For God alone my soul waits in silence; from him comes my salvation. He alone is my rock and my salvation, my fortress; I shall not be greatly shaken. How long will all of you attack a man to batter him, like a leaning wall, a tottering fence? They only plan to thrust him down from his high position. They take pleasure in falsehood. They bless with their mouths, but inwardly they curse. *Selah.* For God alone, O my soul, wait in silence, for my hope is from him. He only is my rock and my salvation, my fortress; I shall not be shaken. On God rests my salvation and my glory; my mighty rock, my refuge is God. Trust in him at all times, O people; pour out your heart before him; God is a refuge for us.

*Selah* Psalm 62:1-8

We must liberate God. Each of us must save God. Instead of trying to be saved, we must make God free. This is the consummation of the providence of salvation.

### SMM, CSG Book 1, Ch. 4-True Father's Insights on God, p 151.

Hello,

Hyung Jin Nim just returned from Johnstown, PA Trump rally. A leftist was protesting against Trump from the press area. What if he had had a weapon? Where was the Secret Service?

Phil Williams of NBC channel 5 was criticizing Craig Sawyers of Vets for Child Rescue who worked with law enforcement 71 warrants to arrest pedophiles in Nashville.

Look at how many gospel songs there are about "Jehovah Jireh," meaning "The Lord Will Provide," which is only mentioned once in the Bible (Gen 22:14). How many gospel songs mention "Jehovah Rapha (The Lord That Heals)," which is also mentioned only once in the Bible (Exodus 15:26).

There is nothing wrong with wanting to relate to the God who provides and to the God who heals, but there is another name for God, "Jehovah Sabaoth," which means "The Lord of Armies," mentioned 285 times in the Bible. How often do we relate to the God who wages war against evil, who wants to liberate His children from oppression, and restore all people and nations?

True Father acted more like a King, not just a pastor, traveling all around the world, seeing his people, not just trying to build up a church, working to build up the Kingdom.

Trump has been criticized for "rambling," he's telling stories and spending time with his people. While most American Jews support the Democrats, Casino billionaire and Republican mega donor Miriam Adelson is giving \$100 million to President Trump's campaign. There is a Cain and Abel split in every community.

Jesus was challenging everybody. Pornography is the gateway to satanism. Satan wants to abort them, or if they survive, sterilize and mutilate them.

The Climate Change movement views children as parasites. One U.N. Climate Report scientist spoke about "culling' the human population with a new pandemic." They are a death cult.

Many governments run on murder and blackmail. Illicit sex is the currency. True Father revealed that misuse of love/sex was the core of the Fall. Gay marriage was imposed on America by the U.S. Supreme Court, which is not supreme or a real court in God's eyes.

Being around True Father was like being around a nuclear bomb, a warrior king mighty in battle- because he loves. Many women like to make God into a girl, but he is a war fighter. True Mother Kang loved Father's powerful masculinity. Jesus spoke harshly to Mary, calling her "woman" when she was out of line.

Feminism is the rebellion against the Father, demonizing the male and making women hate their own wombs and children.. Feminists in Europe who welcomed Muslim immigrants are dealing with an explosion of rapes. Europe seems like a giant strip club to them. Venezuelan prison gangs taking over Colorado. The animalistic mind takes over. Strong men are needed to protect women and children. That is just reality and why women should honor and respect their husband's authority.

Trump is bringing in Tulsi Gabbard, Robert F. Kennedy, jr., Vivek Ramaswamy who are strongly anti-war. Trump needs to sharply cut the federal government. God is separating the sheep and the goats in every nation and religion. American government exports abortion rights and LGBTQ which are cultural satanism to other nations.

If you allow a government to kill drug dealers. It's very dangerous, with a big potential for misuse of power. The lowest level cop in Communist China has execution power The war on drugs in the U.S.A. increased the power of gangs. The real solution is drug-free, non-alcoholic Mom and Dad and churches strengthening the conscience.

