

Pastor HJ Sean Moon

The Bonfire Prayer

Rod of Iron Freedom Festival, Oct 9, 2022 - PA

Praise God everybody! We have done the Babylon Bonfire for three years and Roe v. Wade is now dead! (Applause) Hallelujah! Praise God Almighty! Now we will be reading the celebration from Revelation chapter 19 and onwards.

Revelation 19: 1-21

1 And after these things I heard a great voice of much people in heaven, saying, Alleluia; Salvation, and glory, and honour, and power, unto the Lord our God:

2 For true and righteous are his judgments: for he hath judged the great whore, which did corrupt the earth with her fornication, and hath avenged the blood of his servants at her hand.

3 And again they said, Alleluia And her smoke rose up for ever and ever.

4 And the four and twenty elders and the four beasts fell down and worshipped God that sat on the throne, saying, Amen; Alleluia.

5 And a voice came out of the throne, saying, Praise our God, all ye his servants, and ye that fear him, both small and great.

6 And I heard as it were the voice of a great multitude, and as the voice of many waters, and as the voice of mighty thunderings, saying, Alleluia: for the Lord God omnipotent reigneth.

7 Let us be glad and rejoice, and give honour to him: for the marriage of the Lamb is come, and his wife hath made herself ready.

8 And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of saints.

9 And he saith unto me, Write, Blessed are they which are called unto the marriage supper of the Lamb. And he saith unto me, These are the true sayings of God.

10 And I fell at his feet to worship him. And he said unto me, See thou do it not: I am thy fellowservant, and of thy brethren that have the testimony of Jesus: worship God: for the testimony of Jesus is the spirit of prophecy.

11 And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war.

12 His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself.

¹³ And he was clothed with a vesture dipped in blood: and his name is called The Word of God.

¹⁴ And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean.

¹⁵ And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God.

¹⁶ And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS.

¹⁷ And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God;

¹⁸ That ye may eat the flesh of kings, and the flesh of captains, and the flesh of mighty men, and the flesh of horses, and of them that sit on them, and the flesh of all men, both free and bond, both small and great.

¹⁹ And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army.

²⁰ And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone.

²¹ And the remnant were slain with the sword of him that sat upon the horse, which sword proceeded out of his mouth: and all the fowls were filled with their flesh.

Revelation 20: 1-6

1 And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand.

2 And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years,

3 And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season.

4 And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years.

5 But the rest of the dead lived not again until the thousand years were finished. This is the first resurrection.

6 Blessed and holy is he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years.

Hallelujah! (Hallelujah!)

Pastor Sean's Reporting Prayer

Father God, we thank You for this beautiful, beautiful, day. We thank You for the Rod of Iron Freedom Festival. Freedom is not merely the ability to do whatever one pleases, God, but freedom is a covenant, a promise; it is a relationship with You in which we must be responsible for that freedom.

Dear God, for the last two days and the last three years in the Rod of Iron Freedom Festival with all the patriots that have gathered here, You have blessed us and blessed this place and blessed Your country, and we have blessed Your name; crying out to the heavens as we saw all matter of wickedness occurring in the midst of this country's stolen election, pandemic from China, energy infrastructure collapse, inflation. All these terrible things that are weakening the foundations of America as the world's superpower. And on the rise, the treacherous and evil red dragon China and now Russia allied together, ready and willing to use nuclear power against America, and threatening the world.

Dear God, we have prayed for the last three years, particularly that the Harlot of Babylon culture and the wickedness of the people across the earth being indoctrinated to kill their own children in the WOMB, to do infanticide, tearing them limb from limb in the barbaric practice of abortion, that this would be struck DOWN. Every year, patriots and believers have gathered here at this Babylon Bonfire PRAYING, praying, praying, and PLEADING with Heaven that the practice of infanticide in America would CEASE and be brought DOWN; that the Harlot of Babylon culture of destroying the next generation in the womb, starting from the womb, would STOP and be eliminated.

Dear God, you have DELIVERED that tremendous victory this year, and we have seen the miracle and the prayers answered; the pleads and the tears that have been shed at this place answered. You have answered that prayer, dear God. You have begun the process to unravel the Harlot of Babylon culture; the culture of making the women in society become the murderers of their children; the culture of normalizing infanticide; the culture of husbands running away from their marriages and their children - all the products of the fallen Eve and the fallen Archangel.

Dear God, we have been praying on this hill for three years alighting this fire, praying for Babylon and that culture of evil to fall, and today we are CELEBRATING the fall of Babylon (*Applause*) and the fall of that demonic culture, the fall of the murdering of children in the womb, the fall of the barbaric infanticide that covers the earth. You have begun the process of unraveling the satanic and demonic power, the stranglehold that has suffocated America and brought us into the depths of sin.

