### Persevere to Win Your Crown

*Do you not know that in a race all the runners run, but only one receives the prize? So run that you may obtain it. Every athlete exercises self-control in all things. They do it to receive a perishable wreath, but we an imperishable. So I do not run aimlessly; I do not box as one beating the air. But I discipline my body and keep it under control, lest after preaching to others I myself should be disqualified. **1 Cor 9:24-27***

*Get up at dawn and pray with tears for your neighborhood and your mission area. This is the way of establishing a spiritual bond with the spirit world. You should feel that if God were to look down upon this neighborhood, He could not help but shed tears because they were destined for hell, and you would feel like shedding tears yourself in His place, in empathy with Him. When the force of sympathy enters you, enabling you to shed tears based on God's heart, the entire spirit world will be mobilized. **SMM, CSG, Bk 5 "Earthly Life and the Spirit World, p. 741.***

Hello,

Hyung Jin Nim started the service by speaking about the 3rd King's new Youtube channel called "The Advent." The video on the Fall, [Lucifer had sex with Eve](#), received 47K views in 11 days! Tim Elder's [OSDP Lecture Videos](#) are also posted on Rumble.

Queen Yeonah nim cut her hand open while cutting acrylic. Please pray for her hand to heal! Hyung Jin Nim recommended carrying trauma bandages with hemostatic agents, which stopped her bleeding immediately. He has used these 3 times in last 10 years. That is why training is so important in life.

Kook Jin Nim urged him to perform King Bullethead songs at the Rod of Iron Freedom Festival so he will do that. Many years ago Hyung Jin Nim stopped performing on stage, unless Father urged him to, because you can become addicted to people cheering for you and he didn't want that.

1 Peter 5 teaches us that elders should be good examples for younger generation. Forgiveness yet also

justice for any violations. The elders are also in training. Submit to your elders even though they are not perfect.

In Proverbs 4:5, wisdom is portrayed as a woman, but not as a sexy girl like those who are worshipped in pagan religions. True Mother Kang has the beauty of wisdom and grace. Wisdom tells girls not to show their naked bodies, except to their husbands.

Women should understand that their fertility will decline after age 30. Many feminists learn too late that it was a mistake to prioritize career over marriage and children.

Many men are "at war" when they go out to work, so they want to come to a home of peace. Women who invest their youth in their families are rewarded with love from their children and grandchildren in the end.

The 1st Generation were not encouraged to invest in their families as an indemnity condition to establish the worldwide foundation, but now the 2nd Gen should invest in making the best families possible.

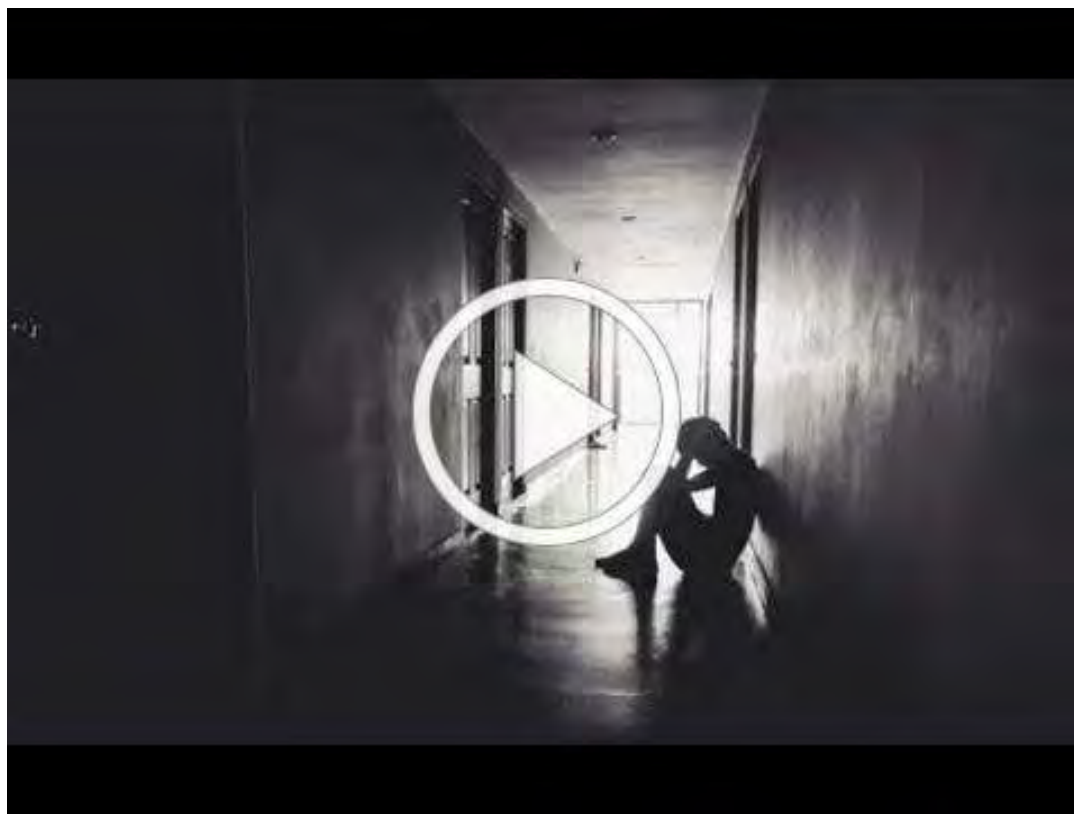

Jordan Peterson is creating an online college, the [Peterson Academy](#), with elite professors teaching classical liberal education. The tuition will only be \$4k for all 4 years, or \$1K per year. A good option for those who want to study at a college level without the WOKE indoctrination, exorbitant tuition fees and corrupt culture prevalent on many campuses.

1 Cor 9:24-26 states that you have to fight and persevere to win the prize. Sin is no longer attractive to us. It seems empty and vapid. We are built for lasting relationships. Therefore, we should pour into our key relationships. You need to be all in. You don't have to be perfect to become better.
