MOLDOVA - On October 10, 2026, Youth and Students for Peace (YSP) Moldova, in collaboration with the Family Federation for World Peace and Unification (FFWPU) of Moldova and the Universal Peace Federation (UPF) Moldova, organized the Youth Forum for Peace. The event brought together participants from the nationwide "Peace Starts with Me" reels contest, welcoming youth from more than 10 cities across the country. The forum was designed to inspire attendees to discover how they can personally contribute to peace within their local communities and served as the stage to announce the contest winners.

Words of Gratitude and Encouragement

The forum highlighted the voices of organizational leaders who shared messages of support and appreciation. Diana Eșanu, IAYSP Co-Director for the North-East region, addressed the participants with words of gratitude and encouragement, commending their active involvement in peacebuilding initiatives. A representative of the Family Federation also delivered remarks, offering congratulations and appreciation to the youth for their commitment.

Practical Peacebuilding and Community Engagement

The forum's program combined informational sessions with hands-on activities. Attendees participated in a presentation showcasing YSP and its founders as examples of international peacebuilders. The program also engaged the youth in the "Peace Designer" exercise, encouraging collaborative and practical approaches to community action. Following the presentations and activities, the forum concluded with a celebratory lunch.
