Chairman Kook Jin Moon's Special Presentation to the Korean Ambassadors for Peace Council, South Gyeongsang Region

On Friday, October 14, a special presentation to the Korean Ambassadors for Peace Council was held at the Kimhae Youth Center. On hand were Chairman Kook Jin Moon of the Tongil Foundation and his wife, Ji Ye; Mr. Sun Jo Hwang, president of UPF-Korea; Mr. Gi Do Ha, chairman of the South Gyeongsang Provincial Assembly; Mr. Pan Do Pak, president of the South Gyeongsang chapter of the Ambassadors for Peace Council; Mr. Dae Gyom Kim, a South Gyeongsang Provincial Assembly member; and Mr. In Sun Jeong, a former chairman of the South Gyeongsang Education Committee. Approximately 270 people took part in this event, which began at 10:30 AM.

Before the main speech, the audience watched a video presentation, "The Cornerstone of Establishing God's Nation—a Strong Korea." This video introduced True Parents' lives and their work done for the sake of world peace. The presentation encouraged attendees to be in the forefront of building a peaceful world with the brave heart of white-naped cranes that cross the rugged Himalayas.

After that, Dr. Sun Jo Hwang approached the platform, introduced Chairman Kook Jin Moon and explained the significance of his special presentation. After mentioning the Republic of Korea's economic growth and its status as the region's third largest economy as well as the threatening atmosphere that exists while the Korean peninsula remains divided, he asked the attendees how concerned they were about the issue of national security. He affirmed that Chairman Moon should be the person to overcome the Korean crisis, adding that True Father has declared Korea God's nation and homeland.

Chairman Kook Jin Moon began his speech by imploring the Republic of Korea to become a strong nation, even though Korea has accomplished an unprecedented degree of modernization and economization. Not long ago, Korea overcame national bankruptcy, thanks to a United States congressional aid agreement. However, this crisis will continue for some time, since American economic conditions are driving the American people and their government to focus U.S. tax revenues on American wellbeing, as opposed to international wellbeing. The United States has been Korea's most reliable ally since the Korean War but may no longer assume responsibility for Korea's national security. Chairman Kook Jin Moon emphasized that Korean people should come to terms with this changed reality.

He said that China was emerging as a G20 member and has become a global power that could challenge the United States for Asian hegemony. A Chinese diplomat implied that North Korea's bombing of Yeonpyeong Island and the earlier sinking of the naval vessel Cheonan, both of which caused the loss of Korean lives, bore little significance. Chairman Moon consistently asked the audience to pay attention to China. The United States' national defense budget is approximately 740 billion dollars (U.S. GDP is 14 trillion dollars) and China's is nearly 100 billion dollars (China's GDP is 5.7 trillion dollars). China's national defense budget is increasing by 12% every year. In five years, it will be level with that of the United States. He pointed out that China will be a new threat to the Korean peninsula. When Chairman Moon met a high-ranking Korean Ministry of National Defense official, he said that despite the threat posed by China, Korea's current national defense is based on countering North Korea, militarily the weakest nation in Northeast Asia. Furthermore, the Republic of Korea is not entirely confident it will win a war with North Korea. He asked the attendees if the national defense of Korea was adequate. The audience agreed with his assessment of the issue and applauded.

YouTube: 2000 Years of Eastern Asia

Chairman Moon emphasized that China has been the nation that has attacked Korea most in the past 2,000 years. He showed a video presentation called "2,000 Years of Eastern Asia" to demonstrate this point. When China was strong, it invaded the Korean Peninsula. When China was weak, peace prevailed on the Korean Peninsula. When the Korea was engaged in its 1950–1953 civil war, China invaded Korea. Because of China, the Korea remains the only divided nation in the world. Chairman Moon emphasized that without the United States, the Republic of Korea would not exist; and we as Koreans should be seriously concerned about the issue of national defense and security. He stressed that China is not a democracy, but an oligarchy, and now is the most imminent threat to Korea.

As Chairman Moon mentioned, the Republic of Korea is a small nation, but it can be a strong nation like Israel. Israel's population is about 7.3 million, and its national defense budget is approximately 16.2 billion dollars (GDP is 271.9 billion dollars). Israel is outnumbered by 1/500 in terms of the surrounding Arab nations. However, in a war situation, Israel can organize 19 divisions and fly three thousand combat sorties a day. By this logic, Israel is more battle ready than the United States. He insisted that the Republic of Korea learn from Israel's national defense.

Chairman Moon said, "The Republic of Korea is God's homeland, where True Parents were born and our people are God's chosen people. However, if we don't realize the importance of freedom and independence, we cannot be sure that the Republic of Korea will not be invaded again by the powerful nations around it, just as in the last 2,000 years." He ended his speech by emphasizing that **Korean people should fulfill their responsibility and mission as the chosen people, the Third Israel.**

Chairman Kook Jin Moon's National Tour of Church Regions —The South Gyeongsang Region

Chairman Kook Jin Moon continued his national tour by speaking in the Changwon church in the South Gyeongsang region on Friday, October 14. Before this main event, a special seminar for leaders of the South Gyeongsang region was held. At that seminar, the current situation of the region, as well as excellent examples of church activities, was reported. After that, Chairman Moon gave his speech. He mentioned that even though many difficulties arose in the process of amalgamating churches, greater development has occurred and the current situation of the churches is more hopeful than before. All of the attendees appeared impressed.