Dear God, it is a day of hope, and this bonfire represents now Your Holy Spirit; the power of the brushfires that are set in the hearts and minds of men in this animating contest of liberty, the gift that You have given to us from the Creator and that is held in the covenantal relationship between You and mankind.

Dear God, we thank You today as we alight these flames. We thank You and we pray that this praise may be a pleasing aroma unto Heaven. We pray that the unraveling of Babylon may continue; all the wicked, "the principalities and powers, the rulers of this world, high wickedness in high places," all those things and all their machinations and plans are being unraveled NOW with Your power. Confusion in their encampments is beginning and being loosed right now. There's now utter chaos in the hearts and minds of those who are planning to destroy this world and to rule over it with socialism, communism, political Satanism; it is unraveling before their eyes. And upon this holy hill You have answered these prayers of the faithful, of Your people and of those who are grateful for the gift of liberty.

Dear God, be with America at this most critical time, a time when we stand on a razor's edge between totally extinguishing the flame and torch of liberty and the world falling into darkness and the rulership of tyrants and CCP and dictators and authoritarianism and totalitarianism. And on the other side of that razor's edge is a faithful people, a people that begin to remember their IDENTITY, a people that start to remember who they are and WHOSE they are, a people that begin to reawaken to the covenantal relationship that America was founded upon; the Founding Framers CONSECRATING this nation as was ISRAEL before You, to You and for Your good pleasure.

God, we have fallen away, astray from that purpose. We have fallen into hedonism, pleasure seeking, post-modernism. We have fallen into comfort and ABANDONED You and Your civilization, Your principles and Your words.

But dear God, there is a remnant. There is a remnant that exists here and across the world that desires for YOUR Will to be done, that desires for YOUR Kingdom to come and manifest itself in the hearts of your people, in our relationship between husband and wife and with our children and community. Dear God, You are calling America at this critical hour to remember who she is and WHOSE she is betrothed to.

Dear God, let EVERY man and woman who HEARS this prayer be filled with the Holy Spirit, be filled with the brushfires in their heart and in their mind, and let them realize that they have been CALLED for such a time as this. That we will not revel in our glory or our victory or our name or our fame but we will revel in YOUR victory and YOUR glory for You have ALREADY defeated the grave; You have ALREADY conquered DEATH. And as Your children, we stand in this DARKEST hour of the world with a light that shines bright from this hill and manifests in our heart; that shines bright in the darkness that seeks to envelop this world.

We stand here against ALL manner of Goliath, ALL manner of hordes of demons, ALL manner of hordes of the spiritual realm, and we stand in this epic and heroic contest with You; standing on this battlefield, knowing that we are armed with the FULL armor of God, the helmet of salvation, the breastplate of righteousness, the belt of truth, the sword of the spirit, the shield of faith, the feet shod with the preparation of the Gospel of peace.

Lord, You have EQUIPPED us for this hour. Let us REMEMBER who we are and let America remember who she is. Let this land cry out! All the patriots from the Founding Fathers to this day who SHED their BLOOD for those Stars and Stripes, let them STAND with us TODAY as the heavenly angelic realm, the Heavenly Host. For we are not in this battle alone, and we will be victorious because You dear God, are with us. (*Amen!*)

Thank you, dear God! We give You PRAISE this day. We LIFT up Your name! We PRAISE You today because America THROUGH the small remnant, can remember who she is and stand with COURAGE and STRENGTH to become once again the light SHINING on top of the hill which can be seen from the uttermost darkness of this world.

Let America RISE up to the honor of her Stars and Stripes and of all the blood that was SPILLED through the ages to keep her FREE!

Let her remember that she is not free to just seek pleasure but that she is given LIBERTY so as to proclaim and to pursue the VOCATION which GOD, You have given her!

Let us stand bold at this hour!

Let the sheep become lions standing with the Lion of Judah, for we stand with You, the Alpha and the Omega, the Beginning and the End, the King of Kings and Lord of Lords. We stand with YOU in this epic animating contest against Satan and the evil hordes and all of his hands and feet on this world.

WE are Your people dear God. You have never FORSAKEN us and You have told us that You would not forsake us. We have the victory. Satan has already been defeated and when the enemy looks the strongest, he is actually the weakest, for he is the father of LIES and he is the master of illusion. But in reality, YOU reign victorious and You reign POWERFUL with all might and all-power and authority of the Heavens and the earth in Your hands. We stand with you Jehovah God, standing on the battle line at this incredible time.

