Moon. Abortion clinics have been selling body parts. South Dakota just passed a law that after the heart beat can be heard, it is illegal to end the life of an unborn child.

Everyone is made in God's image, but we are not His children unless we freely choose to accept Him. Hak Ja Han chose wealth and power. In the June 10th Declaration, Father wrote that anyone opposing his

anointed successor would be a heretic and destroyer. Father made her read it as well. Who would have believed that it referred to her?

[Unification Sanctuary Service 6/19/2022](#)

In recent weeks she has said that she believed SINCE 1960 that he was a fallen person who had failed. Then why did she marry him? What does that say about her character?

She cast away 2 of her sons since they wouldn't go along with her heresy. Hyung Jin Nim and Kook Jin Nim pleaded with her, but she screamed, "I have absolute power! I am God!" she had 10 years to do whatever she wanted. Meanwhile Hyung Jin Nim focused on building the Kingdom culture.

FFWPU leaders cursed him and said his duty in Korean culture was to just follow his mother. But our loyalty is to God, not "tradition." It was a struggle to raise the funds to fight the lawsuit. But with the power of God, we won that lawsuit!

In April she ordered FFWPU theologians to rewrite the Divine Principle to say that she was the 2nd Coming as the "Only Begotten Daughter." Now she has announced a new tax of \$20K from each couple to build a new palace in Cheongpyeong. The "Death Star" is collapsing.

Everywhere Hyung Jin Nim spoke he asked, "is anyone paid to be here? If so, please leave immediately!" No one stood up. The halls were just filled with people who love Christ. The Holy Spirit won't come where people are insincere, only where there is real love for God.

Hoon Dok Hae in Seoul went on for 7 hours. People could see True Father sitting on the stage! Every single one in a skeptical group that attended decided to receive the Blessing to return to TF's authority!

In Japan 2,000 families have returned to True Father's authority. The FFWPU is losing the trust of members. You cannot worship God and Mammon. They are selling off providential properties to build the new palace. It will only lead to more people leaving.

A mob boss in Yeosu would come to Hoon Do Hae. He would bow to True Father even though he owned most of Yeosu because he loved him. After Hyung Jin Nim was forced out of FFWPU and remained in America, the mob boss called up FFWPU leaders and told them "you better do what True Father told you to do!" Even a leader in the fallen world can see what is right to do.

The day of awakening, judgment and harvest is at hand! All of us should fully realize that we are sinners saved by grace. Who has lied the most to us? Ourselves!

The same week they won the court case and went to Korea, the mask mandates were lifted. The limits on group meetings were also lifted. Then during the tour, Japan revoked the tourist ban. Clearly God is opening up the gate for us!

1 Corinthians 12 tells us that the biggest miracle is repentance, the change of heart to center on God. Put Christ in the throne of my heart. Discernment is a gift from God. The law of God is written in our consciences.

The troubles around the world will quicken the coming of God's Kingdom, so we do not need to dwell in fear. More and more will realize that Satan's kingdoms do not work and begin to take responsibility at the local level.

Despite the failure of Hak Ja Han, True Father succeeded. The 2 brothers succeeded and then True Father sent True Mother Kang, even in her old age, to speak out on behalf of the anointed 3 Generations Kingship. Do not focus on happiness, which is temporary. Focus on the joy of the Lord, focusing on His will, not on "me." When we realize that "I" am not the center of the universe, we become free. No matter how bad it gets, remember that God wins and His Kingdom comes.

May God bless you and your families!

Sincerely,

Richard
