Sex Trafficking Victims Liberation

Now Jacob heard that the sons of Laban were saying, "Jacob has taken all that was our father's, and from what was our father's he has gained all this wealth." And Jacob saw that Laban did not regard him with favor as before. Then the Lord said to Jacob, "Return to the land of your fathers and to your kindred, and I will be with you." Gen 31:1-3

I am nothing. It is said that human history began one and a half million years ago. When the Parent has lost all His dignity and authority through our long history, to whom will He appeal about His miserable situation as a Parent in the struggle to find His lost children? Before the children come forward and resolve this, God can neither alleviate the bitter sorrow in His own heart nor remove the nail that pierces it. Who will take out that nail and liberate God's bitter heart, which must be released with flesh and blood through the healing tears of love? We should know that God's liberation precedes our own liberation. We should know that this is the path to the ultimate liberation sought by people of faith. SMM, CSG, Book 1: True God, Ch. 4, p. 155

Hello,

In a recorded video from Colorado, Hyung Jin Nim read from Genesis 31 in which, after working for his corrupt father-in-law for 21 years, Jacob saw that Laban was looking at him in a strange way and would try to take away his family and wealth, so he quickly gathered his family to return back home to Canaan.

America has given itself over to modern-day archangelic "Uncle Laban's," ie. Communist China and large corporations imposing dangerous, depraved, and woke agendas.

The Left talks about love, but God defines love as sacrifice for others, not just attraction or infatuation. Satan inverts the truth, the meaning of marriage and now of gender. The LGBBTQ+ flag is the new symbol of globalist tyranny.

The promised land is where man and woman can come together to create the culture and lineage of God, a sovereignty free from the tyranny of government.

Hak Ja Han proclaimed a time of peace where she would be glorified, but instead we see globalist tyranny. Only the spirit of God can free America. We must pray for one another, strengthen our marriages, families and communities.

We should not seek to escape the tribulation, but to be victorious in the midst of it. Create a culture of self and mutual protection. Just as Jacob was ordered to return back to Canaan to take ownership, we must take ownership here in the USA, spreading the good news that God's Kingdom is being restored.

2nd King's Report from the Rocky Mountains 6/27/2023

The trekking team valiantly trekked 18 miles over 12,500 feet elevation. They arrived at their 2nd day

destination on time. Many struggled with altitude sickness, hyperventilation and cramping, but by God's grace, the heroic young men helped many of the sisters struggling even carrying their bags for miles and miles.

We emphasized very strongly at the beginning that any of the young people should not do this for their own glory, but to train in being their brother's keeper like a true Cain and true Abel. The young people truly actualized being their brother and sister's keeper as a great conditional offering to heaven, praise God Almighty!!! Tomorrow they must do 13 more miles to finish. Keep those prayers coming!!!

Liberation Declaration of Victims of Sex Trafficking

by Hyung Jin Moon, 2nd King of Cheon Il Guk

Cheon-gi 14, HC 5.1 (June 18, 2023)

At the beginning of human history, God intended to see the world of His original ideal of creation established in the Garden of Eden with freedom, peace, unity, and happiness. In this world, the archangels, despite their far superior power, were to serve the children of God. Tragically, though, Eve committed adultery with the Archangel Lucifer, and Adam failed to keep God's commandment not to engage in sexual relations with Eve until blessed to her in marriage by God.

As a result of the human fall, Satan came to dominate humanity in a world where centralized archangelic powers, whether governmental, religious, or financial, use artificial methods to rule over mankind, sometimes taking freedoms gradually and sometimes eliminating them by brute force. Today, we seek to establish God's Kingdom of Heaven on Earth, where the artificial structures of power, representing Satan, shall never again rule over humanity. To this end, the Tribal Messiahships must come together as one with the help of all ancestors in the spirit world.

During the ancestor liberation ceremony performed last year, I exercised my authority as the representative and heir of the returning Jesus, True Parent Sun Myung Moon, to liberate the spirits of all the babies in history who had died in the womb. Less than forty days later, the United States Supreme Court overturned a previous ruling that had allowed the murders of tens of millions of such babies over almost 50 years throughout the United States. Americans are now fighting to save these children in the womb in state capitols nationwide. Righteous people in other countries are also working in their countries to correct satanic abortions. We praise God for these encouraging developments.

May God bless you and your families!

Sincerely,

Richard