Dear God, let us remember who we are and let us remember that America will rise at this critical hour. Let us pray for each and every one of the patriots around this country. Whether or not they know they're being prayed for, we are praying for them right now across this globe. That they would be touched and moved by the miraculous move of the Holy Spirit, a work that no agency can trace or track, a work that no man can stop, a work that NO elite or billionaire can PAY to remove! The move of the Holy Ghost is touching people right now. (*Applause*) Giving them COURAGE and STRENGTH in every corner of this globe, making them awakened to the reality of EVIL and REPENTANCE, and coming BACK to You and relying on YOUR strength as we prepare to be standing with You against this evil that scourges this land and our world.

We will not live in fear for Your Word says that You have "not given us a spirit of fear but of POWER and of LOVE and of a sound mind."

Let those be the eternal strength and fortitude that will carry us forward into this dark age and bring LIGHT, bring YOUR WORD and bring Your POWER, Your LOVE, Your justice, Your benevolence, Your FATHERLY LOVE!

Let us see GREAT revival, GREAT repentance and ALL peoples coming unto You, giving You PRAISE, worshiping Your name, lifting You high, and as we JOYFULLY praise You and as we are once again a people who are BRAVE and are prepared,
Let the evil scales fall from the people's eyes.

Let the evil with its stranglements and entanglements FALL!

Let the chains that are holding people down FALL for "it is for freedom that Christ has set us free."

This is what Your Word says. We have not been set free to be slaves again under the totalitarians and the tyrants.

And dear God, this bonfire, let it be an offering of our spiritual resolve, our WILL to stand in the gap, to stand for righteousness and to stand for YOU at this most critical hour! (*Hallelujah!*)

We give You praise dear God; we give You HONOR. Your people LOVE You and your people GLORIFY You. We REPENT of our sins; we lift Your name HIGH, and we offer our LOVE and our PRAISE to You as a sweet aroma. Please receive it this day and pour out Your love upon America once again. (*Shouting*)

Let the people rise and stand to save this country and across the globe!

Let it create the domino effect that will make ALL the tyrannical forces crumble one by one as if watching an incredible epic film!

Let those miracles begin as ALL people stand RESPONSIBLE for the liberty that You have given them; RESPONSIBLE for the freedom, RESPONSIBLE for the vocation which they have been called to by YOU, Almighty God

Let us have GREAT victory and power at this time across the world!

Let it cascade from country to country!

Let people be FREED even as the evil tries to envelope and engulf them. Only Your power and only Your WILL will see us THROUGH the demonic horde and the darkness that Satan desires for this world!

As the last three years we were CRYING out to You, dear God, on this hill CRYING out for the Babylon Harlot culture of killing children to be destroyed, You have ANSWERED that prayer MIRACULOUSLY. You have answered that prayer and MANIFESTED it in the most POWERFUL nation in the world that has LEFT Your WORD, and has been committing CHILD KILLING for the past decades. But we have REPENTED of our sin and we are now turning the TIDE around, dear God, by Your miraculous GRACE. (*Hallelujah*)

We thank You Lord, because You are MOVING. You are lifting people up; You are making normal people realize their calling at this epic time.

You will USE the normal men.

You will USE the Moses who had become a murderer to lead the people out of Egypt.

You will USE the man that was sold into slavery, Joseph, who became second to the king of Egypt.

You will USE the normal person who does not even believe that they have a PURPOSE in this world. You will touch them and transform their hearts and give them that vocation for which they were called to STAND up against unrighteousness, to STAND up against the wicked and to be BRAVE and COURAGEOUS in this HOUR.

Thank You for pouring out Your BOLD strength upon us today. Thank You for RECEIVING the fire of the bonfires that we have lifted to Heaven for the last three years, and we thank You for this great VICTORY today. We thank You for this great VICTORY! All the people that have come through here have been PRAYING for America, PRAYING for these Stars and Stripes, PRAYING that we would once again become that honorable and righteous Judeo-Christian CULTURE that PROTECTS Your covenant of marriage, that PROTECTS Your covenant of family, that PROTECTS the PRINCIPLE of loving God and loving our neighbor, that PROTECTS the principle of pursuing RIGHTEOUSNESS and punishing evil and doing good for Your name's sake.

Dear God, we are before You on our hands and knees as a country. We are repenting of all the sins that on our watch we have allowed to happen. All the souls that have been snuffed out, all the terrible things: the destruction of marriage, the destruction of our families, the destruction of Your values in America. We REPENT of those things; even if we were just tangentially quietly watching, our silence became surrender.

But dear God, today and through the power of that repentance and Your grace of FORGIVENESS, we can receive a NEW LIFE, we can be made into new creatures by the move and the indwelling of the Holy Spirit and we can once AGAIN become America, once AGAIN become that “shining light on the hill”; once AGAIN become the country that had made a COVENANTAL relationship with YOU, CONSECRATED on the altar before Jehovah, Almighty God, the Creator of the universe. *(Hallelujah)*

This is YOUR nation, God!