In his national tour stop in South Gyeongsang Province, Chairman Moon gave his special presentation entitled "Strong Korea?" This theme was meant to raise blessed members' consciousness concerning the security of Korea, which is God's homeland and hometown. Furthermore, the message emphasized preparation for the future. Through this message, he remarked that according to Divine Principle, God's providence could develop based on the Abel-side victories achieved in the First and Second World Wars. It was possible because the Abel-side nations were militarily stronger than the Cain-side nations. He concluded that in order to accomplish God's providence, the Republic of Korea must be strong.

“과거 핍박 받았던 통일교 대만서 국가적 모범 됐다”

“과거에는 핍박을 받았던 우리가 이제는 대만에서 국가와 사회적으로 모범이 되고 있습니다.”

윤정식(54) 통일교 아시아대륙회장은 18일 통일교가 중화민국(대만)에서 모범 종교단체로 행정원장(총리) 특별공로상을 수상한 감회를 이같이 밝혔다.

‘재단법인통일교대만총회’는 최근 대만 행정원 산하 내정부가 수여하는 ‘100년적 우종교단체(100年績優宗教團體)’ 공로상을 받았다.

이 상은 내정부에 등록된 대만의 1만 5000개 종교단체 가운데 자선·봉사·사회 교육분야에서 공헌이 큰 종교단체에 주는 것이다. 내정부는 매년 자선·봉사·사회교육분야에서 공헌한 종교단체를 시상하고 있다. ‘재단법인통일교대만총회’는 2000년부터 2009년까지 10년간 빠짐없이 자선·봉사·사회교육분야의 공헌을 인정받아 수상해 오고 있다.

특히 올해로 중화민국 건국 100년과 종교활동 100년을 기념하는 뜻에서 내정부의 상위 기관인 행정원은 10차례 이상 공로상을 수상한 사회공헌 실적이 우수한 종교단체 4곳을 선정해 행정원장 특별공로상을 수여했다.

통일교는 1만5000개 종교단체 중 기독교 2개 그룹, 도교와 함께 특별공로상을

받은 4개 단체에 포함됐다. 다종교사회인 대만은 불교·유교·도교가 전체의 90% 이상을 차지하며, 기독교의 비율은 종교 인구의 5% 정도에 불과하다.

2008년부터 대만, 태국 등 아시아 각지에서 소임을 시작한 윤 회장은 “1967년부터 대만에서 세계평화운동이 시작됐지만, 16년간 핍박 속에 지하운동을 할 수밖에 없었다”면서 “그러나 모든 수난을 딛고 이제 우리가 타 종교의 모범이 되는 단체로 대만 정부로부터 상을 받게 돼 더 없이 기쁘다”고 소감을 전했다.

그는 특히 행정원장상 수상에 대해 “그 동안은 불교단체 등 기존 종교그룹이 이 상을 독식하다시피 했다”면서 “새로운 종교단체나 다름없는 우리가 4개 단체에 포함돼 앞으로 책임이 더 무거워졌다”고 말했다.

1967년 시작된 대만 내 통일교 활동은 1975년 대만 정부의 활동금지조치가 있기 전까지 활발하게 이뤄졌다. 대만 정부의 탄압은 1990년 종지부를 찍었다.

윤 회장은 “공개 전도는 물론 어떤 활동이나 모임도 가질 수 없는 매우 힘든 시기가 있었다”면서 “앞으로도 순결운동, 에이즈예방 캠페인, 소년소녀가장·결손가정 돕기 등 사회공헌 활동에 더욱 더 매진할 것”이라고 말했다.

그는 “대만뿐 아니라 새롭게 자유선교가 시작된 태국 사회에도 공헌할 수 있는 사회활동을 펼쳐 나가겠다”고 강조했다.

성남, 수원 꺾고 FA컵 우승

입력시간 : 2011.10.15 19:45:50 수정시간 : 2011.10.21 14:22:12

프로축구 성남 일화가 지난해 **챔피언 수원** 삼성의 3연패 시도를 저지하고 대한축구협회(FA)컵 정상을 탈환했다.

성남은 15일 **오후** 성남 탄천종합경기장에서 열린 수원과의 2011 **하나은행** FA컵 전국축구선수권대회 결승전에서 후반 32분 조동건의 선제 결승골을 끝까지 지켜 1-0으로 승리했다. 성남은 이로써 1999년 전북 **현대**를 꺾고 처음 우승을 차지한 이후 11년 만에 대회 정상을 되찾았다. 2009년 대회 결승전에서 승부차기 끝에 아쉽게 수원에 우승컵을 내준 설움도 고스란히 되갚은 성남은 우승 **상금** 2억원과 함께 2012년 아시아축구연맹(AFC) 챔피언스리그 본선 출전권을 확보해 챔스리그 2연패에 도전하게 됐다. 반면 2009년과 2010년 FA컵에서 연속 우승을 달성한 수원은 FA컵 사상 첫 대회 3연패의 대기록에 도전했지만 준우승 상금 1억원에 만족해야 했다. 김두용기자
