There was a special address from Sun Jin Moon, International President, on the first day of the Purification Azalea Festival. She entered Cheonseong Wanglim Palace at 4 p.m. on May 6 with warm, welcoming applause from a lot of members who were waiting for her in that place.

She emphasized that “True Parents’ Chung Pyung Providence has been a central part of Heavenly Parent’s and True Parents’ mission, and has been carried out through three stages and they knew that Chung Pyung would one day come to be a destination greater than any wonder in the world! It would become the holiest and most joyful, loving, peaceful place on earth, fulfilling the hopes of our Heavenly Parent and our True Parents”.

Also she made a resolution to complete our mission saying, “This holy ground will be the true model of sustainable, harmonious, conscious, and loving land development, making Chung Pyung our Heavenly Parent’s true Garden of Eden here on earth and in heaven”.

Also there was the added grace of taking family photographs by a selected 30 groups with Sun Jin Nim in the Photo Zone located on the 1st floor of the Heavenly Palace and she gave a handshake and a warm smile to each person. Not only the selected blessed families, but all the other members felt grateful for her warm heart.