This is not the Devil's place!

This is not the LGBTQ's place!

This is not the blue-haired crazy people's place!

This is YOUR country!

These are YOUR Stars and Stripes!

This is YOUR history!

America is not a nation of conquest; we have been a nation of CONSECRATION! We are not founded on conquest and conquering but we are founded on COVENANT!

Dear God, people are starting to wake up. Your people, Your faithful are starting to come back. Your people are starting to realize that we NEED You at this critical hour, and that only YOU can lead us THROUGH, only YOU can SEE us through the parting of the sea which is now on both sides of us.

We stand in this miraculous moment, in this EPIC moment in time.

Dear God, there is no one here that has not been CHOSEN by You to be here tonight. *(Hallelujah!)* We are in Your hands and we are Your hands and feet on this earth.

Let us be brave at this critical hour!
 Let us be TRUE at this critical hour!
 Let us not rely on ourselves, but
 Let us stand with You.

Let Your Holy Spirit fill us and ANIMATE us with SUPERNATURAL power, MIRACULOUS power that goes beyond the will and mind of normal men. We are Your CHILDREN, we are Your PEOPLE, and we LOVE You, we WORSHIP You, we LIFT You and we STAND for YOU, (*Yes! Father*) even if it means to give our lives as all our predecessors have done.

Dear God, we as America love you. America LOVES YOU; America is in a covenant with YOU, God. America has not forgotten YOU, God! America has not left YOU God, because You have not left America. And even though we may feel at times that we are alone and that all is lost, in the still small voice that dwells within our hearts we know that You are standing and You are pushing the evil hordes back and You are gaining the victory and You are winning the war against Satan, and that You have already conquered death and that You are holding up the people that have given their lives for this country and for these Stars and Stripes.

God, let us stand with You as You lift them up. Let us remember every ounce and drop of blood that was SPILLED and let us give You thanks because we are the inheritors of that legacy and we are the guard of this freedom; this fragile freedom that hangs in the balance at a time when we are now facing Armageddon and nuclear war. The Devil wishes for us to give up and to acquiesce and surrender and say, *"Oh, I cannot do anything else."* Or the Devil wishes for us to just say, *"Please Jesus come quickly and save us from the mess that we've made!"* But,

We know that You have made us Your HANDS and FEET on this earth.
 We know that You have called us to "RESIST the DEVIL for he will flee" as Your Word says.
 We know that You have called us and commanded us to STAND up against UNRIGHTEOUSNESS.
 We know that You stood with Daniel against King Nebuchadnezzar
 We know that You stood with Shadrach, Meshach and Abednego and were the fourth man in the fiery furnace.

Dear Lord, we know that that fourth person stands with us at this critical hour. We are not alone! (*Amen!*) We are SURROUNDED by your heavenly army, SURROUNDED by your Heavenly Host and we will be VICTORIOUS because Your Kingdom is coming quickly to this world. (*Hallelujah*)

Dear God, let us remember who we are at this critical hour! As Americans, let us love one another! Let us get back to those principles in saving this republic and letting this republic once again lead the world.

Dear God, the love in America for You is growing. The more the Communists and the political Satanists try to destroy America, the more the love for You, God and Jesus Christ shall swell within the hearts and minds of men and women and children and families and neighborhoods and towns and cities. The more oppression and the more totalitarianism these wicked powers continue to use

unabashed with great injustice, the MORE the LOVE for You, the MORE the GRATITUDE for You, the MORE the YEARNING for You shall SWELL within those beating hearts that are beating and sustained by Your grace alone every moment of every hour. And it is in great moments of peril when we hear that heartbeat which is sustained by You that we remember we are alive not because we are great but because You are sustaining us in Your hands.

We are never alone and we will stand with You till the end, because we know that at the end there is a new beginning, the New Jerusalem and the New Heaven and Earth that will come to this earth and that will fill the earth with liberty and responsibility and coheirship and kingship and sovereignty standing with the King of Kings and Lord of Lords; the world coming under Your dominion where righteousness can burgeon and spread and EVIL comes to an end.

We are grateful for You, dear God. Thank You for all the folks and the patriots that are gathered at this Babylon Bonfire. We offer it all to You and we thank You for all the victories that You have shown us through Your miraculous power. We love You God, we are with you, God, and as You have never forsaken us, WE shall never forsake You.

We give You the praise, glory and honor with ALL the kinship lines gathered here today with Your Three Generation Kingship, and in Your precious name we pray. AMEN! AMEN! (*Amen! Hallelujah! Applause*)