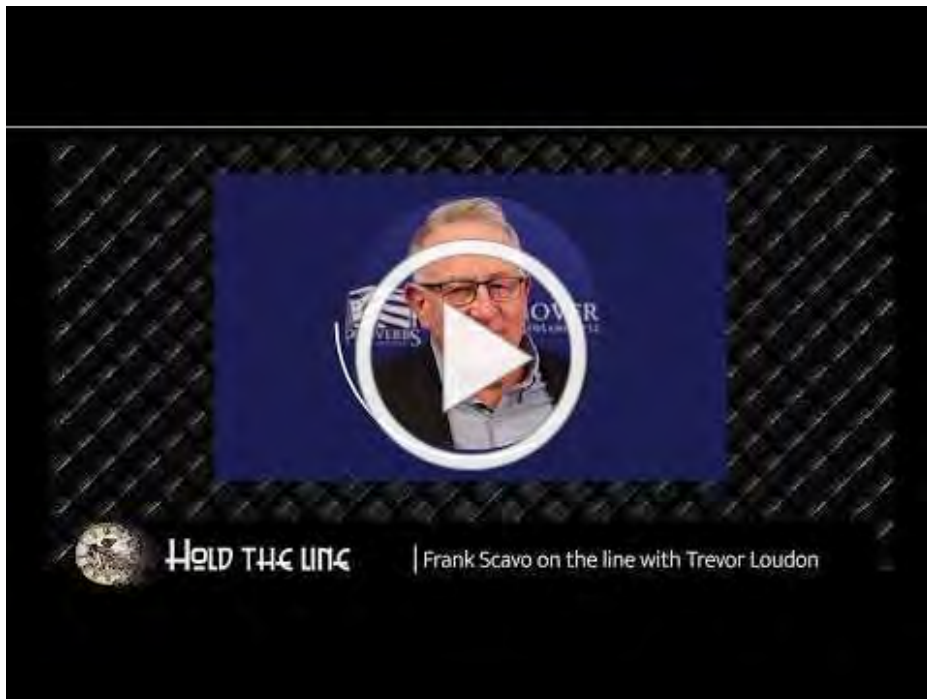

[Gregory Stenstrom: Who is Running the USA?](#)

America has murdered nearly 70 million babies since 1973, when Roe v Wade ruling was made by the U.S. Supreme Court. The U.S. is the biggest sex trafficking nation in the world. It exports satanic values.

Our nation deserves judgment but thankfully God saved President Trump. We have our 5% responsibility to do as well through prayers and Jeongseong, unity of the Micro and the Macro.

He then led us in contemplative prayer, reciting Psalm 62.

At the higher levels of debate, people are talking about sexual issues. People go to government to have it pay for their poor decisions. This becomes their "right." "Love is love." Each of us has a duty to raise our children. If not, the society is destabilized, with abandoned children picked up by sex traffickers and pedophiles.

If the white community had accepted True Father, they would have rejected "live and let live" and the destructive free sex lifestyle.

Governments are a reflection of a shared worldview. Before the American revolution, each state had a state religion. Politics is downstream of culture, which is downstream of theology. Your government is ultimately a reflection of your theology, which is the basis of ethics. America adopted English common law which is based on the Christian worldview.

In Communism, the government is "god." In Buddhist society, there are more rights for animals since they believe in reincarnation. Jain monks wear a cloth mask to reduce number of insects or bacteria who die.

[Cheryl Chumley, TWT Opinion Editor: Battle to Defend Our Nation](#)

The idea of separation of church and state is just shaming meant to shut Christians up. Why is the rainbow anus cult better than the teachings of Moses and Jesus? It's not freedom, it's free fall, which destabilizes society which leads to tyranny.

Marxism says the root of evil is greed and that the working-class revolutionaries are the saviors. It leads to dictatorship. The nature of government is the willingness to use force. Communists say they will save you from human greed through psychopaths who are willing to do whatever is needed to force that on everyone. *The nature of government is that of the Archangel, which is why it needs to be always treated as a dangerous servant.*

*The "swipe right" syndrome* is that 80% of women want to go after 10% who are the "elite" men. It is sad that they often ignore good, conscientious men.

Each man is called to be the king and priest of the home, loving his wife. Each woman is called to be the queen and evangelist, who respects her husband. Men are called to control their sexual desire. Women are called to control their emotions.
