Vertical Revolution Divides Cain and Abel

I will give thanks to the Lord with my whole heart;

I will recount all of your wonderful deeds. I will be glad and exult in you; I will sing praise to your name, O Most High. **Psalm 9:1-2**

Is it good to be willing to die for the sake of true love? Jesus said, "He who seeks to lose his life for my sake will gain his life." Another way to say it is that those who are willing to die for the sake of true love will live in true love forever. Those who live for their selfish purposes will die permanently.

SMM, The Harvest Season for God's Providence, September 19, 1982

Hello,

At the Sunday Service we watched a video of Hyung Jin Nim broadcasting from a mobile home the night after the Trump rally in Mosinee, WI. He explained that he felt motivated by the Holy Spirit to start the MAGA rap providence 2 years ago. To be honest, he didn't like most rap because it has so much debauchery, but while growing up he had many friends in the Black community who listened to it. The King Bullethead channel has faced many challenges of being "shadowbanned," etc.

There are millions of rappers in the world. He thought it would be amazing to get on the top 100 chart. Christian HipHop/Rap, which is his category, is just 1% of the music world. King Bullethead is pro-family, anti-Communist, and with no profanity.

Out of the blue, he got a call from *Save America Music* that the MAGA album was #21 for rap videos on the Rap/HipHop Amazon charts. He posted that on Instagram. Then he was shocked to see that MAGA Kingdom was #3. A day or two later, it went up to #2, just behind Eminem, and #7 for all music genres.

The "Cult-Leader" rap was at 800K downloads.

Most of the music industry aims to demoralize you. Father gave us a victory that cannot be denied! He is humbled and honored.

The book of Psalms is akin to the RAP tradition where you are singing clearly spoken words. He read from Psalm 9 and then spoke again about the names of God. In the scriptures, Jehovah Jireh (God provides) and Jehovah Rapha (God heals) appear only once each. Jehovah Sabaot, appears 285 times. It means Lord of Heaven's Armies. Not a feminized Jesus. God as the Warrior-King, as the masculine Father.

President Trump is like King David, the Christian King who risks his life to save the nation. God saved Hyung Jin Nim as the Micro King when he was traveling in Japan 2 years ago, becoming violently ill about one hour away from the assassination of Prime Minister Shinzo Abe. Trump has said that saving America is more important than his life.

Even CNN is reporting Harris flipflops. Tens of millions of illegal aliens in America who are being allowed to register to vote.

Silicon Valley billionaires are starting to break for Trump. A vertical revolution must divide all economic classes between corruption and righteousness, or divide between Cain and Abel at each level, otherwise, there will be bloodbaths driven by envy and resentment of the lower against the upper classes.
